Sipping Saints:

Sipping Saints David Wilkerson, 196? **The Christian Experience** Jeff Coulter, Suzanne Coulter, 2022-01-22 The Christian Experience answers some of the questions most people ask about what it means to be a Christian What do I have to do Where do I start What should I expect Why should I go to church Can I trust people in church Why is there so much suffering in the world There are two camps that will be discussed in this book while discussing Christianity The Milk and the Meat of the Word If you aren't familiar with the expression The Milk it represents new or baby Christians who are just starting out in their relationship with Christ and need to feed on The Milk of the Bible The Meat represents the mature Christians who are established in their relationship with Christ and feed on The Meat of the Bible which is its deeper meaning The walk with Christ can be confusing for new Christians and mature Christians can become complacent or even misguided Our goal in writing The Christian Experience is to discuss the different aspects of Christianity and for the reader to come away with a more in depth understanding of the subject matter It is not intended to offend anyone or represent the absolute authority of what we as the authors believe is the only and absolute path to Christianity On that note if you are offended by a topic in this book then it is probably speaking to your heart Take a knee and examine your walk with Christ All aspects of The Christian Experience are biblically based and meant to encourage new Christians and at the same time edify mature Christians Though this book cannot possibly cover everything it will help you focus on a few rudimentary and a few in depth topics and hopefully give you a more insightful perspective to help with your personal walk of faith in Christ As with all aspects of the Bible and our walk with Christ we should follow Paul's word to Timothy Study to shew thyself approved unto God a workman that needeth not to be ashamed rightly dividing the word of truth II Timothy 2:15 KJV [A Variety of Verses](#) Vermell Reddick, 2007-11 Her mother and brother were unsaved mentally ill and violent Her brother was a molester This is the story of how the Lord Jesus answered her prayers and protected her despite sins she committed along the way The Lord was always there ready and able to forgive her and to pick her up **The Scale of the Almighty** Dr. D. K. Olukoya, 2016-05-30 The Scale of the Almighty contains a timeless prophetic message for this generation The book affords you the opportunity to receive fresh revelations from the throne of God Powerfully written clearly illustrated and offered in a reasonable format this insightful book will leave positive indelible marks on your heart The life changing prayer points and the thought provoking nuggets will make this book something to treasure by all cadres of believers It offers an opportunity to get on the scale of the Almighty and discover where you are with God spiritually [Saved and Single](#) Sheila Copeland, 2011-04-01 In a sizzling tale of secrets faith and love a group of L.A. friends learn the true meaning of being single saved and scandalous Tiffany is used to planning Los Angeles biggest glitziest weddings but her own love life is pretty nonexistent A God fearing thirty two year old virgin Tiffany is committed to finding just the right husband to share her life with She's had her eye on Myles her church's sexiest most sought after bachelor But Myles's obsession with the superficial

proves problematic You can learn to love the Lord but you can't learn to be fine When flyers for a new Christian singles website are handed out after a wedding Shay Tiffany's younger sister secretly posts Tiffany's profile online Before long Shay is using the website to also get dates for herself even though she has a boyfriend and two small children at home Deborah Tiffany's best friend also gets in on the online action She is successful beautiful and prides herself on her high Bible centered standards But when Deborah meets Mr Saved Rich and Perfect online she's not ready for his whirlwind of passion expensive gifts and a diamond cluster worth of lies Now as hopes rise and fall illusions shatter and their personal lives are forever changed can these three dazzling women hold on to their bond their values and their dreams Copeland's highly charged page turner will leave readers begging for more Romantic Times on Diamond Revelation **Through the Gate and Running**

Straight Steven Smith, 2015-04-07 Author Steven Smith presents a candid picture of life as a race that sometimes leaves us tired and weary But we do have the option of running a different race a race that is not about beating the competition or finishing first Its about making sure we are heading in the right direction The book gives hope that we don't have to get swallowed up in the mad dash that leads to nowhere By developing a relationship with God we can embark on the journey of a lifetime one that is both satisfying and challenging We are reminded of the timeless truth that a race that is never begun can never be finished And a race that is never finished can never be won **The Use of Time** Zacharias Tanee

Fomum, 2015-05-17 This book can change an entire community It's both a revolting and revolutionary message Z T Fomum the author defines time as one of the most precious gifts that God has given to man Since time is a gift from the Lord the author is convinced that its correct use cannot be separated from a deep knowledge of God and His will Decent use of time requires careful planning through the development of a timetable that devotes the best hours to the priority things of life in accordance with the revelation of God and the work that the Lord entrusts to us By an analytical demonstration with estimated figures the author convinces us of the dangers which the loss of time involves even in the smallest proportions both in time and in eternity In this book you will find some accounts of the use of time of the author and others **The**

Brother Swaggart, Here Is My Question Jimmy Swaggart,2020-03-18 Over a period of time many many questions

concerning the Bible come into our office We take each one of them seriously In developing this book as it regards questions and answers we have done our best to answer those questions most often asked We have gone into some detail which hopefully will provide the answers desired and all according to the Word of God Of course our selections most definitely have not covered all that we would like to address Perhaps in the near future a second volume will be necessary Prayerfully the answers given will open up the Word of God as it regards the subject matter at hand Here are samples of some of the questions Who is Satan and where do demon spirits come from What is Blaspheming the Holy Spirit What is the difference between The Great White Throne Judgment and The Judgment Seat of Christ What should be the Christian s position in respect to alcohol Are homosexuals born that way Heart of a Pastor Happy Caldwell,2015-03-10 Do you feel a call from God to be a pastor Do you have a desire to lead and serve others The office and calling of a pastor is the most demanding of the five fold ministry gifts but it can also be the most rewarding You should never choose to be a pastor but instead wait upon the Lord to confirm to your heart that He has called you to serve *Catalog of Copyright Entries, Fourth Series* Library of Congress. Copyright Office,1978-10 **David Wilkerson** Gary Wilkerson,R. S. B. Sawyer,2014-09-02 How did one man s unshakable faith shape the future of thousands struggling to break free from the grip of addiction poverty and sin Join Gary Wilkerson as he shares a never before seen look at the incredible life and legacy of his father bestselling author and evangelist David Wilkerson This book tells the story of David Wilkerson a man who refused to give up on those on the streets even when they had given up on themselves and who saw in the eyes of drug addicts and gang members what others failed to see the unconditional love of Jesus Christ But who was David Wilkerson When Wilkerson moved to New York from rural Pennsylvania in 1958 to confront the gangs who ran the streets he was a skinny 120 pound man After the initial publicity that brought him face to face with some of the most dangerous young men in the city he largely flew under the radar of the media using the Word of God and a bit of tough love to help men and women of the street escape the destructive spiral of drugs and violence Wilkerson was always the real deal full of passion and conviction not interested in what others said was the right thing to do An evangelist both in America and overseas David authored books that inspired people to be serious about their relationship with Christ His financial generosity reached around the globe providing homes for the destitute and feeding programs for the hungry When he founded the Times Square Church in 1987 his ministry impacted more lives than he ever dreamed possible Throughout David Wilkerson you ll be inspired by The life changing power of faith What it means to trust God wholeheartedly The importance of following your true God given calling David was a man of faith who trusted God would give him what he needed to enter a cruel world a man of conviction who took the dream God gave him and marched forward without ever looking back As you come to know David s story you ll learn to see the world the way he did through the lens of eternity **Finding the Will of God** Bruce K. Waltke,2016-02-04 New edition of a popular biblically based guidebook exploring God s will Does the Bible teach Christians to find God s special will for their lives No it does not says respected

biblical scholar Bruce Waltke contrary to much popular evangelical teaching In this acclaimed book Waltke clearly distinguishes between pagan divination guessmancy and solid Bible based guidance as he distills from Scripture a six point program to help guide Jesus followers on their life journey This expanded and extensively rewritten second edition of Waltke's Finding the Will of God incorporates the best insights from many other books on guidance that have appeared since the first edition came out 2002 and it includes an entirely new chapter on learning to protect one's heart This edition also features thoughtful questions for reflection at the end of each chapter
