Trambly, 2020-04-17 A vital resource for pastors who seek to transform the culture of their church A Way with Words demonstrates the power of the weekly sermon to change the culture of a congregation Using the analogy of language learning Adam Trambly shows how a consistent ministry focus over an eighteen month period can help a church address areas that inhibit growth even as the pastor preaches on a diversity of subjects or uses a lectionary The author explores how important focused preaching can be to moving church development forward and offers a long term strategy particularly helpful for pastors looking to take full advantage of the opportunities their weekly sermons provide Each chapter includes discussion questions and practical exercises that can be used as part of a preaching group or seminary class or to aid the solo pastor in preparing dynamic sermons This is a topic not generally taught in seminary but vital for pastors who wear many hats as preachers pastoral caregivers and administrative leaders

The Trinitarian Dance presents a model of leadership development based on the Holy Trinity Part one analyzes the present state of the cultural and ecclesiastical situation in Canada identifying specific trends and aspects relating to the need for development of effective leadership in the church This section sets the stage for Part two where a theology of trinitarian leadership is developed based on the dynamic of perichoresis with the motif of a dance used to present a paradigm of transformational leadership Part three offers church based strategies for leadership development concluding with a creative application of the doxological formula that captures the thrust of the entire book and leads it to a finale that includes a benediction of hope for the church through this leadership model

Grace Gifts Dan Knight, 2011-10-31

Too many of us are burdened with the question What am I supposed to be doing Weve tried doing what Jesus did WWJD but weve found walking on water and feeding the multitudes a little beyond our capabilities So weve settled for watching other Christians and imitating them Or worse we have taken the first job anyone offered us and stayed at it in frustration for years and years Theres a better answer You are supposed to be doing what God has equipped you to do Knowing the gifts you have received lets you know what God expects you to do
