Sixth Ezra:

Sixth Ezra Theodore A. Bergren, 1998 6 Ezra is a short oracular writing that is included in the biblical Apocrypha as the final two chapters 15 16 of Ezra or 2 Esdras Cast as the words of God mediated through an unnamed prophet the main part of the work sets forth predictions of impending doom for the world _ There has never been a major study of 6 Ezra or even a complete critical edition of the book and indeed little has been written about it since the nineteenth century This book is designed to fill that gap offering a detailed analysis of the text itself and addressing the questions of its social setting provenance date religious affiliation and recensional situation of the text It will serve to make this important text accessible to a wider audience while laying the foundations for its further study **Mercer Dictionary of the Bible** Watson E. Mills, Roger Aubrey Bullard, 1990 Jesus Christ in History and Scripture highlights two related bases for the current revolution in Jesus studies 1 a critically chastened world view that is satisfied with provisional results and 2 a creative or poetic use of the sources of study of Jesus **The Deuterocanonical/Apocryphal Texts** Watson E. Mills, Richard F. Wilson, 2002-02 Volume five of the Mercer Commentary on the Bible comprises commentaries on the deuterocanonical apocryphal books which Martin Luther called useful and good for reading yet did not consider of the same authority as Scripture Volume five of the Mercer Commentary on the Bible includes commentaries from the critically acclaimed Mercer Commentary on the Bible and appropriate articles from the equally well received Mercer Dictionary of the Bible This convenient yet thorough edition is for the classroom and for anyone who wishes to focus study on these particular texts **Dreams, Visions, Imaginations** Jens Schröter, Tobias Nicklas, Armand Puig i Tàrrach, 2021-02-08 The contributions in this volume are focused on the historical origins religious provenance and social function of ancient Jewish and Christian apocalyptic literature including so called Gnostic writings Although it is disputed whether there was a genre of apocalyptic literature it is obvious that numerous texts from ancient Judaism early Christianity and other religious milieus share a specific view of history and the world to come Many of these writings are presented in form of a heavenly divine revelation mediated through an otherworldly figure like an angel to an elected human being who discloses this revelation to his recipients in written form In different strands of early Judaism ancient Christianity as well as in Gnosticism Manichaeism and Islam apocalyptic writings played an important role from early on and were produced also in later centuries One of the most characteristic features of these texts is their specific interpretation of history based on the knowledge about the upper divine realm and the world to come Against this background the volume deals with a wide range of apocalyptic texts from different periods and various religious backgrounds **Old Testament Pseudepigrapha** Richard Bauckham, James Davila, Alex Panayotov, 2013-11-18 This collection presents the sacred legends and spiritual reflections of numerous works that were lost neglected or suppressed for many centuries **Old Testament Pseudepigrapha, vol. 1** Richard Bauckham, James R. Davila, Alex Panayotov, 2013-11-21 This work stands among the most important publications in biblical studies over the past twenty five

years Richard Bauckham James Davila and Alexander Panayotov's new two volume collection of Old Testament pseudepigrapha contains many previously unpublished and newly translated texts complementing James Charlesworth's Old Testament Pseudepigrapha and other earlier collections Including virtually all known surviving pseudepigrapha written before the rise of Islam this volume among other things presents the sacred legends and spiritual reflections of numerous long dead authors whose works were lost neglected or suppressed for many centuries Excellent English translations along with authoritative yet accessible introductions bring those ancient documents to life for readers today *Pseudepigrapha of the Old Testament as Part of Christian Literature* Marinus de Jonge, 2021-08-04 The primary witnesses of the writings called Pseudepigrapha of the Old Testament are in great majority of Christian provenance It has been customary for scholars to look for an originally Jewish form of the documents reflecting Jewish life and thought in the period between 200 BCE and 100 CE In this volume M de Jonge argues that these writings should first of all be studied as documents relevant for Christians This volume incorporates essays written earlier by the author as well as a number of new chapters The first part deals with general questions concerning the transmission of the pseudepigrapha of the Old Testament whereas the second part has a particular focus on the Testaments of the Twelve Patriarchs and the Greek Life of Adam and Eve **Introduction to the Apocrypha** Lawrence M. Wills, 2021-06-22 An ambitious introduction to the Apocrypha that encourages readers to reimagine what canon really means Challenging the way Christian and non Christian readers think about the Apocrypha this is an ambitious introduction to the deuterocanonical texts of the Christian Old Testaments Lawrence Wills introduces these texts in their original Jewish environment while addressing the very different roles they had in various Christian canons Though often relegated to a lesser role a sort of Bible Lite these texts deserve renewed attention and this book shows how they hold more interest for both ancient and contemporary communities than previously thought **The Oxford Handbook of Textual Criticism of the Bible** Sidnie White Crawford, Tommy Wasserman, 2025-11-12 This handbook provides an overview of the disciplines of textual criticism of the Hebrew Bible and the New Testament as practiced in the twenty first century The first part deals with overarching issues like the formation of the Jewish and Christian canons philosophical presuppositions in the methods and goals of textual criticism the complex relationship between literary criticism and textual criticism and how the related fields of Book History New Material Philology and paratextual criticism both pose challenges and enrich traditional biblical textual criticism The second part is concerned with the textual criticism of the books of the Hebrew Bible a field which has undergone a paradigm shift in the seventy five years since the discovery of the Judean Desert scrolls The chapters concern the history of textual criticism the bodies of textual evidence and their importance for the text critical task the three critical edition projects now underway and the explosion of digital tools in the twenty first century This part also includes chapters on the Deuterocanon and Septuagint textual criticism The final part concerns the textual criticism of the New Testament and provides chapters concerned with the history of the discipline the Greek manuscripts and the indirect

evidence of the text in early versions and citations as well as past and current methods for evaluating this evidence including the Coherence Based Genealogical Method CBGM which is used to produce the Editio Critica Maior and Nestle Aland UBS editions Notably this handbook features two chapters devoted to the teaching of textual criticism of the Hebrew Bible and New Testament Exploring the Scriptures Robert A. Kraft, 2009 These essays span about a third of a century and include both previously published and some unpublished studies by Robert A Kraft which focus on interfaces between Jewish materials and the worlds in which they were transmitted and or perceived especially Christian contexts The initial section on general context and methodology is followed by several detailed studies by way of example The final section touches on some related issues involving Philonic and other texts The primary concern is with scripturesque materials and traditions whether they later became canonical or not that seem to have been respected as scriptural by some individuals or communities in the period prior to or apart from the development of an exclusivistic canonical consciousness in some Jewish and Christian circles NLT Thinline Center-Column Reference Bible, Filament-Enabled Edition (Leatherlike, Rustic Brown, Indexed, Red Letter) Tyndale, 2023-11-07 The text Bible reimagined The new NLT Thinline Center Column Reference Bible Filament Enabled Edition features readable text an attractive layout and center column cross references in a thin easy to carry size It also features the Tyndale Hebrew and Greek word study system providing helpful insights into the meaning of the original languages as well as book introductions and a concordance Part study Bible part devotional the NLT Thinline Center Column Reference Bible Filament Enabled Edition features a timeless and classic design and the clear and accurate New Living Translation NLT It also features the innovative Filament Bible app which enables you to use your mobile phone or tablet to connect every page to a vast array of related content including study notes devotionals interactive maps informative videos and worship music Special features of this NLT Bible include Filament Bible app Words of Jesus in red Thousands of cross references Quality lay flat Smyth sewn binding Tyndale Verse Finder Center column references Greek and Hebrew word study system Book introductions Concordance A Visual Overview of the Bible Enhance Your Bible Studying through the Free Filament App This app enables you to use your mobile phone or tablet to connect every page to a vast array of related content including 25 000 study notes 350 videos 40 maps and infographics 400 profiles and articles 1 500 devotionals Library of worship music The Filament Bible app turns this Bible into a powerful study and devotional experience offering more to expand your mind and touch your heart than you can possibly hold in your hand And there is no additional cost for the Filament Bible app No additional purchase No additional size or weight Of course you can use this Bible without the app but when you want to dig deeper grab your phone or tablet and open the Filament Bible app It s so easy to use The New Living Translation is a clear and accurate English translation of the Bible It s easy to understand and it conveys the precise meaning of the original languages in a flowing effortless writing style that promotes comfortable and meaningful reading NLT Large Print Thinline Center-Column Reference Bible, Filament Enabled (Leatherlike, Black Holy Windows, Red Letter)

Land Court, 1909 The Fear of God in 2 Corinthians 7:1 Euichang Kim, 2019-02-21 Euichang Kim focuses upon the phrase the fear of God drawn from 2 Corinthians exhortation to reconcile with God As opposed to these words appearing from no particular source Kim points to the wider contexts of Old Testament passages quoted by Paul and demonstrates that God's eschatological promises in particular his coming judgment his promise to redeem his people and the prospect of a new covenant are intertwined with this motif of fear Beginning with an analysis of the meaning of fear in both the Old Testament and the New Kim proceeds to the context of fear within 2 Corinthians Scripture the writings of Second Temple Judaism and the very eschatology of Paul suggesting that it stems from an awareness of God's judgment to come and serves to motivate righteous behavior Kim finally argues that in the context of 2 Corinthians the fear of God functions as the proper response to God's saving acts in Christ and provides motivation for believers to pursue a holy life in anticipation of the eschatological judgment to come The Oxford Encyclopedia of the Books of the Bible Michael D.
