How to Survive Spiritually in Our Times, Mahanta Transcripts, Book 16 Harold Klemp, 2019-03-01 Harold Klemp's stories are your stories. They're about people like you. They're about extraordinary experiences. Heartwarming experiences. Small miracles and gifts from God that happen in your everyday life. The spiritual good news of today. Take the story of Rebecca who is told by doctors that she'll never have children. She really wants children of her own. She opens herself to Divine Spirit and asks, "Is there any way for me to have my own children, please let it be so." She practices techniques included in this book and working with Divine Spirit reinvents herself. The direction and insight she receives one day bring her a miracle. A child of her own. A master storyteller, Harold Klemp weaves stories, tools, and techniques into the golden fabric of his books to help you see deeper truths within and apply them in your life now. He speaks directly to Soul that divine eternal spark, the real you. The survivor. Spiritual survival is only the starting point in your spiritual life. Harold Klemp shows you how to thrive. Eckankar is a modern-day spiritual teaching with ancient roots, founded in 1965 by Paul Twitchell. Harold Klemp is the current spiritual leader of Eckankar since 1981.

A Question of Us Mary Jayne Baker, 2019-09-05 Winner of the RNA Romantic Comedy of the Year Award. Two best friends. Eight pub quizzes. One shot at love. There are some people who seem like they have all the answers in life. Clarrie Midwinter isn't one of them. At the age of 26, tomboy Clarrie is still struggling to become a proper grown-up. She's eternally strapped for cash, she hasn't had a date in nearly a year, and her attempts to quit smoking tend to take a nosedive after the second pint. Most annoyingly of all, her ladykiller best friend Simon just won't stop asking her out. The only thing keeping her sane is her pub quiz team, the Mighty Morphin Flower Arrangers. But when Simon bets her a date, their team will win the quiz league. Clarrie is forced to confront what she really wants out of life and love. Is it finally time for her to grow up? Gloriously irreverent, badly behaved romantic comedy from the author of *Meet Me at the Lighthouse*.

Its most popular celebrities are the Famoux, uniquely beautiful stars of a reality TV show called the Fishbowl. In a world still recovering from catastrophe, they provide a 24/7 distraction. Sixteen-year-old Emilee Laurence is obsessed with the Famoux; they provide a refuge from her troubled home life and the bullies at school. When she receives an unimaginable offer to become a member herself, she takes it. Leaving behind everything she's ever known, Emilee enters a world of high glamour and even higher stakes. Because behind their perfect image lies an ugly truth: an anonymous stalker has been dictating the Famoux's every move, and being popular really is a matter of life or death.
