Innovations in Magazine Publishing Simon Das, David Stam, Andrew Blake, 2021-05-05 This book examines the key developments in the UK magazine industry since 2014 and explains in detail how the business has innovated to survive Innovations in Magazine Publishing explores the key issues that publishers and editors have had to grapple with in recent years and demonstrates how they have changed their business models and encouraged innovation and creativity Written in an engaging and accessible style the authors and contributors have drawn on years of industry expertise and contacts to examine the massive changes that have taken place in the areas of content creation and advertising in the last decade Beginning with a highly useful summary of UK magazine publishing history the book then provides a detailed focus on how magazines have had to adapt to a declining revenue picture in both copy and advertisement sales This discussion considers changes in ownership and the supply chain mutual dependency on social media the rapid growth of the independent sector investing in brand and product extensions and how media companies themselves have changed to meet the demands of the new era The important issue of ethnic diversity within the UK publishing industry is addressed and the introduction also includes a discussion of the effects of the Covid 19 pandemic on the industry and how the magazine business will need to respond to whatever the future may bring This comprehensive overview of the current state of the industry is a vital resource for students researchers and professionals in magazine journalism as well as for those studying media and journalism studies more generally

Media Ownership and Concentration in America Eli M. Noam, 2009-10-19 People have worried for many years about the concentration of private power over the media as evidenced by controversy over Federal Communication Commission rulings on broadcast ownership limits The fear it seems is of a media mogul with a political agenda a new William Randolph Hearst who could help start wars or run for political office using the power of the media In the light of these concerns about freedom of speech Eli Noam provides a comprehensive survey of media concentration in America covering everything from the early media empire of Benjamin Franklin to the modern day cellular phone industry
