Naumann,2025-03-18 Fictional TV politics played a pivotal role in the popular imaginaries of the 2010s across cultures

Examining this curious phenomenon Sebastian Naumann provides a wide ranging analysis of the rapidly evolving landscape of contemporary political series. Proposing a novel structural model of serial television he offers an innovative methodological framework for comparative textual analysis that integrates sociocultural economic sociotechnical narratological and aesthetic perspectives. This study furthermore explores how the changing affordances of nonlinear television impact serial storytelling and identifies key narrative trends and recurring themes in contemporary TV political fiction. **American Artist**, 1997 **New York Magazine**, 1984-07-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. On His Own Terms Richard Norton Smith, 2014-10-21 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE BOSTON GLOBE BOOKLIST AND KIRKUS REVIEWS From acclaimed historian Richard Norton Smith comes the definitive life of an American icon. Nelson Rockefeller one of the most complex and compelling figures of the twentieth century. Fourteen years in the making this magisterial biography of the original Rockefeller Republican draws on thousands of newly available documents and over two hundred interviews including Rockefeller's own unpublished reminiscences. Grandson of oil magnate John D Rockefeller Nelson coveted the White House from childhood. When you think of what I had he once remarked what else was there to aspire to. Before he was thirty he had helped his father develop Rockefeller Center and his mother establish the Museum of Modern Art. At thirty two he was Franklin Roosevelt's wartime coordinator for Latin America. As New York's four term governor he set national standards in education the environment and urban policy. The charismatic face of liberal Republicanism Rockefeller championed civil rights and health insurance for all. Three times he sought the presidency arguably in the wrong party. At the Republican National Convention in San Francisco in 1964 locked in an epic battle with Barry Goldwater Rockefeller denounced extremist elements in the GOP a moment that changed the party forever. But he could not wrest the nomination from the Arizona conservative or from Richard Nixon four years later. In the end he had to settle for two dispiriting years as vice president under Gerald Ford. In On His Own Terms Richard Norton Smith re-creates Rockefeller's improbable rise to the governor's mansion his politically disastrous divorce

and remarriage and his often surprising relationships with presidents and political leaders from FDR to Henry Kissinger A frustrated architect turned master builder an avid collector of art and an unabashed ladies man Rocky promoted fallout shelters and affordable housing with equal enthusiasm From the deadly 1971 prison uprising at Attica and unceasing battles with New York City mayor John Lindsay to his son s unsolved disappearance and the grisly theories it spawned the punitive drug laws that bear his name and the much gossiped about circumstances of his death Nelson Rockefeller s was a life of astonishing color range and relevance On His Own Terms a masterpiece of the biographer s art vividly captures the soaring optimism polarizing politics and inner turmoil of this American Original Praise for On His Own Terms An enthralling biography Richard Norton Smith has written what will probably stand as a definitive Life On His Own Terms succeeds as an absorbing deeply informative portrait of an important complicated semi heroic figure who in his approach to the limits of government and to government s relation to the governed belonged in every sense to another century The New Yorker A splendid biography a clear eyed exhaustively researched account of a significant and fascinating American life The Wall Street Journal A compelling read What makes the book fascinating for a contemporary professional is not so much any one thing that Rockefeller achieved but the portrait of the world he inhabited not so very long ago The New York Times On His Own Terms has perception and scholarly authority and is immensely readable The Economist *Library Catalog of the Metropolitan Museum of Art, New York* Metropolitan Museum of Art (New York, N.Y.). Library, 1980
