Social And Psychological Problems Of Women Prevention And Crisis Intervention

Karl A. Slaikeu

Social And Psychological Problems Of Women Prevention And Crisis Intervention:

Social and Psychological Problems of Women Annette U. Rickel, Meg Gerrard, Ira Iscoe, 1984 This book in its diversity of topics reflects the re emergence of concern with women s issues in the last decade and the vigor and pioneering quality of scholarship in the area Such extensive albeit uneven development says something about the state of our society as well for organized scholarship is a form of problem solving part of the process of working through issues that come to the attention of observers of and commentators on the social world Be we can go further By recognizing that the contemporary women s movement is not new but is in keeping with a stream of feminism at least 150 years old we can encourage the current rekindling of interest and consciousness to reflect contemporary events as well xiii foreword

Women's Mental Health Anita Eichler, Delores L. Parron, 1987 *The Experience and Meaning of Work in Women's Lives* Hildreth Y. Grossman, Nia Lane Chester, 2013-04-15 In the past social scientists have relied predominantly on traditional models of work to understand women s experiences These models however have been based on men s occupational experiences which have been assumed to be the same for women More recently researchers and theorists from a variety of disciplines have begun to challenge earlier assumptions as inaccurate reflections of the realities for female workers Newer studies have concentrated on the historical and social reasons for women s employment

and career choices including changes in economy family and social conditions To provide a deeper understanding of women worker s realities by including the meaning they make of their work experiences the editors have assembled the research of social scientists from various disciplines whose investigations focused exclusively on this subject Their qualitative methodology provides a forum for women to voice issues raise questions and share self reflections about their work experiences and the meaning they make of their work in the context of the rest of their lives The common themes that are interwoven within the fabric of women s work experience are the need to expand traditional definitions of what constitutes work the fluid nature of boundaries between personal life and work life the importance of the relational aspects of their work the issues related to the uses of power at work the role of work in the development of women s sense of self and personal identity and the degree to which women s work experience is colored by discrimination and sexism

Anger Disorders

Howard Kassinove,2014-02-25 Anger is a daily experience It is encountered in a number of interpersonal family and occupational situations Research indicates that even normal parents worry that they will lose control of their anger and harm their children When short lived and of low intensity anger may be of some help to us in contrast when it is persistent and intense it is typically highly disruptive This text reviews facts and theories of anger Anger is differentiated from annoyance fury rage hostility and the behaviours of aggression and violence and attention is paid to understanding anger both as a normal experience and as a clinical disorder Specific anger diagnoses are presented to describe disruptive anger states and traits Anger in criminal populations is also discussed and behaviour analytic cognitive constructivist and cross cultural perspectives are presented in detail The book argues that it is important to understand the causes correlations and outcomes of anger and to develop effective remediation programmes when anger is excessive and disruptive Thus following a meta analyses of the effectiveness of published treatments two chapters present ideal therapy programmes for adult and childhood adolescent anger disorders Finally a model is presented to help understand anger development and resolution
