The Heir To Longbourn:

The Heir to Longbourn Laurence Fleming, 2009-10-01 The perfect sequel to *Pride and Prejudice* solving the problems that book creates and drawing in a whole cast of characters from other Austen novels *The Heir to Longbourn* is the first in a trilogy at the end of which almost all the unmarried characters from the other novels have been paired up with each other It is of course humorously done but with a pitch perfect ear for Jane Austen's style and an unmistakable sympathy for her outlook

Gwendolyn Dash,2018-01-31 **In Default of Heirs Male** Jann Rowland, Longbourn estate in Hertfordshire home of the Bennet family is entailed Armed with this unfortunate knowledge the females of the family have long lived with the threat of eviction from their beloved home should Mr Bennet pass away before his time When the unthinkable happens the Bennet ladies prepare to leave their home as the heir arrives to take control of his inheritance Salvation comes however by the most surprising of news Mrs Bennet is with child While waiting for the child to be born Elizabeth takes control over the estate determined to save as much as possible in the brief season she has been given Fortunately the Netherfield party arrives and the attentions of the new master of the estate bring them all to hope that Jane at least will achieve her heart's desire But little does Elizabeth know she is also the subject of a gentleman's interest for Mr Darcy sees her as an excellent woman who is eager to uphold the trust with which her father favored her Despite his feelings Elizabeth is slow to understand the love that might be within her grasp as she struggles with her duty under the specter of the heir who believes the Bennets have cheated him of his inheritance and will do whatever he can to ensure he gets what he believes is his Dear Mr. Darcy

Amanda Grange,2012-08-07 In this imaginative retelling of Pride and Prejudice Amanda Grange now tells the classic story through the eyes of its compelling romantic hero Fitzwilliam Darcy in a series of revealing letters that casts a sparkling new reflection on the manners and morals of the landed gentry in 19th century England Here for the first time are the letters written by the exceedingly proud and stubborn Mr Darcy covering the life changing events that defined him from the death of his father to his control of his Derbyshire estate of Pemberley to his conflicted courtship with the lively intelligent and delightfully willful Elizabeth Bennet Try as he may he cannot deny his attraction to this woman with fine eyes a playful spirit a mind of her own and an embarrassing family that is frankly and utterly beneath him But it is Elizabeth who controls both their destinies and whose surprises will change Darcy's life yet again **Notes and Queries** ,1924 A Quiver Full Jenifer Hanen,2024-09-19 A Quiver Full or how Mr Darcy will not sit on that sofa again but Mr Bennet will is a humorous Regency Pride and Prejudice Assemblage where nearly every one lives happily ever after We learn about Mr Thomas Bennet's sordid past his scheming present and how it changes Pride and Prejudice's future In Mr Bennet's defense the 1780s were quite swingin Mr Bennet rescues Longbourn from the clutches of Mr Collins spares Mrs Bennet her hedgerow fantasies gives her a few more pleasant new ones and generally saves the day and the occasional night A madcap rather scheming humorous romp through an Alternative Universite several sideways steps over from Jane Austen's Pride and Prejudice For canon compliant folks this is an alternative universe story For the clean and sweet folks this novel complies with the letter of the law but not the spirit as the spirit is on a madcap scheming romp The author hopes that Mary Wollestonecraft would approve The author
