

The 1990 Elections In Nicaragua And Their Aftermath

AW Chickering

The 1990 Elections In Nicaragua And Their Aftermath:

The 1990 Elections in Nicaragua and Their Aftermath Vanessa Castro, 1992-10-09 Four experts on the Nicaraguan political system examine the causes and consequences of the striking defeat of the Sandinista National Liberation Front in the 1990 Nicaraguan democratic election Using extensive survey data the contributors detail a variety of circumstances beyond the strong influence of U S military and diplomatic interest that led to the victory of counter revolutionary forces in Nicaragua

The Undermining of the Sandinista Revolution Gary Prevost, Harry E. Vanden, 2016-07-27 The Sandinista revolution brought dramatic social economic and political changes to Nicaragua in the 1980s but in the wake of the electoral defeat of the FSLN in 1990 the revolution has struggled to survive in the face of challenges from the Chamorro administration the US government and the International Monetary Fund Gains of the revolution in health care education Atlantic Coast autonomy agrarian reform and other areas have been systematically eroded However significant efforts have also been mounted especially in grass roots organizing and by women s organizations to protect the revolution s achievements Through a series of articles based on current research seven experts on contemporary Nicaragua draw a balance sheet on the gains of Sandinista revolution achieved by 1990 and assess the current status of the revolutionary project

Why Nicaragua Vanished Robert S. Leiken, 2003 In 1990 Nicaragua s Sandinista government was toppled in an election that every major American news organization and pollster predicted they would win in a landslide Why the Nicaraguan upset and why did the U S media get it so wrong Through an examination of American coverage of Nicaragua since the Cuban Revolution *Why Nicaragua Vanished* provides intriguing answers to these questions and for the first time tests media coverage of a major foreign policy crisis against an independent analysis of the events covered Robert S Leiken offers valuable insights into how the media shapes Americans opinions about the world and in the process he challenges American cultural stereotypes Beautifully written *Why Nicaragua Vanished* is perfect for all interested in the media foreign policy Latin America or U S intellectual life

Capitalists and Revolution in Nicaragua Rose J. Spalding, 2017-11-01 By tracing the complex relationship between the Sandinista government and the Nicaraguan business elite this book examines the shifting mix of alliances and oppositions that shaped the Sandinista revolution Rose Spalding takes issue with models of the business sector that assume a high degree of class cohesion Drawing on carefully structured interviews with ninety one private sector leaders at the end of the Sandinista era Spalding documents responses to the Sandinista government that range from extreme ideological hostility to enthusiastic support To explain this variation Spalding explores such factors as the prerevolutionary social and economic characteristics of the elite their organizational networks and their experiences with expropriation and government subsidies She is one of the first scholars to look at the ways in which these groups have evolved in the postrevolutionary era under the Chamorro government In addition Spalding provides a valuable analysis of four other cases of attempted structural change thereby drawing broader cross national comparisons and developing

theoretical insights about the political character of the bourgeoisie Originally published in 1994 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Our Own Backyard William M. LeoGrande, 2009-11-18 In this remarkable and engaging book William LeoGrande offers the first comprehensive history of U S foreign policy toward Central America in the waning years of the Cold War From the overthrow of the Somoza dynasty in Nicaragua and the outbreak of El Salvador s civil war in the late 1970s to the final regional peace settlements negotiated a decade later he chronicles the dramatic struggles in Washington and Central America that shaped the region s destiny For good or ill LeoGrande argues Central America s fate hinged on decisions that were subject to intense struggles among and within Congress the CIA the Pentagon the State Department and the White House decisions over which Central Americans themselves had little influence Like the domestic turmoil unleashed by Vietnam he says the struggle over Central America was so divisive that it damaged the fabric of democratic politics at home It inflamed the tug of war between Congress and the executive branch over control of foreign policy and ultimately led to the Iran contra affair the nation s most serious political crisis since Watergate

Feminism and the Legacy of Revolution Karen Kampwirth, 2014-07-31 In many Latin American countries guerrilla struggle and feminism have been linked in surprising ways Women were mobilized by the thousands to promote revolutionary agendas that had little to do with increasing gender equality They ended up creating a uniquely Latin American version of feminism that combined revolutionary goals of economic equality and social justice with typically feminist aims of equality nonviolence and reproductive rights Drawing on more than two hundred interviews with women in Nicaragua El Salvador and the Mexican state of Chiapas Karen Kampwirth tells the story of how the guerrilla wars led to the rise of feminism why certain women became feminists and what sorts of feminist movements they built *Feminism and the Legacy of Revolution* Nicaragua El Salvador Chiapas explores how the violent politics of guerrilla struggle could be related to the peaceful politics of feminism It considers the gains losses and internal conflicts within revolutionary women s organizations *Feminism and the Legacy of Revolution* challenges old assumptions regarding revolutionary movements and the legacy of those movements for the politics of daily life It will appeal to a broad interdisciplinary audience in political science sociology anthropology women s studies and Latin American studies as well as to general readers with an interest in international feminism

Violent Victors Sarah Zukerman Daly, 2022-11-22 Why populations brutalized in war elect their tormentors One of the great puzzles of electoral politics is how parties that commit mass atrocities in war often win the support of victimized populations to establish the postwar political order *Violent Victors* traces how parties derived from violent wartime belligerents successfully campaign as the best providers of future societal peace attracting votes not just from their core supporters but oftentimes also from the very people they targeted in war Drawing on more than two years of

groundbreaking fieldwork Sarah Daly combines case studies of victim voters in Latin America with experimental survey evidence and new data on postwar elections around the world She argues that contrary to oft cited fears postconflict elections do not necessarily give rise to renewed instability or political violence Daly demonstrates how war scarred citizens reward belligerent parties for promising peace and security instead of blaming them for war Yet in so casting their ballots voters sacrifice justice liberal democracy and social welfare Proposing actionable interventions that can help to moderate these trade offs *Violent Victors* links war outcomes with democratic outcomes to shed essential new light on political life after war and offers global perspectives on important questions about electoral behavior in the wake of mass violence

The causes of continuing conflict in Nicaragua , *Social Capital in Developing Democracies* Leslie E.

Anderson,2010-03-08 Drawing on extensive field work in Nicaragua and Argentina as well as public opinion and elite data Leslie E Anderson s *Social Capital in Developing Democracies* explores the contribution of social capital to the process of democratization and the limits of that contribution Anderson finds that in Nicaragua strong positive bridging social capital has enhanced democratization while in Argentina the legacy of Peronism has created bonding and non democratic social capital that perpetually undermines the development of democracy Faced with the reality of an anti democratic form of social capital Anderson suggests that Argentine democracy is developing on the basis of an alternative resource institutional capital Anderson concludes that social capital can and does enhance democracy under historical conditions that have created horizontal ties among citizens but that social capital can also undermine democratization where historical conditions have created vertical ties with leaders and suspicion or non cooperation among citizens **Women & Guerrilla Movements**

Karen Kampwirth,2010-11 The revolutionary movements that emerged frequently in Latin America over the past century promoted goals that included overturning dictatorships confronting economic inequalities and creating what Cuban revolutionary hero Che Guevara called the new man But in fact many of the new men who participated in these movements were not men Thousands of them were women This book aims to show why a full understanding of revolutions needs to take account of gender Karen Kampwirth writes here about the women who joined the revolutionary movements in Nicaragua El Salvador and the Mexican state of Chiapas about how they became guerrillas and how that experience changed their lives In the last chapter she compares what happened in these countries with Cuba in the 1950s where few women participated in the guerrilla struggle Drawing on more than two hundred interviews Kampwirth examines the political structural ideological and personal factors that allowed many women to escape from the constraints of their traditional roles and led some to participate in guerrilla activities Her emphasis on the experiences of revolutionaries adds a new dimension to the study of revolution which has focused mainly on explaining how states are overthrown

The 1990 Elections In Nicaragua And Their Aftermath Introduction

In today's digital age, the availability of The 1990 Elections In Nicaragua And Their Aftermath books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The 1990 Elections In Nicaragua And Their Aftermath books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The 1990 Elections In Nicaragua And Their Aftermath books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The 1990 Elections In Nicaragua And Their Aftermath versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The 1990 Elections In Nicaragua And Their Aftermath books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The 1990 Elections In Nicaragua And Their Aftermath books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The 1990 Elections In Nicaragua And Their Aftermath books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The 1990 Elections In Nicaragua And Their Aftermath books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The 1990 Elections In Nicaragua And Their Aftermath books and manuals for download and embark on your journey of knowledge?

FAQs About The 1990 Elections In Nicaragua And Their Aftermath Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
