Gregory, 2009 In his latest book Marshall Gregory begins with the premise that our lives are saturated with stories ranging from magazines books films television and blogs to the words spoken by politicians pastors and teachers He then explores the ethical implication of this nearly universal human obsession with narratives Through careful readings of Katherine Anne Porter's *The Graveyard Book* s *The Graveyard Book* s *The Catbird Seat* as well as *David Copperfield* and *Wuthering Heights* Gregory asks and answers the question How do the stories we absorb in our daily lives influence the kinds of persons we turn out to be *Shaped by Stories* weaves its own compelling story about the pervasive ethical effects of reading narrative with Marshall Gregory serving as a highly engaging and ethically admirable
