The Heritage and Challenge of History Paul Keith Conkin, Roland N. Stromberg, 1974 *The Heritage and Challenge of History* Paul Keith Conkin, Roland Nelson Stromberg, 1971 *Heritage and Challenge* Paul Keith Conkin, Roland N. Stromberg, 1989 **The Heritage and Challenge of History** Paul Keith Conkin, Roland N. Stromberg, 1971 In a rich blend of intellectual history and philosophy the authors present the major themes and personages that figure in both the theory of and history of history They survey the questions and problems concerns and motivations that have been the lot of the historian from the beginning Contemporary Islam and the Challenge of History Yvonne Yazbeck Haddad, 1982-06-30 The economic social political military and intellectual aspects of the Muslims concern for history reveal the general structure of their perception of reality **The History of Heritage** Tim Merriman, Lisa Brochu, 2006-10-15 Where did the profession of heritage interpretation begin The History of Heritage Interpretation explores significant events in the history of the field from its origins with the elders of tribal villages through the development of professional organizations around the world with specific emphasis on the National Association for Interpretation in the United States Essays are included from noted authors and pioneers in the field including Sam Ham Ted Cable Cem Basman Sarah Blodgett Chris Nelson Jim Covell and Carolyn Ward **Teaching History in the Era of Globalization: Epistemological and Methodological Challenges** Cosme J. Gómez Carrasco, Pilar Rivero, Álvaro Chaparro-Sainz, 2022-10-20 **The History of Dover Air Force Base and the Heritage of the 436th Airlift Wing**, 2000 **Cultural Heritage and the Challenge of Sustainability** Diane Barthel-Bouchier, 2016-06-16 For cultural and heritage institutions around the world sustainability is the major challenge of the twenty first century In the first major work to analyze this critical issue Barthel Bouchier argues that programmatic commitments to sustainability arose both from direct environmental threats to tangible and intangible heritage and from social and economic contradictions as heritage developed into a truly global organizational field Drawing on extensive fieldwork and interviews over many years as well as detailed coverage of primary documents and secondary literature she examines key international organizations including UNESCO ICOMOS and the World Monuments Fund and national trust organizations of Great Britain the United States and Australia and many others This wide ranging study establishes a foundation for critical analysis and programmatic advances as heritage professionals encounter the growing challenge of sustainability Critical Gaming: Interactive History and Virtual Heritage Erik Champion, 2016-03-09 This book explains how designing playing and modifying computer games and understanding the theory behind them can strengthen the area of digital humanities This book aims to help digital humanities scholars understand both the issues and also advantages of game design as well as encouraging them to extend the field of computer game studies particularly in their teaching and research in the field of virtual heritage By looking at re occurring issues in the design playtesting and interface of serious games and game based learning for cultural heritage and interactive history this book highlights the importance of visualisation and self

learning in game studies and how this can intersect with digital humanities It also asks whether such theoretical concepts can be applied to practical learning situations It will be of particular interest to those who wish to investigate how games and virtual environments can be used in teaching and research to critique issues and topics in the humanities particularly in virtual heritage and interactive history

Art and Cultural Heritage Barbara T. Hoffman, 2006 Art and Cultural Heritage is appropriately but not solely about national and international law respecting cultural heritage It is a bubbling cauldron of law mixed with ethics philosophy politics and working principles looking at how cultural heritage law policy and practice should be sculpted from the past as the present becomes the future Art and cultural heritage are two pillars on which a society builds its identity its values its sense of community and the individual The authors explore these demanding concerns untangle basic values and look critically at the conflicts and contradictions in existing art and cultural heritage law and policy in its diverse sectors The rich and provocative contributions collectively provide a reasoned discussion of the issues from a multiplicity of views to permit the reader to understand the theoretical and philosophical underpinnings of the cultural heritage debate
