## **Please Don't Remain Calm: Provocations and Commentaries**

Michael Kinsley, 2008-04-17 A lucid deconstruction of the politics and public figures shaping the social financial and military disasters of our times This selection of Michael Kinsley's trenchant editorial writing in Slate and elsewhere since 1995 covers the end of the Clinton era Monica impeachment etc and two terms of George W Bush 9 11 the War on Terror Iraq etc During this time Kinsley left Washington for Seattle and founded Slate was opinion editor of the Los Angeles Times underwent brain surgery for Parkinson's disease and had other adventures that are reflected here Although mostly about politics there are articles and essays about other things such as the future of newspapers the existence of God and why power women love Law and Order This is the work of a writer at the top of his form Kinsley's wit is a weapon that any talk show host or elected blowhard should envy and fear and the reader will cherish his sense of humor which enlivens even the toughest subject matter

## **The Fiddler's Secret**

Lois Walfrid Johnson, 2013-06-24 When winter draws near how will the

Christina escape the untimely fast approaching ice storm In the dark of night come the rapid strokes of the ship's bell dense fog and the slap of paddlewheels against water and then the whistle screams a warning A steamboat's coming too fast too close Run Out of the darkness and danger come the piercing notes of a gifted fiddler His face seems to hold a secret What is the fiddler's challenge for the Freedom Seekers of every place and time How will the Freedom Seekers answer Captain Norstad's questions What is most important to you What do you really want From the golden age of steamboats the rush of immigrants to new lands and the dangers of the Underground Railroad come true to life stories of courage integrity and suspense in the Freedom Seekers series
