Six and a Third Acres Fakir Mohan Senapati, 2021 *Six and a third Acres* was the first modern Odia novel and has remained at the heart of Odia literary excellence ever since It was published as *Chha Mana atha guntha* in the literary monthly *Utkal Sahitya* between 1897-99 Over a century after it was first published this sombre tale continues to attract readers because of Fakir Mohan Senapati's innovative technique indelible characters wit imagination and tremendous insights into the rural milieu The novel is about village politics caste oppression malpractices and land grabbing under the zamindari system in colonial Odisha Ramchandra mangaraj a sly zamindar of the village of Govindpur is notorious for taking over the lands of poor peasants and farmers This time his avaricious gaze falls on a small patch of land six and a third acres belonging to a humble god-fearing weaver couple Unable to fight the zamindari devious schemes the couple succumbs to the harsher realities of caste-ridden village life
