

I think it's beautiful how a
star's light travels the
universe, long after it dies.
That's what I want to be in
this world — someone
whose light lingers on after
I'm gone.

That Green Light That Lingers Poems:

That Green Light That Lingers Miriam B. Murphy, 2001-01-01 Feisty compassionate and complex poems that center on women and men The author portrays her Salt Lake past while grieving for her mother loving her uncle and making fun of Hemingway and Custer **The Poetry of Samuel Taylor Coleridge** Samuel Taylor Coleridge, 1898 **The Poetry & Prose of Coleridge, Lamb & Leigh Hunt** S. E. Winbolt, 1920 *Reading poetry* Peter Barry, 2016-05-16 Witty direct and articulate Peter Barry illustrates the key elements of poetry at work covering many different kinds of verse from traditional forms to innovative versions of the art such as concrete poetry minimalism and word free poems The emphasis is on meanings rather than words looking beyond technical devices like alliteration and assonance so that poems are understood as dynamic structures creating specific ends and effects The three sections cover progressively expanding areas Reading the lines deals with such basics as imagery diction and metre Reading between the lines concerns broader matters such as poetry and context and the reading of sequences of poems while Reading beyond the lines looks at theorised readings and the textual genesis of poems from manuscript to print Reading poetry is for students lecturers and teachers looking for new ways of discussing poetry and all those seriously interested in poetry whether as readers or writers **The poetry of Samuel Taylor Coleridge [a selection] ed. by R.Garnett** Samuel Taylor Coleridge, Samuel Taylor [poetical works Coleridge (selections)], 1898 **Selected Poetry** Samuel Coleridge, 2003-06-26 Living in a revolutionary age Coleridge s poetry was written in a spirit of moral and emotional inquiry into the absolutes of the human condition He is best known for his visionary poetry Kubla Khan and his ballads The Rime of the Ancient Mariner but he used and transformed a variety of verse forms from the sonnet to the conversation poem on subjects as diverse as nature love and politics This selection calls attention to the range of Coleridge s work its strong autobiographical content and its artistic development throughout his career The old chronological form has been abandoned and the poems are organised according to genre with each section displaying its own individual development in craft and theme *The Complete Works of Samuel Taylor Coleridge: Poetry, Plays, Literary Essays, Lectures, Autobiography and Letters (Classic Illustrated Edition)* Samuel Taylor Coleridge, 2024-01-05 The Complete Works of Samuel Taylor Coleridge Poetry Plays Literary Essays Lectures Autobiography and Letters Classic Illustrated Edition is an unparalleled compilation that reflects the essence of Romanticism through its rich tapestry of lyrical poetry profound philosophical essays and stimulating literary criticism Coleridge s distinctive literary style marked by vivid imagery and musicality invites readers to explore the depths of imagination and the intricacies of the human experience The context of this collected works encompasses not only his influence on literature but also his engagement with contemporaneous thinkers providing a multifaceted view of his intellectual pursuits and contributions to literary theory Samuel Taylor Coleridge a seminal figure in the English Romantic movement was deeply motivated by his fascination with nature philosophy and the supernatural His journeys into the realms of imagination and spirituality were influenced by

personal struggles with health and substance which often informed his writings Coleridge's collaboration with fellow Romantic poets particularly William Wordsworth and his explorations into mysticism and the creative process showcase his enduring legacy as a pioneering literary figure This comprehensive edition is a must read for scholars students and enthusiasts of literature alike offering a thorough insight into Coleridge's thoughts and teachings Engaging with his works not only enhances one's understanding of the Romantic period but also encourages readers to reflect on the philosophical and artistic questions that permeate contemporary discourse

Making Sense of Poetry Rex W Last, 2023-10-23 This plain speaking introduction to the study and understanding of poetry avoids academic jargon and provides a clear pathway to coming to a deeper awareness of poetry of the present and past ages The guide is written in a clear and at times amusing style by a long standing expert in the field The guide begins by examining the physical shape of a poem on the page then moves on to a shopping list of topics Vocabulary Imagery Point of view Personalities Actions The senses Position Rhythm and rhyme External references The unexpected REVIEWS A must have book which encourages the reader to explore poetry in greater depth To pursue its meaning and thence to delight rather than bewilder Rex Last has written with humour and alacrity I shall now unearth my poetry books long since assigned to dusty shelves Margaret Holman I liked that the author understanding how boring poetry could be at times adds humour to his explanations at regular intervals This is an effective way of teaching as it made me appreciate what he tried to explain faster It also made me feel refreshed while I read as I had some good laughs Furthermore I liked that the author included exercises on the interpretation of poems and their solutions to enable readers to test themselves having gained the knowledge that the book sought to teach There was nothing to dislike about this book and I enjoyed it thoroughly The author structured his message very well and executed it with perfection I recommend this book for people who are interested in poetry Reviewer onlinebookclub org
