television programs like The Daily Show and The Colbert Report Funny Because It s True peels back the layers to reveal how a group of young misfits from flyover country unintentionally created a cultural phenomenon **Funny You Should Ask** Scott Lewellen,2013-02-18 This oral history of television sitcom writing offers the perspectives of 22 of the best and most prolific early comedy writers How they broke into the business how they wrote scripts and where they got their ideas what it was like to work on hits and on flops what the sitcom actors were like how they collaborated with other writers and producers and why they retired are just some of the topics they speak to The book documents insider knowledge and gives the reader a better understanding of what makes great television comedy The writers observations about the changes that took place during their long careers help explain why television comedy has evolved so greatly in recent years **My First Years as a Mombie** Sharon Young,2023-12-24 Hey there Welcome to my little book My First Years as a Mombie Mombie AKA a Zombie Mom If you re expecting a guide filled with expert parenting advice and serene tales of motherhood well you might want to keep looking This book is more like a wild no holds barred diary of my journey through the wacky world of raising kids This book isn t just a book it s a confession booth a comedy club and a therapy session rolled into one It s for every mom who s ever locked herself in the bathroom for a moment s peace or wondered why spending a day with a child can feel like negotiating with a tiny irrational CEO So grab a comfy seat and maybe some earplugs pour yourself a glass of something nice or just reheat that coffee for the fourth time and join me on this crazy beautiful totally unfiltered adventure called motherhood Let s laugh cry and maybe learn a thing or two about embracing the chaos *Now That's Funny!* Peter Desberg,Jeffrey Davis,2017-06-07 There is a feeling of pure delight that comes from laughing out loud while watching a hilarious movie or a TV show Yet as funny as these lines may be they are the work of people you will never see The magic behind any comedy hit begins when an idea is hatched in the mind of a comedy writer and is then put down on paper And while few of us are privy to this fascinating process for writers Peter Desberg and Jeffrey Davis the challenge of observing and understanding how comedy is born has culminated in a unique new book Now That s Funny Desberg and Davis provide an intimate look into the minds of twenty four of Hollywood s funniest comedy writers who have given us such shows as Saturday Night Live Monk Everybody Loves Raymond The Simpsons Frasier Maude Home Improvement Valerie Modern Family Cheers There s Something about Mary The Honeymooners Suddenly Susan Newhart Sabrina the Teenage Witch Archie Bunker s Place The Tracey Ullman Show Wings Who s The Boss and more How do you get to see the creative wheels turn The authors premise was simple Using a Q and A format they provided each writer with a story idea and let them run with it Each of the writers was told there were no rules no boundaries and no limits Because everyone started with the same concept the authors could see how some writers jumped in and began creating while others asked lots of questions how some writers stuck closely to the premise while others turned it on its head What emerges is an entertaining look illuminating and hilarious in turn at the creative process behind hit TV shows and movies If you re one of the millions who have enjoyed

watching the work of comedy writers here is an opportunity to go behind the scenes and see the madness unfold Now that s funny *Some of the Funniest Things Happen in the Most Unlikely and Unexpected Places* Glenn Martin,2005-03 This collection of stories was written for only one purpose to make you laugh These stories are not aimed at your mind but at your funny bone They are not supposed to make you smarter or wiser but might keep you from taking yourself and life too seriously When enjoying these stories you may venture into restaurants or churches attend weddings or funerals and spend some time in the Army And you may meet people who did not intend to be funny but did funny things These stories should put a smile on your face and a chuckle in your voice And if you laugh out loud that would be okay too Laughter is not only good for your health but it also does wonders for your spirit and your soul
