Thaksin The Business Of Politics In Thailand:

Thaksin Pasuk Phongpaichit, Christopher John Baker, 2004 Thaksin Shinawatra has often been compared to Italy's Silvio Berlusconi. Both are fabulously wealthy media magnates who have entered politics. And both have a possessive passion for football. Berlusconi owns Forza Milan and as many fans note with mixed feelings Thaksin recently attempted to acquire a 30 per cent stake in Liverpool FC. But there is more to him than football. He became Thailand's prime minister in early 2001 after a landslide election victory in which he promised to think new act new to transform the country's economy and politics. Since then Thaksin has been highly popular but also highly controversial. Two long standing observers have described him as the best prime minister Thailand has ever had and another grubby businessman. This is the first serious study of Thaksin in English. It examines where he comes from and what he is trying to do. The authors an economics professor and independent author have written several other books on economics politics and current affairs in Thailand. The Thaksinization of Thailand Duncan McCargo, Ukrist Pathmanand, 2005 The 1997 economic crisis ended two decades of pluralism in Thai politics and helped create the conditions for the landslide election victory in January 2001 of Thaksin Shinawatra a fabulously wealthy telecommunications magnate often compared with Italian premier Silvio Berlusconi. Prime minister Thaksin has since exercised an extraordinary degree of personal dominance over the Thai political scene. The emergence of Thaksin and his Thai Rak Thai Thais love Thai Party has transformed Thailand's electoral landscape rendering previous analyses of Thai politics substantially outdated. This book will examine Thaksin's background his business activities the emergence of Thai Rak Thai his relationship with the military Thaksin's use of rhetoric through media such as radio his wider political economy networks and the future direction of Thai politics. This detailed but gripping study draws on extensive research by two leading specialists in the field. Reinventing Thailand Pavin Chachavalpongpun, 2010 From 2001 to 2006 Prime Minister Thaksin Shinawatra transformed Thailand's international role from one of obscurity into a kind of regional hegemon. Thaksin's diplomatic ambitions were reflected in his myriad of grandiose foreign policy initiatives designed to locate Thailand at the forefront of regional politics and reinstall the Thai sphere of influence over weaker neighbouring states. He abolished the traditional bending with the wind foreign policy revamped the Thai Foreign Ministry and empowered Thai envoys through the CEO Ambassadors programme. But in this process Thaksin was accused of exploiting foreign policy to enrich his business empire. Thaksin's reinvention of Thailand as an up and coming regional power was therefore tainted by conflicts of interest and the absence of ethical principles in the country's foreign policy. **The Many Faces of Public Management Reform in the Asia-Pacific Region** Clay Wescott, Bidhya Bowornwathana, L.R. Jones, 2009-12-09 During the past decade globalization and democratization have been the major forces that helped transform the structures functions and processes of Asian public sectors. These issues were explored at a conference July 7-9 2008 in Bangkok Thailand. This book presents some of the works contributed by participating scholars at the conference. **Crime and Corruption in New Democracies**

J. Moran,2011-10-04 One of the dark sides to democratization can be crime and corruption This book looks at the way political liberalization affects these practices in a number of ways whilst also challenging some of the scare stories about democracy The book also brings the politics of power back into an examination of corruption **The Judicialization of**

Politics in Asia Björn Dressel,2012-05-31 Over the last two decades courts have become major players in the political landscape in Asia This book assesses what is driving this apparent trend toward judicialization in the region It looks at the variations within the judicialization trend and how these variations affect political practice and policy outcomes The book goes on to examine how this new trend is affecting aspects of the rule of law democratic governance and state society relations It investigates how the experiences in Asia add to the debate on the judicialization of politics globally in particular how judicial behaviour in Asia differs from that in the West and the implications of the differences on the theoretical debate

Politics and Society in Southeast Asia Peter A. Poole,2014-11-18 The Asian financial crisis of 1997 1998 caused severe hardship in Southeast Asia and many countries tightened their regulation of banks and other financial institutions adopted more conservative fiscal policies and made themselves less vulnerable to Western market fluctuations by forming closer trade and investment ties with their neighbors This book analyzes the major political and economic reforms that resulted from the Asian financial crisis looking particularly at how such reforms helped to prepare Asian countries for coping with the 2009 global recession In each of the ten country chapters the historical background social and political system economic development and foreign relations of each country are analyzed and compared with those of neighboring countries The concluding chapter looks ahead at the prospects for Southeast Asia in a more integrated Asian region Instructors considering this book for use in a course may request an examination copy here [Pacific Currents](#) Evan S. Lowell,2008-11-07 China s importance in the Asia Pacific has been on the rise raising concerns about competition the United States The authors examined the reactions of six U S allies and partners to China s rise All six see China as an economic opportunity They want it to be engaged productively in regional affairs but without becoming dominant They want the United States to remain deeply engaged in the region **The Political**

Economy of the Agri-Food System in Thailand Prapimphan Chiengkul,2017-05-08 The mainstream agri food system in Thailand has been shaped to aid capital accumulation by domestic and transnational hegemonic forces and is currently sustained through hegemonic agri food production distribution governance structures and ideational order However sustainable agriculture and land reform movements have to certain extents managed to offer alternatives This book adopts a neo Marxist and Gramscian approach to studying the political economy of the agricultural and food system in Thailand 1990 2014 The author argues that hegemonic forces have many measures to co opt dissent into hegemonic structures and that counter hegemony should be seen as an ongoing process over a long period of time where predominantly counter hegemonic forces constrained by political economic structural conditions may at times retain some hegemonic elements Contrary to

what some academic studies suggest the author argues that localist inspired social movements in Thailand are not insular and anti globalisation Instead they are selective in fostering collaborations and globalisation based on values such as sustainability fairness and partnership Providing new perspectives on polarised politics in Thailand particularly how cross class alliances can further or frustrate counter hegemonic movements the book points to the importance of analysing social movements in relation to established political authority It will be of interest to academics in the field of Politics and International Relations Sociology Development Studies and Asian Studies People Power in an Era of Global Crisis Barry K. Gills, Kevin Gray, 2013-10-31 A quarter of a century has now passed since the historic popular uprising that led to the overthrow of the Ferdinand Marcos dictatorship in the Philippines The mass movement known as the People Power Revolution was not only pivotal to the democratic transition within the Philippines but it also became an inspiration for subsequent mass movements leading to further democratic transitions throughout the Third World and in the former Communist bloc in Eastern Europe and the Soviet Union However the neoliberal economic policies subsequently pursued by newly democratic governments throughout the Third World led all but the most celebratory observers to note the constrained and limited nature of these formal political transitions This volume poses the question of the extent to which people power has been able to play an active role resisting neoliberalism and deepen substantive democracy and social justice Through a series of case studies of the regions and individual countries of Asia Africa Latin America and Eastern Europe the contributions in the volume provide a new set of original and in depth critical assessments of the nature of the longer term impact of the democratic transitions commencing in the 1980s and continuing until the present and questioning their impact and potential influence on human dignity freedom justice and self determination and thus opening new avenues of enquiry into the future of democracy This book was originally published as a special issue of Third World Quarterly
