Henry James,2018-08-17 Sir Dominick Ferrand Large Print Henry James This was the case with Mrs Ryves she had satisfied Mrs Bundy that she was not a simple strummer Mrs Bundy admitted to Peter Baron that for herself she had a weakness for a pretty tune and Peter could honestly reply that his ear was equally sensitive Everything would depend on the touch of their inmate Mrs Ryves s piano would blight his existence if her hand should prove heavy or her selections vulgar but if she played agreeable things and played them in an agreeable way she would render him rather a service while he smoked the pipe of form We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *Sir Dominick Ferrand* Генри Джеймс,2021-12-02 **Sir Dominick Ferrand**

The Real Thing Henry James, 1921 Sir Dominick Ferrand & The Altar of the Dead Henry James, 2020-11-24 The Altar of the Dead is a short story by Henry James first published in his collection Terminations in 1895 A fable of literally life and death significance the story explores how the protagonist tries to keep the remembrance of his dead friends to save them from being forgotten entirely in the rush of everyday events He meets a woman who shares his ideals only to find that the past places what seems to be an impassable barrier between them Although James was not religious in any conventional sense the story shows a deep spirituality in its treatment of mortality and the transcendent power of unselfish love Aging George Stransom holds sacred the memory of the great love of his life Mary Antrim who died before they could be married One day Stransom happens to read of the death of Acton Hague a former

friend who had done him a terrible harm Stransom starts to dwell on the many friends and acquaintances he is now losing to death He begins to light candles at a side altar in a Catholic church one for each of his Dead except Hague Later he notices a woman who regularly appears at the church and sits before his altar He intuitively understands that she too honours her Dead and they very gradually become friends However Stransom later discovers that her Dead number only one Acton Hague Hague had wronged her too but she has forgiven him When his friend realises Stransom's feelings about Hague she declares that she can no longer honour Hague at Stransom's altar Stransom cannot bring himself to resolve the issue by forgiving Hague and adding a candle for him This disagreement drives the two friends apart Stransom's friend ceases visiting the altar and Stransom himself can find no peace there Months later Stransom now dying visits his altar one last time Collapsing before the altar he has a vision of Mary Antrim and it seems that Mary Antrim is asking him to forgive Hague He felt his buried face grow hot as with some communicated knowledge that had the force of a reproach It suddenly made him contrast that very rapture with the bliss he had refused to another This breath of the passion immortal was all that other had asked the descent of Mary Antrim opened his spirit with a great compunctious throb for the descent of Acton Hague He turns and sees his friend who has finally become reconciled to him having decided to visit the altar to honour not her own Dead but Stransom's Stransom dying tries to tell her that he is ready to add a candle for Hague but is able only to say One more just one more The story ends with his face showing the whiteness of death Thus Stransom's last words are rendered ambiguous
