The Heart of Mid-Lothian Walter Scott, David Hewitt, Alison Lumsden, 2022 Find Out What Scott Really Wrote Going back to the original manuscripts a team of scholars has uncovered what Scott originally wrote and intended his public to read before errors misreadings and expurgations crept in during production The Edinburgh Edition offers you A clean corrected text Textual histories Explanatory notes Verbal changes from the first edition text Full glossaries Title Description The Heart of Mid Lothian is precisely focused on the trials for murder of John Porteous and of Effie Deans in 1736 and 1737 Yet it is a chronicle Scott's only chronicle which spans the eighty years of

the life of David Deans whose death takes place in 1751 The most complex of all Scott's narratives it is also the most challenging in that it raises in an acute fashion the problem of a judicial system that does not produce justice Scott places this fundamental issue in its immediate political context in history as represented by the life of Deans and alongside the justice of Providence as perceived by his daughter Jeanie the greatest of Scott's heroines The Edinburgh Edition of The Heart of Mid Lothian provides a new text and in its annotation treats comprehensively the novel's historical legal religious and cultural sources

The Heart Of Midlothian Sir Walter Scott, 2014-07-14 This is the fully illustrated and extended annotated edition including a rare and extensive biographical essay on the author his life and works plus a wealth of illustrations The Porteous Riot which occurred in Edinburgh during the reign of George II is the historical rallying point of this story of Scotch middle life The narrative however harks back several months and also extends forward some years the present argument therefore will be more intelligible if it gives the facts in their proper order rather than as set forth in the opening chapters of the novel David Deans an honest but stern old Scotch Covenanter and farmer marries twice in the course of his life and by each wife has a daughter Jeanie being some ten years older than her half sister Effie Jeanie has two suitors a childhood's playmate Reuben Butler now a university graduate and candidate for the ministry and the dull Laird of Dumbiedikes who is content to come month in and month out and merely look his admiration Effie grows up into beautiful girlhood being called the Lily of St Leonard's but is willful and spoiled Her sister Jeanie has little control over the motherless girl who secretly frequents dances and other gatherings abhorred by her father
