Redemption from Addiction Gerard Jerry Egan,2011-12-27 There are awesome and powerful creative forces that can be fully tapped that will absolutely unleash our dreams and hopes transforming them into a desired reality or these very same forces will send us into the deepest darkest Hell we have ever known If a person fails to understand that they have a huge responsibility to take full possession and control of this great creative power then that failure to take this responsibility will always lead to these forces taking control of the person in an undesirable destructive and potentially deadly manner In other words opportunities and temptations to use drugs or alcohol will present themselves as a direct result of failing to take control of these forces or misusing their power All addictions are a manifestation caused by the poor or improper use of these forces and powers The very Powers that govern the ability for anyone to accomplish anything in their lives for their good are the very same powers that can and will undermine and destroy those efforts This book will give you the essential Eleven Powers and Eleven Arts that will enable you to change your life The use of these Powers and Arts will enable you to take full control of not only your addiction but provide endless opportunities to create and design an entire new Destiny Addicts and alcoholics have inadvertently mastered the principles of success and use those very same concepts to assure their own failure and destruction By forcing yourself to do what you dont want to do enables you to gain hold of and grasp these powerful forces and turn them in the direction of success instead of failure Teach yourself and learn to direct the awesome creative forces within you and learn to turn your Possibilities into Probabilities **Brel and Chanson** Sara Poole,2004-05-19 In celebration of his unique talent and in commemoration of the twenty fifth anniversary of his death this is the first book length study in English of the work of Belgian chansonnier Jacques Brel Brel and Chanson traces probable influences on the creative process of Brel s early later and always eclectic reading It goes on to examine his principal preoccupations as evidenced by the chansons such as childhood love and friendship and human stupidity and also to elucidate the unique use of language This study not only analyzes the complexities inherent in writing and composing but also in the performance of a chanson It

considers how Brel s pitiless implication of himself in his every criticism of mankind s shortcomings distinguishes his work This study is of great use to anyone interested in 20th century popular European culture and required reading for all those exploring the rich and vibrant world of chanson   Jumpstart Jamstack Development Christopher Pecoraro,Vincenzo Gambino,2021-05-07 Leverage Jamstack principles techniques and best practices to build dynamic websites and web apps focused on speed security and accessibility Key FeaturesUnderstand how JavaScript integrates with reusable application program interfaces APIs and browser markup to build a serverless web applicationGain a solid understanding of static site development with Gatsby and its importance in JamstackFind out how to deploy a Jamstack event website directly from GitHub using NetlifyBook Description Jamstack JavaScript API and Markup enables web developers to create and publish modern and maintainable websites and web apps focused on speed security and accessibility by using tools such as Gatsby Sanity and Netlify Developers working with Jamstack will be able to put their knowledge to good use with this practical guide to static site generation and content management This Jamstack book takes a hands on approach to implementation and related methodologies that will have you up and running with modern web development in no time Complete with step by step explanations of essential concepts practical examples and self assessment questions you ll begin by building an event and venue schema structure and then expand the functionality exploring all that the Jamstack has to offer You ll learn how an example Jamstack is built build structured content using Sanity to create a schema use GraphQL to expose the content and employ Gatsby to build an event website using page and template components and Tailwind CSS Framework Lastly you ll deploy the website to both a Netlify server and the Microsoft Static Web Apps Service and interact with it using Amazon Alexa By the end of this book you ll have gained the knowledge and skills you need to install configure build extend and deploy a simple events website using Jamstack What you will learnDiscover the Jamstack approach and build speedy secure and accessible websites and web apps with its component technologiesBuild an events website by using the Jamstack and the Gatsby static site generatorCreate and modify your templates and pages to build creative web appsBuild modify and extend structured content schemas in SanityUnderstand Gatsby plugins project structure and files and how it can be used to build Jamstack appsFind out how GatsbyJS uses GraphQL to source contentWho this book is for This book is for web developers looking to implement Jamstack practically JavaScript developers who want to build modern speedy and secure web apps will also find this book useful Familiarity with JavaScript and Database programming is assumed   **The Organs of Sense** Adam Ehrlich Sachs,2019-05-21 This book is only for people who like joy absurdity passion genius dry wit youthful folly amusing historical arcana or telescopes Rivka Galchen author of Little Labors and American Innovations In 1666 an astronomer makes a prediction shared by no one else in the world at the stroke of noon on June 30 of that year a solar eclipse will cast all of Europe into total darkness for four seconds This astronomer is rumored to be using the longest telescope ever built but he is also known to be blind and not only blind but incapable of sight both his eyes having been plucked out some
