The Hidden Places of World War II Jerome M. O'Connor, 2022-02-15 In The Hidden Places of WWII the author takes readers to overlooked places where WWII history was made These are sites that were thought to be closed or locked away forever or in some cases thought never to exist at all or were ignored by military historians for decades With historical photos

contemporary photos and written in a conversational style the book opens the eyes of a new generation of readers as well as an older generation and takes them to the actual locations that changed history Many military history readers don't know that you can still visit Nazi U boat pens in Lorient and La Rochelle on the French Atlantic coast they were used in the filming of Raiders of the Lost Ark and even pieces of the Atlantic Wall Hitler had built along the French coast in 43 and 44 to thwart the invasion he knew was coming These are only two of the many hidden places the author introduces the reader to
