The Absurdity Of Eternal Security Doctrine:

Eternal Security Proved! Phillip Evans, 2008-04-30 Clear proof from the Bible that once you are saved by placing trust in Christ as your Savior you can never be lost again Difficult passages from Scripture are tackled head on and explained with clarity Do you sometimes doubt your salvation If you do then know that this is not a product of living by faith This is why the fear that you can lose your salvation is a hindrance to your Christian walk If the doctrine of unconditional security is true then to disbelieve it is to disbelieve God God has given us the truth in His Word It is up to us to know it and apply it so that we can live the victorious Christian life as our Lord and Savior Jesus Christ intends us to

Perspectives on Eternal Security Kirk R. MacGregor, Kevauhn Mattis, 2009-05-07 Eternal security or personal assurance of final salvation constitutes the single most important matter of practical theology in the Christian tradition For the past twenty centuries no other doctrine has exerted such a direct impact on the lives of lay Christians driving their daily actions guiding their permanent choices and shaping their psychology From the New Testament period onward a diversity of views on biblical interpretation anthropology and divine sovereignty have produced numerous models of eternal security However due to the early modern fracturing of Protestant thought along Reformed and Arminian lines today most evangelicals equate eternal security with Calvin's perseverance of the saints In an ecumenical vein this collection of essays aims to remedy the knowledge gap by bringing a breadth of biblical historical and philosophical perspectives to bear on the question of eternal security These essays comprise the first print anthology from the online theological journal Testamentum Imperium an international forum founded and edited by Kevauhn Mattis featuring scores of first rate articles from Christian thinkers worldwide on the topic of eternal security This book therefore analyzes Calvin's model of perseverance alongside views on eternal security ranging historically from Clement of Rome to contemporary developments in philosophical theology and process theology Furthermore this book explores and strengthens the biblical roots of eternal security through an illuminating host of thematic studies on whole books and exegetical studies on particular passages Hence this volume will profit all who are interested in the scriptural foundations and historical outworkings of eternal security

Finding Locke's God Nathan Guy,2019-09-19

The portrait of John Locke as a secular advocate of Enlightenment rationality has been deconstructed by the recent religious turn in Locke scholarship This book takes an important next step moving beyond the religious turn and establishing a theological turn Nathan Guy argues that John Locke ought to be viewed as a Christian political philosopher whose political theory was firmly rooted in the moderating Latitudinarian theology of the seventeenth century Nestled between the secular political philosopher and the Christian public theologian stands Locke the Christian political philosopher whose arguments not only self consciously depend upon Christian assumptions but also offer a decidedly Christian theory of government Finding Locke s God identifies three theological pillars crucial to Locke s political theory 1 a biblical depiction of God 2 the law of nature rooted in a doctrine of creation and 3 acceptance of divine revelation in scripture As a result Locke s political philosophy brings forth theologically rich aims while seeking to counter or disarm threats such as atheism hyper Calvinism and religious enthusiasm Bringing these items together Nathan Guy demonstrates how each pillar supports Locke s Latitudinarian political philosophy and provides a better understanding of how he grounds his notions of freedom equality and religious toleration Convincingly argued and meticulously researched this book offers an exciting new direction for Locke studies

Through a combination of actions and words Mikhail Gorbachev has sought to convince the West that the USSR is not dangerous either militarily or politically At home he has sought to convince his countrymen that it is time to abandon the idea that the USSR is at war with the non socialist world and that it must keep the West at arms length I

The Revelation of Jesus Christ Wallace Shows,2004-10

One of the most fascinating relevant and often difficult to understand books in the Bible is the Revelation of Jesus Christ It has been misinterpreted and misunderstood by many over the years and in many instances it has been placed in the category of allegory or mythology Expounded in several venues over the last forty plus years this study has been a blessing to many and has presented this often puzzling book in such a manner that even the young Bible student can understand It is written in a series of lectures that help to simplify yet exhaustively instruct the student in the meaning and the implication of this important book as it relates to the times in which we live As we anxiously wait for our Lords soon return this series of lectures will help us realize just how near to that coming event we actually are
