Norman L. Geisler, J. Yutaka Amano

Sir Tristan Of All Time:

Sir Tristan of All Time Sabra Holbrook, 1970 Traces the origins and history of the legend of Tristan and Iseult examines its many variations and discusses its appearance in and influence on modern opera and poetry Legends of Arthur, 2001 The image of Arthur has haunted the poets and writers of western Europe for nearly nine centuries and there is no sign of an end to the reign of the once and future king in the world of literature The Arthurian epic is as popular a subject now as it was when it was first fashioned and the stories about Arthur and the heroes associated with him come in a bewildering number of guises The sheer variety of the legends both in style and content is extraordinary and this collection attempts to present in a small space something of this diversity Sir Thomas Malory half a millennium ago plundered a whole range of sources to create his masterpiece *Le Morte Darthur* but he did so to weld them together within the framework of Arthur's own career *Legends of Arthur* draws on different sources but emphasizes the way in which writers have created new stories around the great heroes or have told the stories in different ways So there are two versions of each hero's exploits Arthur is shown as emperor and warlord and as the triumphant and tragic king of the romances betrayed by Lancelot and Guinevere Gawain is the central figure of the wonderful adventures of a Dutch romance and the courtly and subtle hero of the English masterpiece *Sir Gawain and the Green Knight* Tristan appears as the single minded lover of Iseult in the original version of his story and then as a knight of the Round Table whose devotion to chivalry is almost as great as his passion for his beloved In these differing versions we can see how the Arthurian romances held the medieval world spellbound for so long in all their color and variety *The Reincarnation Sensation* Norman L. Geisler, J. Yutaka Amano, 2004-06-21 One in every four Americans believes in reincarnation according to a recent Gallup poll Why does our society have such a growing preoccupation with death and past life experiences Authors Norman L Geisler and J Yutaka Amano conclude that among the reasons for the popularity and influence of reincarnation philosophy are the rapid rise of the New Age Movement and society's fascination with Eastern thought They examine cases of spontaneous past life recall and point out alternative explanations for these phenomena Ultimately *The Reincarnation Sensation* shows that the doctrine of reincarnation is contrary to the Bible's teaching about eternal life and incompatible with the Christian faith Beyond the Amaranthine Veil J. A. Bullen, 2017-09-12 Tristan served nearly two decades as a Templar slayer of monsters mages and men A man whom sacrificed everything for the sake of his loved ones and the innocent Abruptly walking away meant leaving that life far behind him along with many responsibilities and enemies Now far removed from the life of a Templar Tristan defends his home by order of his king His latest assignment is a politically contested marriage to one high ranking noblewoman from a rivaling kingdom The mission Kirin Talmarian is every man's dream but can Tristan keep her safe Demons from his past career soon find root in his present dragging Tristan and Kirin into a political conflict which breaks the borders of kingdoms and realms Tristan must fight for their lives against the overwhelming threat of monsters rogue sorcerers and above all else the corruption of men *Italian*
