You're Only Young Twice Timothy Morris, 2000 Original and thought provoking *You're Only Young Twice* reveals the complexities that underlie even the sparest picture book text and the lessons that reside in even the most familiar family movie plots Moving from classic texts *The Secret Garden* *Goodnight Moon* to ephemera the Hardy Boys Goosebumps and Harry Potter series from the printed page to the silver screen Willie Wonka Jumanji 101 Dalmatians Beethoven Tim Morris employs his experience as a parent and teacher to interrogate children's culture and reveal its conflicting messages Books and films for children favorites accepted as wholesome fare for impressionable young minds do not always teach straightforward lessons Instead they reflect the anxieties of the times and the desires of adults At the heart of many a children's classic lies power often expressed through racism sexism or violence Under Morris's gaze revered animal stories like *Black Beauty* turn into litanies of abuse fantasies of childhood like *Big* are revealed as patriarchal struggles *You're Only Young Twice* redirects the focus on children's literature asking not What messages should children receive but What

messages do adults actually send For example Morris recounts his own childhood confusion upon viewing Peter Pan with its queenish inept pirate and a grown woman Mary Martin in tights who pretends to be a crowing boy Morris shatters our long held assumptions and challenges our best intentions demonstrating how children s literature and films lay bare a troubled and troubling worldview

The Little Book of Big Ethical Questions Susan Liautaud,2022-04-05 Perfect for your next dinner party discussion The Little Book of Big Ethical Questions presents some of today s most thought provoking ethical questions in a welcoming easy to discuss Q A format with guidance from a renowned ethicist Often a single question can spark a

meaningful exchange like Would you apply for a job you know your friend is applying for Or Should voting be mandatory Or what about police using facial recognition technology Questions like these spur us to consider What would I have done Is there one correct answer And ultimately How can ethics help us navigate these situations to find the best outcome for ourselves and others An ethicist who advises leaders and organizations worldwide Susan Liautaud asks intriguing questions that encourage lively discussion across a range of subjects from family and friends to health and technology to politics work and consumer choices She then walks through the ways you might approach each situation to find the best answer for you Grab the book gather a few friends and dive in **Mythical Inspirations for Organizational Realities** M.

Kostera,2008-06-25 The third volume in a series of three focuses on myth in everyday organizational life The mythical narratives presented in this volume serve as metaphors of an organizational issue that can take inspiration from or be better understood through the myth to reveal an archetypal dimension of organizing and organizations **Newbery and**

Caldecott Medalists and Honor Book Winners Muriel Brown,Rita Schoch Foudray,James W. Roginski,1992 This is an enlarged version of the 1982 edition updated to include the 1991 recipients It offers the same inclusive listing of Newbery and Caldecott Medal and Honor Books library collections with significant holdings and background readings on each of the 325 award winning authors and illustrators The volume is organised by author illustrator and identifies the first appearance of each title It also includes separate listings of Newbery Medal and Honor Books Caldecott Medal and Honor Books collections a background reading bibliography and an author illustrator title index It has a companion volume Newberry and Caldecott Medal and Honor Books in Other Media and the two books are also available as a set at a price of u72 00 **The Comics Journal** ,1991 **Translating, Interpreting, and Decolonizing Chinese Fairy Tales** Juwen Zhang,2024-10-15

Through meticulous textual and contextual analysis of the sixteenth century Chinese tale The Seven Brothers and its fifteen contemporary variants Juwen Zhang unveils the ways in which the translation and illustration of folk and fairy tales can perpetuate racist stereotypes By critically examining the conscious and unconscious ideological biases harbored by translators adapters and illustrators the author calls for a paradigm shift in translation practices grounded in decolonization and anti racism to ensure respectful and inclusive representation of diverse cultures Translating Interpreting and Decolonizing Chinese Fairy Tales not only offers insights for translators researchers and educators seeking to leverage folktales and picture books for effective children s education and entertainment but also challenges our preconceived notions of translated and adapted folk and fairy tales Dr. Seuss's Seriously Silly Stories Dr. Seuss,2009-10-30 Six of Dr Seuss classic tales in a gift box set That Book Is Dangerous! Adam Szetela,2025-08-12 An alarming expos of the new challenges to literary freedom in the age of social media when anyone with an identity and an internet connection can be a censor In That Book Is Dangerous Adam Szetela investigates how well intentioned and often successful efforts to diversify American literature have also produced serious problems for literary freedom Although progressives are correct to be focused on right

wing attempts at legislative censorship Szetela argues for attention to the ways that left wing censorship controls speech within the publishing industry itself The author draws on interviews with presidents and vice presidents at the Big Five publishers literary agents at the most prestigious agencies award winning authors editors marketers sensitivity readers and other industry professionals to examine the new publishing landscape What he finds is unsettling mandatory sensitivity reads morality clauses in author contracts even censorship of dangerous books in the name of antiracism feminism and other forms of social justice These changes to acquisition practices editing policies and other aspects of literary culture are a direct outgrowth of the culture of public outcries on X Goodreads Change org and other online platforms where users accuse authors justifiably or not of racism sexism homophobia and other transgressions But rather than genuinely address the economic inequities of literary production this current moral crusade over literature serves only to entrench the status quo While the right is remaking the world in its image he writes the left is standing in a circular firing squad Compellingly argued and incisively written the book is a much needed wake up call for anyone who cares about reading writing and the publication of books as well as the generations of young readers we are raising *Twenty Gallons of Milk* Joan Hibbard Hersberger, 2013-10 Snatching up freshly baked loaves of bread on the side of the road heaping twenty gallons of milk into a grocery cart conversations in the car bribing a kid with ice cream to learn his math facts or finding some way to inconvenience a child to capture their attention Joan Hersberger records the typical and unusual moments of life and her response to life as it happens **Time** Briton Hadden, Henry Robinson Luce, 1942 **Dr. Seuss** Philip Nel, 2005-01-01 Philip Nel takes a fascinating look into the key aspects of Seuss's career his poetry politics art marketing and place in the popular imagination Nel argues convincingly that Dr Seuss is one of the most influential poets in America His nonsense verse like that of Lewis Carroll and Edward Lear has changed language itself giving us new words like nerd And Seuss's famously loopy artistic style what Nel terms an energetic cartoon surrealism has been equally important inspiring artists like filmmaker Tim Burton and illustrator Lane Smith from back cover *Men & Masculinities* Michael S. Kimmel, Amy B. Aronson, 2003-12-11 The first encyclopedia to analyze summarize and explain the complexities of men's lives and the idea of modern manhood The process of making masculinity visible has been going on for over two decades and has produced a prodigious and interesting body of work But until now the subject has had no authoritative reference source *Men & Masculinities* a pioneering two volume work corrects the oversight by summarizing the latest historical biological cross cultural psychological and sociological research on the subject It also looks at literature art and music from a gender perspective The contributors are experts in their specialties and their work is directed organized and coedited by one of the premier scholars in the field Michael Kimmel The coverage brings together for the first time considerable knowledge of men and manhood focusing on such areas as sexual violence intimacy pornography homophobia sports profeminist men rituals sexism and many other important subjects Clearly this unique reference is a valuable guide to students teachers writers

policymakers journalists and others who seek a fuller understanding of gender in the United States Stolen Youth Bethany Mandel, Karol Markowicz, 2023-03-05 The kids are not alright The Left is waging an all out battle on the American family particularly the youngest members If they can make our children miserable lead them to question every building block of society and rebuild their entire concept of reality then the Left and their woke indoctrinators will consider that a victory But we can't let them win As concerned parents and American citizens we have to understand what truly going on before we can do something about it Stolen Youth provides an urgent deep dive into issues surrounding the current woke indoctrination happening in politics education medicine mental health entertainment and culture These issues may seem subtle insidious and hard to make sense of but armed with the information provided in this book we now have a framework from which to fight While we may simply be trying to parent our children well and create a healthy and happy home environment this is no longer enough We must now go on the offense to protect our kids and this book sheds a bright light on the reason why We can no longer afford to stay ignorant Our children's lives and the survival of our families are at stake A win is a family who is free Stolen Youth outlines how to fight for our children's freedom and win **The New York Times Book Review** ,1994-04 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback
