too for his brilliant natural history paintings landscapes and travel writing But although Lear belongs solidly to the age of Darwin and Dickens he gave Queen Victoria drawing lessons and his many friends included Tennyson and the Pre Raphaelite painters his genius for the absurd and his dazzling wordplay make him a very modern spirit He speaks to us today Lear was a man of great simplicity and charm children adored him yet his humor masked epilepsy depression and loneliness Jenny Uglow s beautifully illustrated biography full of the color of the age brings us his swooping moods passionate friendships and restless travels Above all Mr Lear shows how this uniquely gifted man lived all his life on the boundaries of rules and structures disciplines and desires an exile of the heart      After Ancient Biography Robert Fraser,2020-08-25 Marrying life writing with classical reception this book examines ancient biography and its impact on subsequent ages Close readings of ancient texts are framed by an assessment of their influence on the age of the French Revolution and Napoleon and on the nineteenth twentieth and twenty first centuries of responses to ancient biography of modern critics and of its visible legacy in art and film Crucially it asks what modern biographers can learn from their ancient predecessors Are the challenges involved in life writing still the same Have working methods changed and in what ways What in the context of biographical writing is truth and how are its interests best served How is it possible now as then honestly to convey a life      **That Singular Person Called Lear** Lady Susan Chitty,1988      Art Books Wolfgang M.
