

Smythe At Large

William Charles Harris

Smythe At Large:

... **Tariff Schedules** United States. Congress. House. Committee on Ways and Means,1913 **Back to the Land** Dona Brown,2011-06-01 For many going back to the land brings to mind the 1960s and 1970s hippie communes and the Summer of Love The Whole Earth Catalog and Mother Earth News More recently the movement has reemerged in a new enthusiasm for locally produced food and more sustainable energy paths But these latest back to the landers are part of a much larger story Americans have been dreaming of returning to the land ever since they started to leave it In *Back to the Land* Dona Brown explores the history of this recurring impulse Back to the landers have often been viewed as nostalgic escapists or romantic nature lovers But their own words reveal a more complex story In such projects as Gustav Stickley's Craftsman Farms Frank Lloyd Wright's Broadacre City and Helen and Scott Nearing's quest for the good life Brown finds that the return to the farm has meant less a going backwards than a going forwards a way to meet the challenges of the modern era Progressive reformers pushed for homesteading to help impoverished workers get out of unhealthy urban slums Depression era back to the landers wary of the centralizing power of the New Deal embraced a new third way politics of decentralism and regionalism Later still the movement merged with environmentalism To understand Americans response to these back to the land ideas Brown turns to the fan letters of ordinary readers retired teachers and overworked clerks recent immigrants and single women In seeking their rural roots Brown argues Americans have striven above all for the independence and self sufficiency they associate with the agrarian ideal **Best Books for General Audiences** selected by the American Association of School Librarians **Harpoons and Darts in the Stefánsson Collection** Clark Wissler,1916 Study of Eskimo artifacts in the Stefansson collection *The American Angler* William Charles Harris,1883 **Anthropological Papers of the American Museum of Natural History** American Museum of Natural History,1914 **Smythe's Theory of Everything** Robert Hollingworth,2018-11-01 In 2004 the author found a little diary of 386 pages written by a 62 year old man in a nursing home This story is inspired by that diary E mc2 Jack Smythe thinks Einstein is wrong and he has a theory to prove it But he's no physicist Instead he's been a homeless kid a palmreader a cosmic theorist a father of two who probably aren't his and a devoted companion to his sister Kitty who has her own demons But now at 62 he wakes after an operation to find he's been placed at Eden a below average nursing home Here he is confronted by Nurse Stinson Collier the Hun Pistol Pete Skeleton Joe Dooley the publican Jim the ex politician and Jim's rebel granddaughter among others He wants nothing to do with any of them Instead with wry wit Jack begins a story about Kitty starting with the day they ran away from home for good It seems Jack is always running away and ultimately there's a daring escape at Eden But unknown to Jack it's the muddle of geriatrics at Eden that eventually put meaning in his life *National Wool Grower* ,1926 **Weekly Florists' Review** Gilbert Leonard Grant,1906 [Joining the Clubs](#) J. Andrew Ross,2015-05-21 How did a small Canadian regional league come to dominate a North American continental sport *Joining the Clubs* The Business of the National Hockey League to 1945 tells

the fascinating story of the game off the ice offering a play by play of cooperation and competition among owners players arenas and spectators that produced a major league business enterprise Ross explores the ways in which the NHL organized itself to maintain long term stability deal with its labor force and adapt its product and structure to the demands of local regional and international markets He argues that sports leagues like the NHL pursued a strategy that responded both to standard commercial incentives and also to consumer demands that the product provide cultural meaning Leagues successfully used the cartel form an ostensibly illegal association of businesses that cooperated to monopolize the market for professional hockey along with a focus on locally branded clubs to manage competition and attract spectators to the sport In addition the NHL had another special challenge unlike other major leagues it was a binational league that had to sell and manage its sport in two different countries Joining the Clubs pays close attention to these national differences as well as to the context of a historical period characterized by war and peace by rapid economic growth and dire recession and by the momentous technological and social changes of the modern age Theosophy ,1927 **Limit Theorems for**

Multi-Indexed Sums of Random Variables Oleg Klesov,2014-10-13 Presenting the first unified treatment of limit theorems for multiple sums of independent random variables this volume fills an important gap in the field Several new results are introduced even in the classical setting as well as some new approaches that are simpler than those already established in the literature In particular new proofs of the strong law of large numbers and the Hajek Renyi inequality are detailed Applications of the described theory include Gibbs fields spin glasses polymer models image analysis and random shapes Limit theorems form the backbone of probability theory and statistical theory alike The theory of multiple sums of random variables is a direct generalization of the classical study of limit theorems whose importance and wide application in science is unquestionable However to date the subject of multiple sums has only been treated in journals The results described in this book will be of interest to advanced undergraduates graduate students and researchers who work on limit theorems in probability theory the statistical analysis of random fields as well as in the field of random sets or stochastic geometry The central topic is also important for statistical theory developing statistical inferences for random fields and also has applications to the sciences including physics and chemistry The Papers of Andrew Johnson Andrew Johnson,1967 The project continues with treatment of six extremely important months in Johnson s presidency and in the evolving of the Reconstruction story Documents have been selected from thousands for inclusion in full a few are summarized with identification for virtually every person and event mentioned Annotation copyright by Book News Inc Portland OR

Canadian Communication Thought Robert E. Babe,2000-01-01 Babe examines the writings of ten major thinkers in the context of their physical and cultural environments and finds that there is indeed a mode of theorizing that is quintessentially Canadian Harper's Weekly John Bonner,George William Curtis,Henry Mills Alden,Samuel Stillman Conant,Montgomery Schuyler,John Foord,Richard Harding Davis,Carl Schurz,Henry Loomis Nelson,John Kendrick Bangs,George Brinton

McClellan Harvey, Norman Hapgood, 1866 **Casebook On the Men In Black** Jim Keith, 2018-08-20 According to the lore UFO witnesses are sometimes harassed or intimidated by mysterious men dressed entirely in black Are they government agents sinister aliens or interdimensional creatures Jim Keith follows up his previous books with this investigation of various Men in Black stories Known to Ufologists as M I B s Keith chronicles the strange goings on surrounding UFO activity and often bizarre cars that they arrive in literal flying cars Chapters include Black Arts Demons and Witches Black Lodge Maury Island On a Bender The Silence Group Overlords and UMMO More Black Ops Indrid Cold M I B s in a Test Tube Green Yard The Hoaxers Gray Areas You Will Cease UFO Study Beyond Reality The Real Unreal Men in Black Deciphering a Nightmare more

Chosen By The Lycan Prince Cassandra K, 2023-06-07 A lycan prince in search of his mate An abused omega desperate to escape her past demons A prince who does not know how to love An omega whose only hope at redemption is finding true love Prince Draven first out of the three lycan princes and next in line to the throne is a ruthless blood thirsty and arrogant man He was exposed to the brutality of the world at a tender age To claim his inheritance and become king he must find his mate a mission that appears almost impossible When he captures an omega girl who tries to take his life he must punish her for attempted murder and maybe use her to get what he wants In an attempt to escape an abusive mate and pack Esmeray finds herself in bigger trouble She had tried to kill a man in her desperation When she finds out he s the almighty Lycan Prince the same man she had heard stories of his ruthlessness as a child she is sure she will be put to death But why is the fearless Prince asking her to pretend to be his mate When the truth finally unfolds and the prince discovers Esme s deception and background will he send her back to a life of misery Or will he find his mate in the last place he was looking This is book 2 of the story The Black Pages: The Supernatural Telephone Directory Peggy R Hand, 2016-10-04

Have you ever wanted to dial the number 1 900 666 CLARA or even 1 900 666 WINNER Whatever you do do not ring any of these premium rate lines as the events that follow are out of our control From the dark 1 900 666 HORRORSCOPE to the Pikestaff Hauntings there is something for all horror genre fans A collection of horror stories by a new author Peggy R Hand

Lady Gregory Judith Hill, 2011-04-14 Lady Gregory Abbey Theatre founder and patron of W B Yeats writer and daughter of a Galway landowner became a key figure in the Irish Revival This new biography investigates Augusta Gregory s varied relationships and the contradictions and achievements of her life This portrait of a fascinating woman places Lady Gregory in the Ireland of her time showing how her nationalism in politics and literature shaped her life and work **The Law of the**

Land John Opie, 1994-01-01 This book provides fascinating insights into how present day American land legislation has evolved In doing so the author identifies the many problems that the family farmer has had to face over the past two centuries at the hands of the weather unstable product prices and corrupt and venal politicians Journal of Agricultural Economics A provocative learned polemical contribution to the debate on the nature of the farm problem and the means to solve it Throughout our history Opie a historian convincingly argues contradictory goals have produced contradictory policies

that are the sources of our current problems Science This important volume offers a reinterpretation of public lands history as it relates to contemporary farm policy Opie s signal contribution is to examine and evaluate the many policy strands of a twentieth century safety net designed by Congress to sustain the family farm Journal of American History Bright passionate and entirely convincing Journal of Rural Studies The Law of the Land has made a significant contribution to agricultural and public policy history by pointing out that American ideals have shaped policies and assigned roles that have often left farmers and farmland vulnerable Public Historian The five years that have passed since this book was first published have been enough to conclude that John Opie can reconstruct the past and predict the future Many of the problems he foresaw have come to pass and some of the solutions he discussed have been adopted Anyone interested in the basic environment will find that this volume gives a clear picture of how we got to where we are today in the use and misuse of natural resources Environmental History Review A professor of history at the New Jersey Institute of Technology John Opie is also director of the Center for Technology Studies and founding editor of Environmental History Review His other publications include Ogallala Water for a Dry Land Nebraska 1993 **Outdoor Sports and American Angler** ,1892
