Walking the Little Way of Therese of Lisieux Brother Joseph Schmidt,2012-09-01 From her early years Th r se of Lisieux desired to be a saint so the primary focus of her life was to walk the path of love what she called the science of love But she often asked herself if her love was pure and authentic With sensitivity and insight author Joseph Schmidt shows us how Th r se discovered certain qualities of the heart that told her that she was indeed walking the path of authentic love These qualities inner freedom creativity compassion willingness self surrender or abandonment and gratefulness opened her heart to a new depth of God s life in and through her Eventually they

played a very practical role in Th r se s ordinary day to day life relationships and they can in our own as well As he did in his earlier book on Th r se Everything Is Grace Joseph Schmidt breaks new ground in his latest book and offers tremendous food for thought and reflection on the spirituality of this great saint The Story of a Soul: The Autobiography of St. Thérèse of Lisieux Thérèse Martinof Lisieux,Francis Alphonsus Bourne,2023-11-23 This book is a memoir of Th r se of Lisieux a French Catholic Discalced Carmelite nun Her blood sisters were also nuns and they insisted she should write a memoir two years before her death at the age of 24 The book contains her childhood memories from the tragedy of the loss of her mother and her childhood nervous fits to finding peace in the convent To a large extent the book deals with her spiritual search and describes her thoughts emotions and beliefs she developed during her service In the last eighteen month of her life Therese fell into a crisis of belief when she was tormented by the doubts which he had to overcome Suffering a severe form of tuberculosis Therese perceived this illness as a one of her last examinations of faith and transformed her pain and suffering into the feeling of happiness based on her faith in salvation This memoir became a very influential book on spirituality which made Therese famous beyond the borders of France and remains an important piece of spiritual literature today **The Autobiography of Saint Therese** ,2011-01-26 Few spiritual figures have touched as many readers in the past century as Saint Therese of Lisieux the saint popularly known as the Little Flower Though she was only twenty four years old when she died her writings have had tremendous impact making her one of the most popular spiritual writers in the twentieth century Her autobiography The Story of a Soul has been a source of priceless inspiration ever since it was written and has become the great spiritual bestseller of our time A hundred years after her death in 1897 millions of copies have spread throughout the world and it has been translated into more than fifty languages The reason for the continued success of her autobiography is quite simply that it is unlike any work of devotion and spiritual insight ever written Once it is read it cannot be forgotten Its appeal across cultures and generations has been extensive moving both peasants and popes men and women young and old people of every kind of intelligence and education succumb to its spell Yet is not a conventional work of religious devotion instead it is in many ways a supernatural book In the words of Pope Pius XI Saint Therese attained the knowledge of supernatural things in such abundant measure that she was able to point out the sure way of salvation to others and it is especially in The Story of a Soul that she has pointed out this sure way to the generations that have followed her As Therese herself said of this book just prior to her death What I have written will do a lot of good It will make the kindness of God better known Saint Therese of Lisieux Bob Lord,Penny Lord,2019-03-29 If God grants my desires my Heaven will be spent on earth until the end of time Yes I will spend my Heaven doing good on earth I will return I will come down Bob and Penny Lord trace the life of one of the most powerful Saints of the 20th Century Therese is a most important role model for the youth of today We need a Saint Therese for our children to imitate rather than the role models the world would give them
