The Hand That Signed The Paper Allen Unwin Original Fiction:

Text, Lies and Cataloging Jana Brubaker, 2018-07-10 What do James Frey's *A Million Little Pieces* Margaret B Jones *Love and Consequence* and Wanda Koolmatrie's *My Own Sweet Time* have in common None of these popular books are what they appear to be Frey's fraudulent drug addiction memoir was really a semi-fictional novel Jones' chronicle of her life in a street gang was a complete fabrication and Koolmatrie was not an Aboriginal woman removed from her family as a child as in her seemingly autobiographical account but rather a white taxi driver named Leon Carmen Deceptive literary works mislead readers and present librarians with a dilemma Whether making recommendations to patrons or creating catalog records objectivity and accuracy are crucial and can be difficult when a book's authorship or veracity is in doubt This informative and entertaining study addresses ethical considerations for deceptive works and proposes cataloging solutions that are provocative and designed to spark debate An extensive annotated bibliography describes books that are not what they seem

Daviborshch's Cart David Fraser, 2011-01-01 In the spring of 1942 Nazi forces occupying the Ukraine launched a wave of executions targeting the region's remaining Jewish communities These mass shootings were open public and intimate Although the victims themselves could never testify against their killers many eyewitnesses could and did identify the perpetrators Among these communities three local men from the villages of Serniki Israylovka and Gnivan were intimately implicated in such killing operations Ivan Polyukhovich a forester in the German-controlled administration Heinrich Wagner a Volksdeutscher liaison officer and Mikolay Berezowsky a member of the local police force More than fifty years later these three men were arrested and brought to trial in Australia for their alleged war crimes Daviborshch's Cart is more than an account of Holocaust perpetrators who found a safe haven in postwar Australia It is also the story of the Holocaust in the Ukraine the War Crimes Act Nazi policies and the ways in which future generations translate history into law archives into proof and law into justice Based on a review of previously unexamined historical and legal documents and transcripts Daviborshch's Cart offers the first critical examination of Australian attempts to bring alleged Nazi criminals to justice
