generation and speaks with a relatable and realistic point of view Jessica's work has received national attention by The Washington Post CNN MTV and Teen People Magazine **Always Hungry, Never Greedy** Miriam Kahn, 1993-12-30 The Wamira people of Papua New Guinea display what outsiders would describe as an obsession with food Who owns how many pigs how much taro grows in whose garden and who contributes what food at a feast are all questions uppermost in their thoughts Wamirans account for this preoccupation by saying that they suffer from perpetual famine They explain this by means of an elaborate and colorful myth about Tamodukorokoro a monster who would have brought them abundant food but whom in typical Wamiran style of fearing what they desire they chased away In this carefully crafted and beautifully evocative book Kahn who lived with the Wamira people for two and a half years argues that Wamirans' famine has in fact little to do with the belly For Wamirans concepts of food and hunger are cultural constructs By means of food they objectify emotions balance relations between men and women communicate rivalries among men and ultimately control the ambivalent desires that they fear would otherwise control them Effectively combining analyses of myths and symbols with analytical accounts of subsistence and ritual behavior Kahn writes with a degree of nuance that takes the reader beyond academic analyses into the experience of the ethnographer and the daily lives of the people with whom she resided Going Hungry Kate M. Taylor, 2008-09-09 Here collected for the first time 19 writers describe their eating disorders from the distance of recovery exposing as never before the anorexic's self enclosed world This anthology lends remarkable texture to a subject that has been too often sensationalized and oversimplified The New York Times Taking up issues including depression genetics sexuality sports religion fashion and family these essays examine the role anorexia plays in a young person's search for direction Powerful and immensely informative this collection makes accessible the mindset of a disease that has long been misunderstood With essays by Priscilla Becker Francesca Lia Block Maya Browne Jennifer Egan Clara Elliot Amanda Fortini Louise Glück Latria Graham Francine du Plessix Gray Trisha Gura Sarah Haight Lisa Halliday Elizabeth Kadetsky Maura Kelly Ilana Kurshan Joyce Maynard John Nolan Rudy Ruiz and Kate Taylor *The Barter* Siobhan Adcock, 2014-09-04 A heart stopping tale as provocative as is suspenseful about two conflicted women separated by one hundred years and bound by an unthinkable sacrifice The Barter is a ghost story and a love story a riveting emotional tale that also explores motherhood and work and feminism Set in Texas in present day and at the turn of the twentieth century the novel follows two young mothers at the turning point of their lives Bridget has given up her career as an attorney to raise her daughter joining a cadre of stay at home mothers seeking fulfillment in a quiet suburb But for Bridget some crucial part of the exchange is absent Something she loves and needs And now a terrifying presence has entered her home only nobody but Bridget can feel it On a farm in 1902 a young city bride takes a farmer husband The marriage bed will become both crucible and anvil as Rebecca first allows then negates the powerful erotic connection between them She turns her back on John to give all her love to their child Much will occur in this cold house none of it good As Siobhan Adcock crosscuts these

H. Spurgeon, Volume 44* Spurgeon, Charles H., Volume 44 Sermons 2550 2602 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its

power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon

with deceased entities through mediums and his own innovative therapeutic practices. Literary in its approach, Wickland's style is both accessible and scholarly, situating his findings within the broader context of early 20th-century spiritualism and mental health discourse, which often intersected with supernatural beliefs during that era. Wickland, a pioneering figure in the field of spirit release therapy, was influenced by his encounters with patients suffering from what he termed spirit possession. His professional background as a psychiatrist armed him with a unique perspective, allowing him to approach spiritual phenomena with a scientific rigor rarely seen in his contemporaries. His dedication to understanding the intersection of the mental and the metaphysical led him to document his experiences extensively, culminating in this revealing work. Highly recommended for those with an interest in the paranormal, psychical research, and the philosophical implications of life after death, *30 Years Among the Dead* serves as both an enlightening account and a unique methodological contribution to the discourse surrounding the spiritual and psychological dimensions of human experience.
