Mom's Words of Wisdom & Common Sense Theresa Kirklen, 2020-04-18 Coming of age is an exciting yet confusing time in life It doesn t have to be hard though Not when you have a few witty words of wisdom and common sense from yours truly Mom Some of these words were spoken to me while some I ve learned during my own growth and maturity Written in a refreshing and straightforward tone Mom s Words of Wisdom Common Sense offers practical guidance for Post Millennials facing today s concerns Dealing with everyday dilemmas is a little easier when you re equipped with a dash of wisdom and a splash of common sense Funny thing though none of us are born with either So what now Is this a setup No worries that s where Mom comes in From friendships to relationships to staying safe in this tech age you re sure to find some words of wisdom and encouragement that you can apply to your life today

Divinely Guided James Odom, 2010-09 We see many negative things on television and newspapers and all around us every day All of the morality in the world is gone and there is no respect People live as if there is no God God didn t mean for it to be this way The things that I wrote about in the book are intended to encourage people to put a smile on their face and to change their way of thinking I know anyone who purchases this book and believes God s words will never be the same We are supposed to treat people the same way that Jesus did Think what this world would be like if people were nice to each other As you go through this life learn to trust God Anything is possible with God Remember my friends God is still in control God loves you About the Author James G Odom was born and raised in Perrine Florida He is a graduate of Miami Killian Senior High School Miami Dade Junior College South Campus and Elpis Seminary He has a B M degree in theology This is my first book I had been writing for a long time but never took it seriously I wrote something for my mother She took it to church and read it Everyone asked her where it came from She said My son wrote it I thought I would be a baseball player But a woman said to me You touch more people with writing than playing baseball I said You are right All I ever wanted to do was make my mother proud of me My mother and grandfather were the

greatest inspiration in my life All praise and honor go to God I m just doing what I was told to do A Man of God Mom's Perfect Boyfriend Crystal Hemmingway,2019-07-16 Perfect for fans of Sophie Kinsella and Maria Semple a smart romantic comedy about mothers and daughters told in an addicting fast paced style Crystal has trouble saying no to her lonely single mother For 25 years it wasn t a problem But when one small mistake leaves Crystal jilted homeless and unemployed she has to move back in with the person who caused it all her mother Soon Crystal is sucked into her mother s vortex partying with boomers and hawking homemade marshmallows Desperate for some independence she hatches a foolproof plan get an experimental android to play her mom s perfect boyfriend It s only a matter of time before her mom finds out and Crystal will never live down the hilarious and disastrous consequences A story told through emails texts and journal entries Mom s Perfect Boyfriend is a humorous yet deeply honest portrayal of the complicated friendship between mothers and daughters Sometimes the people we want to rely upon the least are those who can help us the most 101 Ways to Say Thank You Kelly Browne,2008 Offers advice on writing a thank up note suggesting wording for a variety of occasions and including dos and don ts tips on salutations a thesaurus and other tools The House at 206 Brian Cote,2024-04-08 This is a true story of a man who from the age of five years old began experiencing paranormal and supernatural events These occurrences along with many brutal injuries and tough situations set him apart from the normal or average person After repeatedly cheating death he realized that God would not let him die or let him down Ten years ago he found himself living in a house where for three solid weeks he had personal contact with guardian angels and some demonic entities as well Undeniable were these bizarre encounters due to the fact that three other people in the house experienced this phenomenon in real time with him Come explore the peculiar life of one man and how God so awesomely revealed through his angels his plan for this man s life inside of the house at 206 *A Funny Thing Happened on My Way to Heaven , Dancing With The Devil* R. Douglas Veer,2019-06-20 A wild disobedient boy leaves his home near Chicago at the age of 14 believing he can do it all alone He signs up for Navy service where he finds danger intrigue and adventure And like many other young people he tries alcohol and drugs Then Doug tries marriage he makes more than one attempt at it But each one goes bad Then there s the motorcycle gangs and the illicit relationships but his future remains destined to destruction He even decides to accept Jesus Christ as His Savior but somehow his commitment is shallow leading to more years of trouble Later in life through a difficult divorce Doug loses his children It s at that point that he s driven to break the law is convicted and faces 131 2 to 27 years in a federal penitentiary Finally Doug renews his commitment to the Lord leading to a life changing relationship with Christ Doug Veer s life purpose and hope is that by exposing his own corrupted life in this book he can help prevent others from taking the same pathways he did when he danced with the devil on the other side of freedom **The Veil** Cathy Kenny,2009-02-23 My mother was born with an extra piece of skin on her face The doctor removed the extra piece of skin with a pair of scissors and placed the skin in a jar He told my grandmother that he had seen this before and called the extra

piece of skin a veil He then told my grandmother Mom mom to sell this bottle with the extra piece of skin inside to a captain of a ship because the ship would not sink and she would be rewarded in 1930 with money Mom mom did not sell the bottle with the extra piece of skin instead she saved it for my mother and gave it to her when she was older I really believe that many people do not know the true significance of the veil yet I believe in it and its importance It is a mystery This was an indication of the life my mom would live as well as her true faith which she demonstrated on a daily basis She was and always will be one of a kind I am honored to be named after her and be her first daughter She is my hero and I am glad that I wrote this book in memory of her
