That Thin Line Between Love Hate:

The Fine Line Between Love and Hate Ashley Erin, News flash My uptight landlord is infuriating I hate him almost as much as those perfectly pressed dress shirts he wears and the fact I want to rip them off Not reading the lease agreement before signing was an oversight but now I've got it memorized And I'm going to use it to my advantage while staying within the bounds of my contract Barely Charlie can't stand all my decorative little touches so what if the gnomes are a little vulgar But declaring war with him is better than the alternative ending up in bed with him Note to self Never let my mother choose a tenant for my house Evie might be a librarian but she's anything but quiet In fact she's the complete opposite My outspoken new tenant seems to get off on pushing me out of my comfort zone finding ALL my buttons And I'd be crazy to think that these sparks flying between us won't fizzle out We're nothing alike We're all wrong for each other So why can't I keep my hands to myself Opposites definitely attract in this hilarious enemies to lovers romantic comedy **A Thin Line Between Love and Lust** C E Long, 2017-11-22 What happens when we open ourselves to the idea that love does not need a sole proprietor that our hearts aren't bound by standards that tell us who and how to love What happens if we were to live and love outside of the box This is the story of a few daring individuals who will choose to test the boundaries of that love and explore its possibilities Prepare yourself because this is not your average romance novel This is a polyamorous love story that breaks all the rules **New York Magazine**, 1996-04-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Jet**, 1996-04-15 The weekly source of African American political and entertainment news **New York Magazine**, 1996-04-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Love: A Good Medicine (The Saga of the Elixir of Life) (Introducing 'LoveOlogy')** Dr. Siddhartha Ganguli, 2024-01-15 The human emotion of love has its own spectrum like the rainbow with its two extremes represented by two different neuro chemicals Dopamine Smart Love Short lived or Short Love and Oxytocin Sustained Love In the ancient Indian NatyaShastra of the great Bharata Muni the essence or rasa of love is Sringara having at its two poles Kama lust and Prema pure love As illustrations of the Sringara rasa the author has analysed a number of love song lyrics from different cultures In this book while the author has looked at and analysed love from the angles of bio medical social psychological and neurological sciences one unique concept shared is that of the love pie A very special section deals with
