Patricia Hamill on Goodreads The fight scenes are well described with great details this is definitely R L Kiser s strength No reader would complain that he or she couldn t imagine the scenes vividly Nonetheless there are times when things are a little too convenient in the plot department Character development is solid although not the strongest compared to some of Kiser s books that I ve read before Yet it s all justifiable as it s such a wild adventure Overall it is a book that would satisfy fantasy and adventure fans alike it s action packed and a fast read That said The Prophecy of Tara is strictly for mature adults due to some parts of the story that are not suited for younger readers Lit Amri for Readers Favorite
