Six Guns and Society Will Wright,1975

SIX GUN DEVIL DR. PAUL CRAWFORD,2025-08-01 The desert wind carried more than dust It carried whispers Whispers of a man who rode with death at his side and judgment at his heels They called him the Six Gun Devil a name spoken with fear in saloons muttered in dread by mothers to their children and cursed by men who hoped never to see him draw He was faster than the rattlesnakes that slithered under the mesas colder than the steel of his revolvers and more ruthless than the desert sun To many he was nothing but an outlaw a killer destined for the gallows or hell itself To others he was a dark legend a man whose bullets carried the weight of final judgment But behind the shadow of the Devil s name was a man A man haunted by blood on his hands pursued not only by sheriffs and bounty hunters but by something deeper his own soul s damnation He had stared into the abyss of his own choices and the abyss had stared back This is not just the tale of a gunslinger It is the story of a war for one man s soul the tug of war between heaven and hell played out in dusty streets burning churches and lonely deserts It is the story of how even the hardest heart can hear the faint whisper of grace For out here in the badlands where law and mercy collide where men carry both a Bible and a six shooter the line between saint and sinner is drawn in blood and faith This is the story of the Six Gun Devil A story not of how a man died but of how a man was reborn
