*Sisters & Lovers* Connie Briscoe, 1995 Three Afro American sisters with different lives all reaching crisis point **Disorderly Sisters** Leila Silvana May, 2001 Historians and literary critics have long understood the crucial significance of the family to the nineteenth century middle class sensibility but almost all critical analyses to date have concentrated on the vertical pole of the familial axis the parent child relationship and very little on the horizontal pole the sibling bond This book looks beyond these analyses to show that at the core of nineteenth century domestic ideology is the figure of the sister BOOK JACKET To Have and to Hit Dorothy Ayers

Counts, Judith K. Brown, Jacquelyn Campbell, 1999 This vitally important volume places the problem of wife beating in a broad cultural context in a search for strategies to reform societies including our own that are prone to this pernicious form of violence Based on first hand ethnographic data on more than a dozen societies including a number in Oceania this collection explores the social and cultural factors that work either to inhibit or to promote domestic violence against women The volume also includes a study of abuse among nonhuman primates and a cross cultural analysis of the legal aspects of wife beating By presenting counterexamples from other cultures contributors challenge Western assumptions about the factors

leading to wife beating Through a close examination of societies where wife beating is infrequent or absent To Have and To Hit identifies the factors economic social political and cultural that must be explored and transformed in order to combat this violence and eventually eliminate it **The Encyclopædia of Sexual Behaviour** Albert Ellis, Albert Abarbanel, 2013-10-22 The Encyclop dia of Sexual Behaviour Volume Two is an encyclopedia of sexual behavior and covers topics ranging from the linguistic aspects of sex to sex life in Latin America sex in the literature and sexual love Laws on marriage and family and on sex crimes are also discussed along with sexual perversions and the art of loving Comprised of 52 chapters this volume first deals with Judaism s attitudes and teachings on sex particularly with regard to the sexuality of women nudity and prostitution The reader is then introduced to the connection between language and sex sex life in regions such as Latin American the Orient and the Soviet Union and the portrayal of sex in literature Subsequent chapters explore sexual love as opposed to altruistic love marriage and family living menopause and the menstrual cycle movement and feeling in sex the interrelationship of music and sex and the effects of nutrition and health on sexuality Other chapters focus on phallicism and sexual symbolism planned parenthood around the world the psychology of pornography human reproduction and sex in relation to race and Protestantism This book will be of interest to psychologists and psychiatrists The Shadow of the Mammoth Fabio Morábito, 2025-09-02 A brilliant unsettling collection of 18 stories about deception translation loneliness and connection from one of Mexico s greatest modern writers Why is grass in airports so important Can you be an extraordinary copyist without knowing how to read or write Are there successful musicians who only play a single note in their life Book after book Fabio Mor bito s stories have become increasingly radical in their way of showing us that imagination is not a curious feature of the mind but perhaps the only way to not feel excluded from the real world With prose free of unnecessary explanation and descriptive embellishments The Shadow of the Mammoth insists once again on the guiding principle of Mor bito s work playing fair with the reader who advances in reading these stories as he did when writing them open to any direction they could take For this reason these stories are as unexpected as they are different from each other all united by that pleasure of storytelling that has always been Mor bito s unmistakable hallmark *The Juvenile Court Record* , 1908

**A Sound So Very Loud** Ted Kessler,2025-08-19 The first definitive history of the iconic band Oasis as told through their music and using their songs as the starting point A Sound So Very Loud is the first book to offer a definitive history of Oasis as narrated through their music using their songs as the foundation but breaking out more widely to include sections of background and cultural context It s written by leading music journalists Ted Kessler and Hamish MacBain who have very close ties to the band and their management and have interviewed the Gallaghers dozens of times There has never been a definitive forensically detailed history of Oasis and their music a book that takes readers to the heart of the band s work and what lay behind it in the kind of deeply researched knowledgeable detail that has been afforded The Beatles perhaps most notably with Ian MacDonald s Revolution In the Head which examined every Beatles song in chronological detail MacBain and Kessler s intention is to write the book that satisfies the many millions of fans globally similarly obsessed with Oasis s music but who currently only have scattered social media pages to turn to add depth to the story These authors deliver the definitive chronological history of the songs of Oasis that will appeal to fans old and new in doing so bringing the wider Oasis story into play in glorious color The pair have interviewed both Gallaghers dozens of times between 1994 and 2024 and no other journalists can claim more or more lively encounters with Liam and Noel The book will also revisit each interview in the first person chronologically throughout to add unique perspective and texture to the wider story MacBain and Kessle will also dissect sleeve art with the designers and
