- Уровни цивилизации и история

Smysl Istorii I Revoliutsiia

T. Sherlock

Smysl Istorii I Revoliutsiia:

A History of Russian Philosophy 1830-1930 G. M. Hamburg, Randall A. Poole, 2010-04-22 The great age of Russian philosophy spans the century between 1830 and 1930 from the famous Slavophile Westernizer controversy of the 1830s and 1840s through the Silver Age of Russian culture at the beginning of the twentieth century to the formation of a Russian philosophical emigration in the wake of the Russian Revolution This volume is a major history and interpretation of Russian philosophy in this period Eighteen chapters plus a substantial introduction and afterword discuss Russian philosophy's main figures schools and controversies while simultaneously pursuing a common central theme the development of a distinctive Russian tradition of philosophical humanism focused on the defence of human dignity As this volume shows the century long debate over the meaning and grounds of human dignity freedom and the just society involved thinkers of all backgrounds and positions transcending easy classification as religious or secular The debate still resonates strongly today **Russian Jews Between the Reds and the Whites, 1917-1920** Oleg Budnitskii, 2012-07-24 In the years following the Russian Revolution a bitter civil war was waged between the Bolsheviks with their Red Army of Workers and Peasants on the one side and the various groups that constituted the anti Bolshevik movement on the other The major anti Bolshevik force was the White Army whose leadership consisted of former officers of the Russian imperial army In the received and simplified version of this history those Jews who were drawn into the political and military conflict were overwhelmingly affiliated with the Reds while from the start the Whites orchestrated campaigns of anti Jewish violence leading to the deaths of thousands of Jews in pogroms in the Ukraine and elsewhere In *Russian Jews Between the Reds and the Whites 1917-1920* Oleg Budnitskii provides the first comprehensive historical account of the role of Jews in the Russian Civil War According to Budnitskii Jews were both victims and executioners and while they were among the founders of the Soviet state they also played an important role in the establishment of the anti Bolshevik factions He offers a far more nuanced picture of the policies of the White leadership toward the Jews than has been previously available exploring such issues as the role of prominent Jewish politicians in the establishment of the White movement of southern Russia the Jewish Question in the White ideology and its international aspects and the attempts of the Russian Orthodox Church and White diplomacy to forestall the establishment of a Jewish state in Palestine The relationship between the Jews and the Reds was no less complicated Nearly all of the Jewish political parties severely disapproved of the Bolshevik coup and the Red Army was hardly without sin when it came to pogroms against the Jews Budnitskii offers a fresh assessment of the part played by Jews in the establishment of the Soviet state of the turn in the policies of Jewish socialist parties after the first wave of mass pogroms and their efforts to attract Jews to the Red Army of Bolshevik policies concerning the Jewish population and of how these stances changed radically over the course of the Civil War *Thou Shalt Kill* Anna Geifman, 2020-11-10 Anna Geifman examines the explosion of terrorist activity that took place in the Russian empire from the years just prior to the turn of the century through 1917 a period when over 17 000

people were killed or wounded by revolutionary extremists On the basis of new research she argues that a multitude of assassination attempts bombings ideologically motivated robberies and incidents of armed assault kidnapping extortion and blackmail for party purposes played a primary role in the revolution of 1905 and early twentieth century Russian political history in general

The Perennial Conspiracy Theory Michael Hagemeister, 2021-11-21 The Perennial Conspiracy Theory is a collection of essays on The Protocols of the Elders of Zion a fake document which has created a pernicious antisemitic conspiracy theory The author analyses the murky origins of this notorious forgery and the contested claims of authorship He explores the impact of the Protocols on various countries during the interwar years including Soviet Russia the United Kingdom France Nazi Germany and the United States He also profiles figures closely associated with the dissemination of antisemitic conspiracy theories such as Sergei Nilus and Leslie Fry as well as examining the controversies arising from the famous Bern trial related to the Protocols The book concludes with an assessment of the ongoing influence of the Protocols in post Soviet Russia This volume will be of interest to researchers and students working in the fields of antisemitism conspiracy theories the far right Jewish studies and modern history

Liberals in the Russian Revolution William G. Rosenberg, 2019-03-12 Although many Russians thought that the Constitutional Democrats or Kadets would be the party that would lead them through the Russian Revolution into the ranks of the Western European democracies the Kadets were easily crushed by the Bolsheviks in the struggle for power How the Kadets responded to the events of the revolution and failed at the time of the party's greatest crisis is the subject of William G Rosenberg's study As political history the book examines the values programs organization and tactics of Russia's most prominent liberal party from 1917 to 1921 As a study of the Russian Revolution and Civil War it probes the strengths and weaknesses of the one political group whose politics did more to influence the outcome of events than any other political organization except the Bolsheviks Based largely on party journals and emigre archives the book focuses not only on the role of the Kadets in the revolution but also on the broader issue of the relationship of Russia's liberal politics to revolutionary social forces William G Rosenberg is Associate Professor of History at the University of Michigan Originally published in 1974 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The French Revolution in Russian Intellectual Life James O'Connor, 2017-07-12 Sandwiched between the East and West Russian intellectuals have for centuries been divided geographically politically and culturally into two distinct groups the Slavophiles who rejected Western style democracy preferring a more holistic and abstract vision and the more rational and scientific minded Westernizers These two ideologies cut across the political spectrum of late nineteenth century Russia

and competed for dominance in the country's intellectual life. The tension created between these two opposing groups caused the feeling that violent upheaval was Russia's future. In turn, many began to think that Russia was possibly following the path of France and that a French style revolution might be possible on Russian soil. In *The French Revolution in Russian Intellectual Life*, Dmitry Shlapentokh describes the role that the French democratic revolution played in Russia's intellectual development by the end of the nineteenth century. The revolutionary upheaval in Russia at the beginning of twentieth century and the continuous expansion of the West convinced most Russian intellectuals that the French Revolution in its democratic reading was indeed the pathway of history. Yet the rise of totalitarian regimes and their expansion proved the validity of the sober vision of nineteenth century Russian intellectuals. Some conservative Russian intellectuals believed that not only would Russia preserve its authoritarian regime but it would spread this regime all over the world. In this context, Shlapentokh argues the French Revolution with its democratic tradition was only a phenomenon of Western civilization and hence transitory. The flirtation with Western ideology with its democratic polity and market economy that followed in the wake of the collapse of the communist regime culminated in an increasing push for corporate authoritarianism and nationalism. This work helps explain why Russia turned away from democratic to autocratic styles.¹

The French Revolution in Russian Intellectual Life, 2009. Russian intellectual discourse on the French Revolution as a representation of the West rather than a symbol of revolution.

The French Revolutionary Tradition in Russian and Soviet Politics, Political Thought, and Culture, Jay Bergman, 2019. The Bolsheviks sought legitimacy and inspiration in historic revolutionary traditions and Jay Bergman argues that they saw the revolutions in France in 1789, 1830, 1848, and 1871 as supplying practically everything Marxism lacked including guidance in constructing socialism and communism and useful fodder for political and personal polemics.

The Archaeology of Anxiety, Galina Rylkova, 2007-12-09. The Silver Age c. 1890-1917 has been one of the most intensely studied topics in Russian literary studies and for years scholars have been struggling with its precise definition. Firmly established in the Russian cultural psyche, it continues to influence both literature and mass media. *The Archaeology of Anxiety* is the first extended analysis of why the Silver Age occupies such prominence in Russian collective consciousness. Galina Rylkova examines the Silver Age as a cultural construct, the byproduct of an anxiety that permeated society in reaction to the social, political, and cultural upheavals brought on by the Bolshevik Revolution, the fall of the Romanovs, the Civil War, and Stalin's Great Terror. Rylkova's astute analysis of writings by Anna Akhmatova, Vladimir Nabokov, Boris Pasternak, and Victor Erofeev reveals how the construct of the Silver Age was perpetuated and ingrained. Rylkova explores not only the Silver Age's importance to Russia's cultural identity but also the sustainability of this phenomenon. In so doing, she positions the Silver Age as an essential element to Russian cultural survival.

Dilemmas of Reaction in Leninist Russia, Christian Gottlieb, 2003. In the moral and spiritual vacuum left in Russia by the fall of the Soviet Union in 1989-1991, some of the thinkers who first opposed the Leninist revolution of 1917 have come to a new prominence and among these is the religious

philosopher Nikolai Berdyaev 1874 1948 He expressed a passionate protest against the revolution and was clearly the most comprehensive contemporary critic of the revolutionary project from a Christian perspective From his consistently religious perspective he foresaw with precision much of the inhuman and tyrannical potential of the revolutionary project **Russian Studies in History** ,1998 *From Nationalism to Universalism* Izraïl' Kleïner,Israel Kleiner,2000 An old problem the history of Ukrainian Jewish relations from a fresh perspective *Historical Narratives in the Soviet Union and Post-Soviet Russia* T. Sherlock,2007-04-16 Establishing a causal link between historical discourse and political change this important book describes the role of historical discourse in establishing maintaining or destroying elite and mass political identities in Soviet and post Soviet space *Russian Philosophy in the Twenty-First Century* Mikhail Sergeev,Alexander N. Chumakov,Mary Theis,2020-11-23 Russian Philosophy in the Twenty First Century An Anthology provides the English speaking world with access to post Soviet philosophic thought in Russia for the first time The Anthology presents the fundamental range of contemporary philosophical problems in the works of prominent Russian thinkers In contrast to the single mindedness of Soviet era philosophers and the bias toward Orthodox Christianity of migr philosophers it offers to its readers the authors plurality of different positions in widely diverse texts Here one finds strictly academic philosophical works and those in an applied pragmatic format secular and religious that are dedicated to complex social and political matters to pressing cultural topics or insights into international terrorism as well as to contemporary science and global challenges *The Oxford Handbook of Soviet Underground Culture* Mark Lipovetsky,Maria Engström,Tomáš Glanc,Ilja Kujuk,Klavdia Smola,2024 In 1932 the Central Committee of the Communist Party issued the resolution On the Restructuring of Literary and Arts Organizations This resolution put an end to the coexistence of aesthetically different groups and associations of writers and artists that had been common during the 1920s and instead led to the establishment of the monopoly of Socialist Realism in 1934 Ironically this resolution unwittingly created a rich literary and artistic production of underground intellectuals known as the Soviet underground during an era of political and aesthetic censorship in the Soviet Union The Oxford Handbook of Soviet Underground Culture is the first comprehensive English language volume covering a history of Soviet artistic and literary underground In forty four chapters an international group of leading scholars introduce readers to a web of subcultures within the underground highlight the culture achievements of the Soviet underground from the 1930s through the 1980s emphasize the multimodality of this cultural phenomenon and situate the study of underground literary texts and artworks into their broader theoretical ideological and political contexts The volume presents readers with several approaches to mapping the underground that include chapters on nonconformist cultures in Ukraine Belarus Baltic countries Central Asia and provincial cities of Russian Federation Finally the volume also provides an analysis of groups shaped around religious and cultural identity as well as queer and feminist underground circles **Gustav Shpet's Contribution to Philosophy and Cultural Theory** Galin Tihanov,2009 This book offers original research by leading

scholars from the United States United Kingdom Germany France and Russia which covers the central areas of Shpet's work on phenomenology philosophy of language cultural theory and aesthetics and takes forward the current state of knowledge and debates on his contribution to these fields of enquiry The book also contains for the first time in English translation the most seminal portions of Shpet's book length study of hermeneutics which is his most significant work for contemporary students of cultural theory The first part of the book maps out Shpet's legacy in the main areas of his multi faceted work the second part examines in closer detail particular aspects of Shpet's philosophical affiliations and contributions in the framework of cultural theory phenomenology hermeneutics and in the field of Russian intellectual history the final part

features the publication of extracts from Shpet's 1918 book on hermeneutics **Russia in the Nineteenth Century** A. I. U. Polunov, Thomas C. Owen, L. G. Zakharova, 2015-02-12 This is a comprehensive interpretive history of Russia from the defeat of Napoleon to the eve of World War I It is the first such work by a post Soviet Russian scholar to appear in English Drawing on the latest Russian and Western historical scholarship Alexander Polunov examines the decay of the two central institutions of tsarist Russia serfdom and autocracy Polunov explains how the major social groups the gentry merchants petty townspeople peasants and ethnic minorities reacted to the Great Reforms and why despite the emergence of a civil society and capitalist institutions a reformist evolutionary path did not become an alternative to the Revolution of 1917 He provides detailed portraits of many tsarist bureaucrats and political reformers complete with quotations from their writings to explain how the principle of autocracy although significantly weakened by the Great Reforms in mid century reasserted itself under the last two emperors Polunov stresses the relevance for Russians in the post Soviet period of issues that remained unresolved in the pre Revolutionary period such as the question of private property in land and the relationship between state regulation and private initiative in the economy **The Language of Russian Peasants in the Twentieth Century**

Alexander D. Nakhimovsky, 2019-10-28 The Language of Russian Peasants in the Twentieth Century A Linguistic Analysis and Oral History analyzes the social dialect of Russian peasants in the twentieth century through letters and stories that trace their tragic history In 1900 there were 100 000 000 peasants in Russia but by mid century their language was no longer passed from parents to children resulting in no speakers of the dialect left today In this study Alexander D Nakhimovsky argues that for all the variability of local dialects there was an underlying unity in them which derived from their old shared traditions and oral nature Their unity is best manifested in word formation syntax phraseology and discourse Different social groups followed somewhat different paths through the maze of Soviet history and peasants path was one of the most painful The chronological organization of the book and the analysis of powerful concise and simple but expressive language of peasant letters and stories culminate into an oral history of their tragic Soviet experience Russia in the Nineteenth Century Polunov, This is a comprehensive interpretive history of Russia from the defeat of Napoleon to the eve of World War I It is the first such work by a post Soviet Russian scholar to appear in English Drawing on the latest Russian and Western

historical scholarship Alexander Polunov examines the decay of the two central institutions of tsarist Russia serfdom and autocracy Polunov explains how the major social groups the gentry merchants petty townspeople peasants and ethnic minorities reacted to the Great Reforms and why despite the emergence of a civil society and capitalist institutions a reformist evolutionary path did not become an alternative to the Revolution of 1917 He provides detailed portraits of many tsarist bureaucrats and political reformers complete with quotations from their writings to explain how the principle of autocracy although significantly weakened by the Great Reforms in mid century reasserted itself under the last two emperors Polunov stresses the relevance for Russians in the post Soviet period of issues that remained unresolved in the pre Revolutionary period such as the question of private property in land and the relationship between state regulation and private initiative in the economy

Contemporary Russian Conservatism Mikhail Suslov, Dmitry Uzlaner, 2019-10-14 This volume is the first comprehensive study of the conservative turn in Russia under Putin Its fifteen chapters written by renowned specialists in the field provide a focused examination of what Russian conservatism is and how it works The book features in depth discussions of the historical dimensions of conservatism the contemporary international context the theoretical conceptualization of conservatism and empirical case studies Among various issues covered by the volume are the geopolitical and religious dimensions of conservatism and the conservative perspective on Russian history and the politics of memory The authors show that conservative ideology condenses and reworks a number of discussions about Russia s identity and its place in the world Contributors include Katharina Bluhm Per Arne Bodin Alicja Curanovi Ekaterina Grishaeva Caroline Hill Irina Karlsohn Marlene Laruelle Mikhail N Lukianov K re Johan Mj r Alexander Pavlov Susanna Rabow Edling Andrey Shishkov Victor Shnirelman Mikhail Suslov and Dmitry Uzlaner

Smysl Istorii I Revoliutsiia Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Smysl Istorii I Revoliutsiia free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Smysl Istorii I Revoliutsiia free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Smysl Istorii I Revoliutsiia free PDF files is convenient, it is important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it is essential to be cautious and verify the authenticity of the source before downloading Smysl Istorii I Revoliutsiia. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be

cautious and verify the legality of the source before downloading Smysl Istorii I Revoliutsiia any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Smysl Istorii I Revoliutsiia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Smysl Istorii I Revoliutsiia is one of the best book in our library for free trial. We provide copy of Smysl Istorii I Revoliutsiia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Smysl Istorii I Revoliutsiia. Where to download Smysl Istorii I Revoliutsiia online for free? Are you looking for Smysl Istorii I Revoliutsiia PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Smysl Istorii I Revoliutsiia. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Smysl Istorii I Revoliutsiia are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Smysl Istorii I Revoliutsiia. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with

Smysl Istorii I Revoliutsiia To get started finding Smysl Istorii I Revoliutsiia, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Smysl Istorii I Revoliutsiia So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Smysl Istorii I Revoliutsiia. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Smysl Istorii I Revoliutsiia, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Smysl Istorii I Revoliutsiia is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Smysl Istorii I Revoliutsiia is universally compatible with any devices to read.
