Snake Driver Cobras In Vietnam:

Snake Driver! Bob Rosenburgh,1993 This is the saga of the Cobra the attack helicopter its development and introduction into Vietnam during the summer of 67 and the stories of the men who flew it For a Cobra pilot a Snake Driver every launch meant he was going headlong into combat As key providers of fire support Snake Drivers always had missions and every mission was real war flying into hot LZs or kill zones that were literally walls of lead and high explosives These are their tales of bravery and skill in the hellfire that was Vietnam [A Raid Too Far](#) James H. Willbanks,2014-01-30 In February 1971 the Army of the Republic of Vietnam ARVN launched an incursion into Laos in an attempt to cut the Ho Chi Minh Trail and destroy North Vietnamese Army NVA base areas along the border This movement would be the first real test of Vietnamization Pres Richard Nixon s program to turn the fighting over to South Vietnamese forces as US combat troops were withdrawn US ground forces would support the operation from within South Vietnam and would pave the way to the border for ARVN troops and US air support would cover the South Vietnamese forces once they entered Laos but the South Vietnamese forces would attack on the ground alone The operation dubbed Lam Son 719 went very well for the first few days but as movement became bogged down the NVA rushed reinforcements to the battle and the ARVN forces found themselves under heavy attack US airpower wreaked havoc on the North Vietnamese troops but the South Vietnamese never regained momentum and ultimately began to withdraw back into their own country under heavy enemy pressure In this first in depth study of this operation military historian and Vietnam veteran James H Willbanks traces the details of battle analyzes what went wrong and suggests insights into the difficulties currently being incurred with the training of indigenous forces [The Leatherneck](#) ,1996 *Primer of the Helicopter War* Charles Holley, Mike Sloniker,1997 *Vietnam Helicopter Pilots Association* Bill Greenhalgh, Ken Fritz,2007 **Vietnam Studies** Carl Singleton,1997-05-22 Provides the interested researcher with background on this small but important country A detailed introduction describes the cultural and societal background of native Vietnamese and Vietnamese Americans Chapters provide annotations classified in categories such as history culture and art language and literature business and economics contemporary Vietnam and the war with America *Infantry* ,2008 **The Blood Road** John Prados,1999 Prados considers each of the multiple perspectives that shaped the conflict the struggle of the Vietnamese soldiers in the jungles the heroism of American troops the highly influential antiwar protests of the period the intricate machinations of the generals and diplomats and the lingering impact on the people and governments of neighboring Laos and Cambodia **Snake Pilot** Randy R. Zahn,2003 Based on audiotapes he recorded during the war and sent home to his family Randy Zahn s Snake Pilot recounts his experiences flying AH 1 Cobra helicopters during the Vietnam War First deployed in Vietnam in 1967 and loaded with a formidable arsenal of weaponry the Cobra was the first helicopter designed from inception as an attack aircraft It dramatically changed the nature of the war in Vietnam by offering the Army for the first time its own powerful and highly accurate weapons platform for close air support

missions Randy Zahn arrived in Vietnam shortly before the 1970 U S invasion of Cambodia one of the most impressive demonstrations by the Cobra in the war He describes his stunning transformation from a naive middle class teenager from southern California to a hardened killer during his tour in Vietnam Unlike the pilots who flew the fast moving strike jets Zahn experienced the war up close and personal witnessing the grisly effects of the Cobra s firepower on enemy soldiers The author does not glorify killing but rather explains in sharp relief the kaleidoscope of emotions associated with combat fear revenge hate remorse pity and even ecstasy He captures many of the ironies and nuances inherent in Vietnam especially during the final years of the conflict Zahn displays a sensitivity rarely found in memoirs written by battle hardened warriors This human element combined with the vast amount of archival research and interviews with members of his former unit ensures that Snake Pilot will become the definitive account of the role helicopters played in Vietnam Indochina Chronology ,1993 **Pa's Big Adventure Vietnam 1966-1971** Lawrence R. Beutlich,2014-02-20 Shoot hollered Willie B Where I screamed Shoot Shoot Screamed Willie B Again I clicked my rifle from safe to full auto and let it rip in the direction of the tracers from the other two guys I fired one complete magazine I had no idea what was happening I changed magazines I buried my face in the dirt attempting to make myself invisible I was terrified I lie there cowering by hiding my face in the dirt I had no idea what to do Shoot screamed Willie B again My rifle had a bi pod attached to the front of it as it was a select fire Semi or full auto I extended the bi pod and again ripped off full auto rounds My hands and fingers were moving too slow It was as if I was moving in slow motion I couldn t make my hands move any faster I kept shooting like the other two At what I had no idea My heart was pumping ninety miles an hour I heard firing erupt from the NDP then stop A piece of hot brass hit me in the neck and went down my fatigue shirt burning the hell out of me I kept firing and trying to shake the hot brass out of my shirt at the same time I had fired six magazines before I noticed the other two had stopped firing I errently touched the barrel of my rifle and got a burn that bubbled up the skin We all lie still My mouth was so dry I couldn t swallow I was shaking badly and couldn t catch my breath Again I buried my face in the dirt in a futile attempt to escape I didn t like any of this This wasn t at all like playing soldier in the back yard as a kid In this touching memoir and short story collection Beutlich chronicles his experience during the Vietnam war It showcases incredible military adventures perfect for readers who are into reading thrilling war stories **Snake Pilot** Randy R.
