fallible persona Thompson shows Lincoln was able to use satire as a weapon without being severely wounded by it In his speeches writings and public persona Lincoln combined modesty and attack engaging in strategic self deprecation while denouncing his opponents their policies and their arguments thus refiguring satiric discourse as political discourse and vice versa At the same time he astutely deflected his opponents criticisms of him by embracing and sometimes preemptively initiating those criticisms Thompson traces Lincoln s comic sources and explains how in reapplying others jokes and stories to political circumstances he transformed humor into satire Time and time again Thompson shows Lincoln engaged in self mockery turning negative assumptions or depictions of him as ugly cowardly jocular inexperienced into positive traits that identified him as an everyman while attacking his opponents claims to greatness heroism and experience as aristocratic or demagogic Thompson also considers how Lincoln took advantage of political cartoons and other media to help proliferate the particular Lincoln image of the self made man underscores exceptions to Lincoln s ability to mitigate negative satiric depictions of him and closely examines political cartoons from both the 1860 and 1864 elections Throughout Thompson s deft analysis brings to life Lincoln s popular humor
