Origins of the Suez Crisis mak es us look afresh at the events that led to conflict between Israel and its neighbors Financial Times One fateful week in June 1967 redrew the map of the Middle East Many scholars have documented how the Six Day War unfolded but little has been done to explain why the conflict happened at all Now historian Guy Laron refutes the widely accepted belief that the war was merely the result of regional friction revealing the crucial roles played by American and Soviet policies in the face of an encroaching global economic crisis and restoring Syria s often overlooked centrality to events leading up to the hostilities The Six Day War effectively sowed the seeds for the downfall of Arab nationalism the growth of Islamic extremism and the animosity between Jews and Palestinians In this important new work Laron s fresh interdisciplinary perspective and extensive archival research offer a significant reassessment of a conflict and the trigger happy generals behind it that continues to shape the modern world Challenging well worth reading Moment A penetrating study of a conflict that although brief helped establish a Middle Eastern template that is operational today The author looks

beyond Cold War maneuvering to examine the conflict in other lights Readers with an interest in Middle Eastern geopolitics will find much of value Kirkus Reviews [The Six-Day Hero](#) Tammar Stein,2024-05-07 Motti knows that war is coming Israel is only nineteen years old the same age as Motti's brave older brother Gideon and the tiny country is surrounded by enemies It's only a matter of time before Egypt Jordan and Syria attack Motti wishes he could join the Israeli army like Gideon and be a hero But when his best friend's family flees the country and his brother goes off to fight Motti realizes this war isn't a game His family is in danger and Israel's very survival is at stake But hope comes to Motti in unexpected forms In the kind Ethiopian priest who lives nearby In his grouchy neighbor old Mrs Friedburg In the young Germans who come to offer help In his father's childhood friend a Jordanian man who harbors none of the hate Motti expects Even in a scrappy stray cat that roams the bombed city without fear Motti knows his older brother is a hero but through the six days of the war that will decide Israel's fate he discovers other heroes in surprising places He may even be a hero himself **The Six-Day War** 50minutes,2016-04-26 Keen to learn but short on time Get to grips with the events of the Six Day War in next to no time with this concise guide 50Minutes.com provides a clear and engaging analysis of the Six Day War In 1967 relations between the State of Israel and its neighbours which had long been strained became dangerously tense In the ensuing military conflict Egypt Jordan and Syria were unable to defeat Israel and the Israeli victory and territorial gains effectively redrew the map of the Middle East In just 50 minutes you will Understand the political and social context of the Middle East prior to the conflict and the reasons for rising tensions in the region Identify the leaders of the states involved in the war and their role in the conflict Analyse the impact of the Israeli victory on the rest of the Middle East ABOUT 50MINUTES.COM History Culture 50MINUTES.COM will enable you to quickly understand the main events people conflicts and discoveries from world history that have shaped the world we live in today Our publications present the key information on a wide variety of topics in a quick and accessible way that is guaranteed to save you time on your journey of discovery **Six-Day War 1967** Shlomo Aloni,2019-06-27 On one day in June the balance of air power in the Middle East was turned upside down by perhaps the most ruthlessly effective air superiority campaign in history Operation Moked or Focus In 1967 the Israeli Air Force was outnumbered more than two to one by the jets of hostile Egypt Syria Jordan and Iraq Operation Focus was Israel's ingenious strike plan to overturn the balance At 0745hrs on June 6 Israeli jets hit Egypt's airfields simultaneously first bombing runways and then strafing aircraft Another 20 follow up missions were already in the air initially scheduled to hit every five minutes This new history of Operation Focus explains how the concept for Focus was devised and meticulously planned the astonishing rate of serviceability and turnaround speed it required from ground crews and how the relentless tempo of strikes shattered one air force after another It is the story of how Israel's victory in the Six Day War began with a single shocking day [Iceland: A Six Day Adventure](#) Joel Gilgoff,2005-09 This is a photo book documenting our July 2005 trip to Iceland The photos capture the magnificent landscape of the country and contains 56 pages of color images of landscape and

The Six-Day War of 1899 Patrick H. Hase,2008-01-01 In 1899 a year after the Convention of Peking leased the New Territories to Britain the British moved to establish control This triggered resistance by the some of the population of the New Territories There ensued six days of fighting with heavy Chinese casualties This truly forgotten war has been thoroughly researched for the first time and recounted in lively style by Patrick Hase an expert on the people and history of the New Territories

Religious Zionism and the Six Day War Avi Sagi,Dov Schwartz,2018-12-12 This book offers a new insight into the political social and religious conduct of religious Zionism whose consequences are evident in Israeli society today Before the Six Day War religious Zionism had limited its concern to the protection of specific religious interests with its representatives having little share in the determination of Israel s national agenda Fifty years after it religious Zionism has turned into one of Israeli society s dominant elements The presence of this group in all aspects of Israel s life and its members determination to set Israel s social cultural and international agenda is indisputable Delving into this dramatic transformation the book depicts the Six Day War as a constitutive event that indelibly changed the political and religious consciousness of religious Zionists The perception of real history that had guided this movement from its dawn was replaced by a sacred history approach that became an actual program of political activity As part of a process that has unfolded over the last thirty years the body and sexuality have also become a central concern in the movement s practice reflection and discourse The how and why of this shift in religious Zionism from passivity and a consciousness of marginality to the front lines of public life is this book s central concern The book will be of interest to readers and scholars concerned with changing dynamic societies and with the study of religion and particularly with the relationship between religion and politics

The Six-Day War and Israeli Self-Defense John Quigley,2013 The war of June 1967 between Israel and Arab states was widely perceived as being forced on Israel to prevent the annihilation of its people by Arab armies hovering on its borders Documents now declassified by key governments question this view The UK USSR France and the USA all knew that the Arab states were not in attack mode and tried to dissuade Israel from attacking In later years this war was held up as a precedent allowing an attack on a state that is expected to attack It has even been used to justify a pre emptive assault on a state expected to attack well in the future Given the lack of evidence that it was waged by Israel in anticipation of an attack by Arab states the 1967 war can no longer serve as such a precedent This book seeks to provide a corrective on the June 1967 war

Israel's wars and military engagements but he also incorporates fascinating assessments of many other issues including Israel's economic development the nature of the PLO and Palestinian Authority and Israeli settlements in the West Bank and Gaza Furthermore Stein explores broader social issues such as extremist Jewish movements and the varying fortunes of migrants from Russia and Ethiopia to convey clearly a sense of the diversity and complexity of modern Israel Wide ranging and judicious Stein's cogent and compellingly readable account of Israel's recent past will engage students and general readers alike Bulletin of the United States Bureau of Labor Statistics, 1913 **Arab Politics, Palestinian Nationalism and the Six Day War** Moshe Shemesh, 2007-11-25 The Six Day War was the climax in the deterioration of the Arab Israeli conflict This study deals with such issues as the relevance of the Filastin problem as key to understanding the descent to war the pivotal Syrian water struggle as a key motivating factor and the Hashemite regime's response to Palestinians heightened national awakening
