Heaton, 2022 Thirty six chapters covering the history of Nigeria from prehistoric times to the twenty first century Accessible overviews of both the political narrative as well as the deeper histories of social organization identity formation and inter group relationships cutting edge analysis of key themes from highly respected scholars in a single forward facing volume Book jacket

The French empire at War, 1940-1945 Martin Thomas, 2017-03-01 The French empire at war draws on original research in France and Britain to investigate the history of the divided French empire the Vichy and the Free French empires during the Second World War What emerges is a fascinating story While it is clear that both the Vichy and Free French colonial authorities were only rarely masters of their own destiny during the war preservation of limited imperial control served them both in different ways The Vichy government exploited the empire in an effort to withstand German Italian pressure for concessions in metropolitan France and it was key to its claim to be more than the mouthpiece of a defeated nation For Free France too the empire acquired a political and symbolic importance which far outweighed its material significance to the Gaullist war effort As the war progressed the Vichy empire lost ground to that of the Free French something which has often been attributed to the attraction of the Gaullist mystique and the spirit of resistance in the colonies In this radical new interpretation Thomas argues that it was neither of these The course of the war itself and the initiatives of the major combatant powers played the greatest part in the rise of the Gaullist empire and the demise of Vichy colonial control

History of Nigeria Sir Alan Burns, 1929 *Lord Hailey, the Colonial Office and Politics of Race and Empire in the Second World War* S. Wolton, 2000-06-21 The book studies the Anglo American debate in which British officials led by Lord Hailey countered American criticisms of imperial rule by emphasizing economic development and peace keeping as new non racial justifications for western authority These are themes that have retained a powerful resonance in the post war world

Beyond Empire John T. Ducker, 2020-02-20 Beyond Empire looks at three decades of British colonial administration to assess the capacity of the independent governments of Africa to achieve independence A wealth of archival material and a unique review of British press over those decades brings to life the dynamic and the tension of the process of decolonisation Addressing a wide range of issues from education constitutional change and economic relations Beyond Empire sheds new light on aspects of colonial history at the country level with the focus on the African administrations themselves as agents in the decolonisation process

Children's Literature and Culture of the First World War Lissa Paul, Rosemary R. Johnston, Emma Short, 2015-12-22 Because all wars in the twenty first century are potentially global wars the centenary of the first global war is the occasion for reflection This volume offers an unprecedented account of the lives stories letters games schools institutions such as the Boy Scouts and YMCA and toys of children in Europe North America and the Global South during the First World War and surrounding years By engaging with developments in Children's Literature War Studies and Education and mining newly available archival resources including letters written by children the

contributors to this volume demonstrate how perceptions of childhood changed in the period Children who had been constructed as Romantic innocents playing safely in secure gardens were transformed into socially responsible children actively committing themselves to the war effort In order to foreground cross cultural connections across what had been perceived as enemy lines perspectives on German American British Australian and Canadian children s literature and culture are situated so that they work in conversation with each other The multidisciplinary multinational range of contributors to this volume make it distinctive and a particularly valuable contribution to emerging studies on the impact of war on the lives of children

Industrialisation and the British Colonial State Lawrence Butler,2012-12-06 Taking colonial policy towards West Africa as a case study Butler shows that during the 1940s the Colonial Office evolved a policy of encouraging colonial industry as part of a broad programme of development intended to prepare colonies for independence
