leading international scholars illustrate this crucial interaction between the flows of Japanese popular culture and the constant development of globalization Drawing on rich empirical content this book looks at Japanese popular culture as it traverses international borders flowing out through such forms as manga consumption in New Zealand and flowing in through such forms as foreigners writing about Japan in Japanese and how American influences affected the formation of Japan's gay identity Presenting current confronting and sometimes controversial insights into the many forms of Japanese popular culture emerging within this global context *Popular Culture Globalization and Japan* will make essential reading for those working in Japanese studies cultural studies and international relations **1/2/3/4 For the Show** Lewis W.

Pickowicz,2001-12-11 Using ingenious research methods the contributors to this book explore the search for meaning among ordinary people in China today The subjects of these vivid essays span the social spectrum from hip young entrepreneurs to sweatshop workers and homeless beggars The issues are equally diverse ranging from domestic violence to homosexuality to political corruption The culture of popular China emerges as a mixture of exhilarating new aspirations as seen in the basketball fans who dream of flying like Michael Jordan or Kobe Bryant rueful cynicism as bitingly conveyed in the many satirical jingles that circulate by word of mouth and painful ambivalence The people depicted here have built their popular culture out of ideas and symbolic practices drawn from old cultural traditions from concepts about modernity debated during the early twentieth century republican era from the legacies of Maoist socialism and from contemporary global culture Throughout the book shows how economic and social changes caused by globalization in combination with the continuing Party dictatorship have presented ordinary Chinese with a new array of moral and cultural challenges that they have met in ways that have changed the face of China Contributions by Julia F Andrews Anita Chan Deborah S Davis Leila Fernandez Stemberge Robert Geyer Amy Hanser Richard Levy Perry Link Richard P Madsen Andrew Morris Paul G Pickowicz Kuiyi Shen Liping Wang Li Zhang Yuezhi Zhao and Kate Zhou
