

The 50s And 60s Kitchen

Michael Seilmaier

The 50s And 60s Kitchen:

The 50s & 60s Kitchen Jan Lindenberger, 1999 The 1950s and 60s designs for kitchen utensils are again popular today because they appear fun warm and of daring motifs Newly revised information and color photographs of over 400 kitchen items from this period will assist you in identifying them and will be invaluable in pricing them on today's marketplace

The Kitchen John Ota, 2020-02-25 One man's quest to seek out and be inspired by the great historic kitchens of Canada and the USA John Ota was a man on a mission to put together the perfect kitchen He and his wife had been making do with a room that was frankly no great advertisement for John's architectural expertise It just about did the job but for a room that's supposed to be the beating heart of a home and a joy to cook in the Otas left a lot to be desired And so John set out on a quest across North America exploring examples of excellent designs throughout history to learn from them and apply their lessons to his own restoration Along the way he learned about the origins and evolution of the kitchen its architecture and its appliances He cooked with expert instruction And he learned too about the homes and their occupants who range from pilgrims to President Thomas Jefferson from turn of the century tenement dwellers to 21st century Vancouver idealists from Julia Child to Georgia O'Keeffe and from Elvis Presley to Louis Armstrong John Ota has a refreshingly upbeat approach and a hunger for knowledge and indeed for food His energy and enthusiasm are contagious and his insights of lasting value Illustrated throughout with photographs and also with drawings by the author this is a book for homeowners home makers interior designers cooks armchair historians and for anyone who like John Ota before them is looking for inspiration for a renovation

Consumed Nostalgia Gary Cross, 2015-09-08 Nostalgia isn't what it used to be For many of us modern memory is shaped less by a longing for the social customs and practices of the past or for family heirlooms handed down over generations and more by childhood encounters with ephemeral commercial goods and fleeting media moments in our age of fast capitalism This phenomenon has given rise to communities of nostalgia whose members remain loyal to the toys television and music of their youth They return to the theme parks and pastimes of their upbringing hoping to reclaim that feeling of childhood wonder or teenage freedom Consumed nostalgia took definite shape in the 1970s spurred by an increase in the turnover of consumer goods the commercialization of childhood and the skillful marketing of nostalgia Gary Cross immerses readers in this fascinating and often delightful history unpacking the cultural dynamics that turn pop tunes into oldies and childhood toys into valuable commodities He compares the limited appeal of heritage sites such as Colonial Williamsburg to the perpetually attractive power of a Disney theme park and reveals how consumed nostalgia shapes how we cope with accelerating change Today nostalgia can be owned collected and easily accessed making it less elusive and often more fun than in the past but its commercialization has sometimes limited memory and complicated the positive goals of recollection By unmasking the fascinating idiosyncratic character of modern nostalgia Cross helps us better understand the rituals of recall in an age of fast capitalism

Old House Interiors, 2006-02 National architectural magazine now in its

fifteenth year covering period inspired design 1700 1950 Commissioned photographs show real homes inspired by the past but livable Historical and interpretive rooms are included new construction additions and new kitchens and baths take their place along with restoration work A feature on furniture appears in every issue Product coverage is extensive Experts offer advice for homeowners and designers on finishing decorating and furnishing period homes of every era A garden feature essays archival material events and exhibitions and book reviews round out the editorial Many readers claim the beautiful advertising all of it design related no lifestyle ads is as important to them as the articles

Fun Fabrics of the 50s Joy Shih, 1996 Looking through the pages of this book will transport you back to the days of shirt plaids cowboy heroes flannel pajamas early American rec room drapery splashy lounge chair tropical blooms housewives duster florals and festive south of the border kitchen curtains This full color book offers hundreds of fabric styles that reflect an innocent era It will be cherished by designers and collectors alike

Old-House Journal, 1999-09 Old House Journal is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every age and architectural style Each issue explores hands on restoration techniques practical architectural guidelines historical overviews and homeowner stories all in a trusted authoritative voice

The Authority of Everyday Objects Paul Betts, 2007-12-07 Paul Betts first came to my attention through his pioneering article on the post 1945 Bauhaus myth as a joint German American venture This book is a landmark study of cultural continuities and ruptures institutional realignments and individual careers that introduces a breath of fresh air into a field of research long staled by received ideas It demonstrates the rewards of approaching the years from 1933 to 1945 as a revealing window onto the subsequent history of West Germany Wolfgang Schivelbusch *The Authority of Everyday Objects* is a small gem of the new cultural history This is a work of striking originality and insight that fits the development of industrial design in postwar Germany into the country's broader social cultural and political history constructing an analytical narrative that carries from the Third Reich into the Cold War It illuminates not merely cultural transformation but the wider social history of twentieth century Germany Stanley G Payne author of *A History of Fascism 1914 1945* *The Authority of Everyday Objects* is a refreshing innovative and convincing approach to post World War II Western consumer society Design as a weapon in Cold War competition and as a vehicle for German redemption by revitalizing Bauhaus traditions is thoroughly researched and wonderfully presented in Paul Betts book This well illustrated work convinces the reader that design was a part of *gluecklich Leben* lucky life and *schoen wohnen* beautiful living and a factor in the politicization of material culture Ivan T Berend author of *Decades of Crisis Central and Eastern Europe before World War II* and *History Derailed Central and Eastern Europe in the Long Nineteenth Century*

70s House Estelle Bilson, 2023-03-30 I loved the 70s and that's both the 1970s and the 1870s There's obviously always something about a decade that starts with a seven that means the design dial is turned to 11 colours get bolder shapes get badder and style flies its freak flag So thank goodness resplendent 70s

temptress Estelle Bilson has committed pen to paper so that the world can enjoy her take on the era of soft squares teak shag and Artex Laurence Llewelyn Bowen Estelle Bilson gives people the courage to use her products without fear she is brilliant I think she is the most important creative look since Conran Barbara Hulanicki OBE From disco and glam to space age and psychedelic there s no denying the huge impact the 70s had on style and design But how do you bring the era s maximalism to your interior without it looking like a cluttered junk shop or a period pastiche Estelle Bilson aka 70shousemanchester transformed her unremarkable 3 bedroom terraced home into a 70s wonderland using a thrifty eye and vintage know how In her first book she shows you how to bring the same creative magic to your home with her expert advice tips and tricks on choosing colour pattern shapes and materials whether you re after a few nods to the era or the full 70s fantasy 70s House is the definitive guide to the most daring decade in design covering everything from shag carpets and supergraphics to Hornsea ceramics and G Plan furniture The book is split into three sections 70s influences what shaped the era How to bring the 70s to your interior design and At home with 70s House Manchester And of course it wouldn t be the 70s without a good old fashioned shindig Estelle also reveals her secrets to throwing the grooviest get together complete with vintage recipes and record selections to match Part interiors guide part manual for living this loud and proud book will bring not only 70s colour and kitsch to the modern day but also the rebellious spirit pure joy and freewheeling energy epitomised by the era Because the 70s is so much more than the decade that taste forgot

The Official Price Guide to Collectibles of the 50's and 60's Charles J. Jordan, House of Collectibles, 1987 Lists the current value of art pottery Avon containers furniture advertisements books magazines comics dolls toys records baseball cards and memorabilia

Employment, Earnings, and Wages in New York City, 1950-60 United States. Bureau of Labor Statistics. Middle Atlantic Region, 1962
