## **Slipknot Unmasked Again:**

Slipknot Unmasked (Again) Joel McIver, 2003 Slipknot Unmasked was the first major biography of the band who had risen to chart prominence in 1999 The new updated edition covers various personnel changes that have occurred over the years their unique image frenzied stage antics and the release of their platinum album Iowa Slipknot Discography , **Focus On: 100 Most Popular 21st-century American Musicians** Wikipedia contributors, **Focus On: 100 Most Popular American Rock Guitarists** Wikipedia contributors, **Slipknot Tours** , **SlipKnoT: ALL HOPE IS GONE** Joel McIver, 2012-03-07 With no fewer than nine members and a unique stage image based on grotesque masks and boiler suits Slipknot retained a mystique that was unprecedented in the metal world never allowing their faces to become known so that the focus would remain on their music The first edition of this book published in 2001 followed the band from their inception in Des Moines Iowa in the mid 1990s through to the release of their second album an updated edition followed in 2003 It is now a decade since the first volume appeared and in that time Slipknot have evolved into a completely different band from the one that first emerged into the limelight in 1999 Everyone knows their faces now The band's music is darker deeper and more adult after four studio albums three DVDs and a live release Most strikingly the sudden death of their bass player Paul Gray in 2010 has changed the face and the attitude of the group although their commercial profile is if anything greater than it was before Slipknot All Hope Is Gone explores this unlikely and tragic evolution with new chapters covering the band's career to date and it also asks what their future will be The British National Bibliography Arthur James Wells, 2004
