Clara Elizabeth LAUGHLIN, 1928 Education in France, 1957 *Art and Archaeology*, 1929 **Woman's Work**, 1920 *The Niqab in France* Agnès De Féo, 2024-02-06 This original new work is the fascinating result of sociologist and documentary filmmaker Agnès De Féo's ten year exploration of the phenomenon of niqab wearing It is at once a groundbreaking study and a series of compelling first person accounts from French and Francophone women who wear or have worn the niqab in France's Salafi communities With the backdrop of the French government's 2010 ban on full facial veiling in public spaces which itself has shaped the phenomenon De Féo draws on her subjects own words to show their agency working against the clichés that often underlie public views of the niqab that it is purely the result of masculine pressure for example or extreme religiosity or nationalism or the submissive desire to disappear Instead she shows the niqab is multivalent women wear it for reasons that range from religious piety to the desire to rebel against mainstream society family or the rule of law The reasons are complex overdetermined contradictory or even inconsistent but they are the women's own Despite being worn only by a small minority of Muslim women the Islamic garment has nonetheless been a major source of intense political religious and cultural debate in France Searching to understand rather than speculate De Féo chose to approach the people who wear the niqab and to make them rather the veil itself the subject of her research Her unprecedented study based on more than 200 interviews reveals the many factors social political geopolitical and psychological underpinning a personal choice that is not always as religious as it seems The book ends with sixteen captivating interviews giving voice to stories rarely heard With finesse and discernment the author debunks the myths surrounding the wearing of the niqab and sheds light on a practice subject to misunderstanding and prejudice offering the reader unique insight Challenging our preconceived notions and stereotypes about women who wear any form of Islamic apparel but particularly the niqab *The Niqab in France* introduces a group of women each with her own life story her own share of personal struggles aspirations and desires and her own claim to a certain place in society This work received support for excellence in publication and translation from Albertine Translation a program created by Villa Albertine How I Became One of the Invisible, new edition David Rattray, 2019-09-17 The only collection of Rattray's prose essays that offer a kind of secret history and guidebook to a poetic and mystical tradition In order to become one of the invisible it is necessary to throw oneself into the arms of God Some of us

stayed for weeks some for months some forever from *How I Became One of the Invisible* Since its first publication in 1992 David Rattray's *How I Became One of the Invisible* has functioned as a kind of secret history and guidebook to a poetic and mystical tradition running through Western civilization from Pythagoras to In Nomine music to Hilderlin and Antonin Artaud Rattray not only excavated this tradition he embodied and lived it He studied at Harvard and the Sorbonne but remained a poet outside the academy His stories *Van* and *The Angel* chronicle his travels in southern Mexico with his friend the poet Van Buskirk and his adventures after graduating from Dartmouth in the mid 1950s Eclipsed by the more mediagenic Beat writers during his lifetime Rattray has become a powerful influence on contemporary artists and writers Living in Paris Rattray became the first English translator of Antonin Artaud and he understood Artaud's incisive scholarship and technological prophecies as few others would As he writes of his translations in *How I Became One of the Invisible* You have to identify with the man or the woman If you don't then you shouldn't be translating it Why would you translate something that you didn't think had an important message for other people I translated Artaud because I wanted to turn my friends on and pass a message that had relevance to our lives Not to get a grant or be hired by an English department Compiled in the months before his untimely death at age 57 *How I Became One of the Invisible* is the only volume of Rattray's prose This new edition edited by Robert Dewhurst includes five additional pieces two of them previously unpublished

Erckmann-Chatrian, 2022-08-10 The invasion of France by the allied armies after the battle of Leipsic had proved the German campaign even more disastrous than that of Russia the year before was not only essentially the death blow to the power of Napoleon but was the first real taste France had had for many years of an experience she had so often previously meted out to her neighbors In spite of all she had suffered from the conscription and from exhaustion of men and treasure in offensive war or at least war waged outside her own territory the great Invasion meant for her something far more terrible than any reverses she had yet undergone Napoleon was not only not invincible it appeared he was not even able to defend the frontiers he had found firmly established on his accession to power The allies had announced that they were warring not against France but against the French Emperor against the preponderance that Napoleon had too long exercised beyond the limits of his empire Everywhere in France except in the official world of Paris the once enchanted name of Napoleon had become recognized as a synonym of national disaster **The Orphan of Florence** Jeanne Kalogridis, 2017-10-03 Giulia has been an orphan all her life Raised in Florence's famous Ospedale degli Innocenti her probing questions and insubordinate behavior made her an unwelcome presence and at the age of fifteen she was given an awful choice become a nun or be

married off to a man she didn't love. She chose neither and after refusing an elderly suitor Giulia escaped onto the streets of Florence. Now after spending two years as a successful pickpocket an old man catches her about to make off with his purse and rather than having her carted off to prison he offers her a business proposition. The man claims to be a cabalist a student of Jewish mysticism and ritual magic who works for the most powerful families in Florence. But his identity is secret he is known only as the Magician of Florence and he is in need of an assistant. She accepts the job and begins smuggling his talismans throughout the city.
