he shares lessons from a lifetime of always walking into Mondays with a smile *Thank God It's Monday* Paul Bartlett, 2015-04-01 Let's face it this generation is increasingly not waking up Sunday morning thinking what's a great church I can go to today Part of the problem is that for too long we've made church mostly about Christians doing spiritual stuff on Sundays Of course we love our Sundays but we should be even more excited about our Mondays because on those days God has positioned us in shop fronts in salons in classrooms in playgroups on building sites and in boardrooms where we can engage with those who don't yet know Him Church must be less about us and more about others We should be empowering Christians to act as Christ in their communities Monday through Saturday That's why Christians should be waking up on Mondays declaring Thank God it's Monday In this thought provoking book Paul Bartlett encourages us that can have a huge influence in our community across our town or city and throughout the nation and it starts on Monday [Thank God it's Monday](#) Robert Michael, 2013-06-16 With his family and career at risk Jake Monday careens blindly toward unknown dangers that threaten to devastate America and tip the scales of power across the globe On the run from a government that suspects him for treason he and Hallie fight for their family and their country The odds are stacked against them as an unseen player begins to exert its influence Armed with faith in each other and a vague idea that their lives are not the only ones in the balance Jake and Hallie resolve to end the threats What they do not know is that an ancient power is rising again spreading its influence across the world and leaving chaos in its wake More is at stake than they can ever imagine and the price to put a stop to it all may be more than they are willing to pay FROM THE AUTHOR Thank God it's Monday is the third installment of a 7 part series of novellas The Jake Monday Chronicles will also be included in two volumes of collected works The Monday Collection Volumes One and Volume Two So whether you enjoy your series one installment at a time or you like to read a longer work we have you covered The Monday Collection Volume One contains Manic Monday A Month of Mondays and Thank God it's Monday All these installments are also available to purchase separately if you wish The Monday Collection Volume Two will be released in the fourth quarter of 2014 and will include the final four parts of the Jake Monday saga Rainy Days and Mondays March 2014 Can't Wait for Monday May 2014 Mad Mad Monday July 2014 and Monday Bloody Monday September 2014 I get the question from time to time what inspired you to write this story With Jake Monday my inspiration came from a multitude of sources Authors like Ludlum LeCarre Fleming and Follet come to mind Also I enjoy watching series on television Alias Heroes Lost Supernatural The X Files and Hannibal All of these have elements that influenced my writing The Jake Monday Chronicles began in 2003 when I wrote a short story about an assassin named Jake Monday I had no plans really but I had a sentence running through my head The sentence that launched this series began Jake Monday hated Mondays more than any other day of the week The idea that a high profile assassin would be unhappy unsatisfied and struggling with his past and future is not unique I wanted to explore new areas of this theme I thought of family of a past hidden of the moral challenge of an individual that finds himself caught in a massive global conspiracy while

grappling with the choices he has made willingly or not So Jake Monday is my Jason Bourne Hallie is my Sidney Bristow from Alias My villains well they are all my own I love to draw villains who are deep believable and scary Not because they always represent the antithesis of the hero but just the opposite my villains are not much different than all of us I do not believe in grey areas but I do believe the line between good and evil can be narrow One wrong move and even someone like Jake Monday can be heading in the wrong direction **Thank God It's Monday!** Roxanne Emmerich,2009-03-18 Thank God It's Monday is about loving what you're doing and creating massive results Roxanne Emmerich introduces you to two CEOs one desperately struggling to stay afloat and another who's discovered a better route to growth and profitability As you join them both on their journey you'll gain valuable insights for jumpstarting positive change from anywhere in the organization replacing dysfunctional organizational behaviors with passion and creativity overcoming setbacks and making vision and values actually work Whether you're on the front line in an office or running the show you'll see how to Replace dysfunctional behaviors with passion and creativity Overcome setbacks with a bring it on attitude Breathe results generating life into vision and values Think big and make big things happen Thank God It's Monday presents a unique approach that makes an impact on three groups at once Employees discover how to win at work and love their work Companies turn around results quickly and profoundly Customers experience a powerful and visible commitment to their success You will shift from a why we can't to a how we can workplace in one day Your customers will go crazy about you You will find yourself loving to go to work where everyone exclaims Thank God It's Monday Thank God It's Monday Rick Heeren,2004-02 Rick Heeren shares biblical principles and personal experiences that can make life during the week as uplifting and spiritual as it is on Sundays Thank God It's Monday is written to equip Christians to take God's transforming presence and power to the workplace Empowering Students for the Future Eric Yuhasz,2023-05-02 Empowering Students for the Future Using the Right Questions to Teach the Value of Passion Success and Failure arms educators with the tools to teach what we all wish we had learned in school You will uncover how to help your students think deeper redefine failure and authentically create their definition of success Author Eric Yuhasz offers a variety of practical ideas throughout including rapid fire questions and a bowl meeting structure to help students find their passions activities to help students address negativity from social media plus negative self-inflicted mantras they may unconsciously be following a chart that enables students to see their progress toward achieving their definition of success tips for discussing value sacrifice self-discipline motivation and the tyranny of low expectations plus ideas for helping students embrace failure as a steppingstone toward learning and triumph With clear strategies in each chapter this unique book will show you how your learners can truly map out a happier healthier more successful future *Teaching Matters* Todd Whitaker,Beth Whitaker,2014-01-09 Recharge your batteries and rekindle your excitement about teaching This new updated edition of the best selling book Teaching Matters Motivating and Inspiring Yourself offers practical advice on working with colleagues for inspiration using social media to connect to other
