 Mordechai Zalkin, 2020-11-23 The heroes of Beyond the Glory are not the famous rabbis the heads of the yeshivas or Hasidic
 righteous but rather the second circle rabbis the community rabbis in 19th century Eastern Europe the backbone of the
 rabbinical world of the time those who knew the world of their community members closely and were required to answer a
 wide range of questions both daily and existential Who were these rabbis What were their training processes How did they
 win their positions Did they win tenure or was the threat of dismissal constantly hovering above their heads How were their
 working conditions and their financial situation Were they considered as spiritual shepherds and social leaders of the
 community What was their relationship with the local rabbinic scholars and the economic elite How did they navigate
 between their duties as halachic rulers and their desire to engage in studying and teaching This book attempts to answer
 these questions and many others based on examining the world of over a thousand community rabbis **Yearbook of the**
