theology that is at once orthodox and modern Catharine Macaulay's Republican Enlightenment Karen Green, 2020-05-05 The celebrated Catharine Macaulay was both lauded and execrated during the eighteenth century for her republican politics and her unconventional second marriage This comprehensive biography in the life and letters tradition situates her works in their political and social contexts and offers an unprecedented detailed account of the content and influence of her writing the arguments she developed in her eight volume history of England and her other political ethical and educational works Her disagreements with conservative opponents David Hume Edmund Burke and Samuel Johnson are developed in detail as is her influence on more progressive admirers such as Thomas Jefferson Jacques Pierre Brissot Mercy Otis Warren and Mary Wollstonecraft Macaulay emerges as a coherent and influential political voice whose attitudes and aspirations were characteristic of those enlightenment republicans who grounded their progressive politics in rational religion She looked back to the seventeenth century levellers and parliamentarians as important precursors who had advocated the liberty and political rights she aspired to see implemented in Great Britain America and France Her defence of republican liberty and the equal rights of men offers an important corrective to some contemporary accounts of the character and origins of democratic Handel as Orpheus Ellen T. Harris, 2004-09-30 Handel wrote over 100 cantatas republicanism during this crucial period compositions for voice and instruments decsribing the joy and pain of love In the first comprehensive study of the cantatas Harris investigates their place in Handel's life as well as their extraordinary beauty Patrons of Enlightenment Edward Andrew, 2006-01-01 Patrons of Enlightenment emphasizes the dependency of thinkers upon patrons and compares the patron client relationships in the French English and Scottish republics of letters Text D. C. Greetham, W. Speed Hill, Peter Shillingsburg, 1996-04 The distinguished annual in interdisciplinary textual studies The Lives of Cleopatra and Octavia Sarah Fielding, 1994 Set in the first century B C the Lives presents the stories of two famous women each of whom played an important role in Roman history during the turbulent period of civil war immediately before the Golden Age of Augustus Caesar The Middling Sort Margaret R. Hunt, 2023-12-22 To be one of the middling sort in urban England in the late seventeenth or eighteenth century was to live a life tied one way or another to the world of commerce In a lively study that combines narrative and alternately poignant and hilarious anecdotes with convincing analysis Margaret R Hunt offers a view of middling society during the hundred years that separated the Glorious Revolution from the factory age Thanks to her exploration of many family papers and court records Hunt is able to examine what people thought felt and valued She finds that early capitalism and early modern family life were far more insecure than their classical models supposed Commercial needs and social needs coincided to a large extent The family is central to Hunt's story and she shows how financial struggles brought conflict ambiguity and tension to the home She investigates the way gender intertwined with class and family hierarchy and the way many businesses survived as precarious successes secured through the sacrifices made by female as well as male family members The Middling Sort offers a dynamic portrait of a society struggling to minimize the considerable

social and psychic dislocation that accompanied England's launch of a full scale market economy. To be one of the middling sort in urban England in the late seventeenth or eighteenth century was to live a life tied one way or another to the world of commerce In a lively study that combines narrative and alternately poignant and hilarious anecdot The Pamela Controversy Vol 1 Tom Keymer, Peter Sabor, John Mullan, 2024-12-20 This volume documents the literary controversy and debate over Samuel Richardson's novel Pamela published in 1741 It brings together and reprints key sources within the debate including artists such as Francis Hayman Hubert Gravelot Joseph Highmore and Philip Mercer Early Journals and Letters of Fanny Burney, Volume 3 Lars E. Cooke, 1994-06-29 At the beginning of 1778 twenty five year old Fanny Burney was an unknown By year s end however she had emerged as the author of Evelina or A Young Lady s Entrance into the World a universally acclaimed novel which admirers ranked with the works of Fielding and Richardson This third of twelve projected volumes of a critical edition of Burney's journals and letters covers the period from January 1778 to December 1779 It reveals Burney's striking transformation to a celebrity as she is welcomed into London's literary society and her mixed delight and terror at this reception As Burney becomes a regular at the Streatham Park home of Henry and Hester Thrale she is befriended by another regular visitor Samuel Johnson and given the opportunity to observe and record the playful and affectionate side of Johnson's character a side largely missed by Boswell Burney is urged by the Streathamites to write a comedy for the London stage and responds with The Witlings a satiric portrait of London s bluestockings Alarmed by the prospect of disapproval from the powerful bluestocking Elizabeth Montagu Burney s father and her friend Samuel Crisp dissuade her from releasing the piece Her disappointment is eased by the whirling social life that she enjoys in the company of the Thrales at Streatham and at Brighton on which she comments with characteristic perception and humour Fanny Burney's journals and letters are an invaluable source for the social and literary history of her time and are justly regarded as literature in their own right All volumes in this series will be of specific interest to scholars in literary criticism feminist studies and music and social history
