

SIXTY YEARS OF BRITISH MUSIC HALL

BY
John M. Garrett

Sixty Years Of British Music Hall

Ellen Ross

Sixty Years Of British Music Hall:

British Music Hall Richard Anthony Baker, 2014-05-31 The music hall had no place for reticence it was downright it shouted it made noise it enjoyed itself and made the people enjoy themselves as well W J MACQUEEN POPE Music Hall lies at the root of all modern popular entertainment With stars such as Marie Lloyd Harry Lauder and Dan Leno it reached its glorious brassy height between 1890 and the First World War In the first book on this subject for many years Richard Anthony Baker whisks us off on a colourful and nostalgic tour of the rise and fall of British music hall At the beginning of the nineteenth century people sang traditional songs in taverns for entertainment This was so popular that rooms started to be added to inns for shows to be staged and before long songs were being specially composed and purpose built theatres were springing up everywhere Britain's working class had for the first time its own form of public entertainment and its own breed of stars The colour and vitality attracted serious writers and artists as well as the future Edward VII and music hall became simultaneously the haunt of the working classes and the avant garde Including stories of a clergyman who wrote music hall sketches a hall in Glasgow where luckless entertainers were pulled off stage by a long hooked pole and Cockney dictionaries that helped Americans understand touring British performers this book is a hugely engaging slice of social history rich in humour tragedy and bathos As featured on BBC Radio Lincolnshire and in the Sunderland Echo Chaplin's "Limelight" and the Music Hall Tradition Frank Scheide, Hooman Mehran, Dan Kamin, 2006-10-12 Charles Spencer Chaplin was a stage performer before he was a filmmaker and it was in English music hall that he learned the rudiments of his art The last film he made in the United States Limelight was a tribute to the music hall days of his youth As a parallel to Chaplin's past the film was set in 1914 the year he left the stage for a Hollywood career This collection of essays examines Limelight and the history of English music hall Featuring contributions from the world's top Chaplin and music hall historians as well as previously unpublished interviews with collaborators who worked on Limelight the book offers new insight into one of Chaplin's most important pictures and the British form of entertainment that inspired it Essays consider how and why Chaplin made Limelight other artists who came out of English music hall and the film's international appeal among other topics The book is filled with rare photographs many published for the first time sourced from the Chaplin archives and the private collections of other performers and co stars *Music Hall Mimesis in British Film, 1895-1960* Paul Matthew St. Pierre, 2009 In *Music Hall Mimesis in British Film 1895-1960* Dr St Pierre examines strategies of representing British music hall performance 1854-1919 and the performance of the body in British cinema in the silent era 1895-1927 and the sound era 1927-60 The focus is on films of Fred and Joe Evans Frank Randle Will Hay George Formby Arthur Lucan and Kitty McShane Cicely Courtneidge Jessie Matthews Norman Evans Max Miller Stanley Holloway Jack Warner Gracie Fields and Charles Chaplin Consideration is given to themes such as war propaganda and gender impersonation *Sounds of the Metropolis* Derek B. Scott, 2008-07-31 The phrase popular music revolution may instantly bring to mind such twentieth century musical movements as jazz and rock

n roll In Sounds of the Metropolis however Derek Scott argues that the first popular music revolution actually occurred in the nineteenth century illustrating how a distinct group of popular styles first began to assert their independence and values He explains the popular music revolution as driven by social changes and the incorporation of music into a system of capitalist enterprise which ultimately resulted in a polarization between musical entertainment or commercial music and serious art He focuses on the key genres and styles that precipitated musical change at that time and that continued to have an impact upon popular music in the next century By the end of the nineteenth century popular music could no longer be viewed as watered down or more easily assimilated art music it had its own characteristic techniques forms and devices As Scott shows popular refers here for the first time not only to the music s reception but also to the presence of these specific features of style The shift in meaning of popular provided critics with tools to condemn music that bore the signs of the popular which they regarded as fashionable and facile rather than progressive and serious A fresh and persuasive consideration of the genesis of popular music on its own terms Sounds of the Metropolis breaks new ground in the study of music cultural sociology and history

Sixty Years of British Music Hall John M. Garrett,1976 **Sixty Years of British Music Hall** John M. Garrett,1976 These songs have been carefully selected from the vast collection of music hall songs held by Chappell after the acquisition in 1969 of the Ascherberg Hopwood and crew catalogue **Love and Toil : Motherhood in Outcast London, 1870-1918** Ellen Ross Professor of Women's Studies Ramapo College,1993-10-19 The history of the British working class has until recently been written with a focus on the workplace or on such male organizations as clubs unions or national political parties This study of mothers in London before World War I stresses the distinctiveness of their experiences from those of other classes and of the post World War I period and demonstrates the ways in which mothers and their domestic choices were essential to the survival and cultural perpetuation of the working classes **An Illustrated History of British Theatre and Performance** Robert Leach,2018-12-21 An Illustrated History of British Theatre and Performance chronicles the history and development of theatre from the Roman era to the present day As the most public of arts theatre constantly interacted with changing social political and intellectual movements and ideas and Robert Leach s masterful work restores to the foreground of this evolution the contributions of women gay people and ethnic minorities as well as the theatres of the English regions and of Wales and Scotland Highly illustrated chapters trace the development of theatre through major plays from each period evaluations of playwrights contemporary dramatic theory acting and acting companies dance and music the theatre buildings themselves and the audience while also highlighting enduring features of British theatre from comic gags to the use of props Continuing on from the Enlightenment Volume Two of An Illustrated History of British Theatre and Performance leads its readers from the drama and performances of the Industrial Revolution to the latest digital theatre Moving from Punch and Judy castle spectres and penny showmen to Modernism and Postdramatic Theatre Leach s second volume triumphantly completes a collated account of all the British Theatre History knowledge anyone could ever need

Shakespeare and Sexuality in the Comedy of Morecambe & Wise Stephen Hamrick, 2020-02-18 Contextualizing the duo's work within British comedy Shakespeare criticism the history of sexuality and their own historical moment this book offers the first sustained analysis of the 20th Century's most successful double act Over the course of a forty four year career 1940-1984 Eric Morecambe and Ernie Wise appropriated snippets of verse scenes and other elements from seventeen of Shakespeare's plays more than one hundred and fifty times Fashioning a kinder more inclusive world they deployed a vast array of elements connected to Shakespeare his life and institutions Rejecting claims that they offer only nostalgic escapism Hamrick analyses their work within contemporary contexts including their engagement with many forms and genres including Variety the heritage industry journalism and more The Boys deploy Shakespeare to work through issues of class sexuality and violence Lesbianism drag gay marriage and a queer aesthetics emerge helping to normalize homosexuality and complicate masculinity in the permissive 1960s

Love and Toil Ellen Ross, 1993-11-25 The feisty warm hearted mum has long figured as a symbol of the working class in Britain yet working class history has emphasized male organizations such as clubs unions or political parties Investigating a different dimension of social history *Love and Toil* focuses on motherhood among the London poor in the late Victorian and Edwardian years and on the cultures communities and ties with husbands and children that women created Mothers skills in managing the family budget earning income and caring for their children were critical in protecting households from the worst hardships of industrial capitalism yet poverty or the threat of it molded intimate relationships and left its imprint on personalities This book is also a case study demonstrating the larger argument that the concept of motherhood is more socially and historically constructed than biologically determined Shaky household economics pressure toward respectability the close proximity of neighbors the precariousness of infant and child life and little chance of better lives for their children shaped the work and emotions of motherhood much more than did the biological experiences of pregnancy birth and lactation This beautifully written book embellished with Cockney slang and music hall songs addresses fascinating questions in the fields of women's studies labor history social policy and family history

Dan Zanes' House Party! Dan Zanes, Claudia Eliaza, 2018-12-11 In *Dan Zanes House Party* the Grammy Award winning children's artist presents a huge collection of folk songs along with inspiration to start your own family band Too often new parents eager to share their love of music with their young children feel their options are limited to cuddly singing dinosaurs and well meaning humans whose understanding of children's music starts with Kumbaya and ends with Puff the Magic Dragon For many sane adults these choices are more abrasive than the most aggro noise rock of their college years Dan Zanes has spent the past 20 years creating a truly compelling body of children's music that music loving parents can also get behind A former 1980s indie rocker Zanes 13 children's albums have gained wide praise for their authentic arrangements and preservation of America's folk traditions In *Dan Zanes House Party* the Grammy Award winning Zanes has curated a rich selection of folk songs that comprise an essential musical cross section of the American experience and its multicultural immigrant

underpinnings The selections include the standard songs we all know and love along with folk classics Each song is accompanied by a brief narrative on its historical context followed by lyrics notation and chords Among the songs you ll learn to play Erie Canal Pay Me My Money Down Titanic Waltzing Matilda The Farmer Is the One Wabash Cannonball Sloop John B Old Joe Clark Skip to My Lou King Kong Kitchie and We Shall Not Be Moved Dan Zanes House Party also includes informational sidebars throughout to give families the basics needed to pick up instruments and learn to more fully enjoy music as a family band And in the back of the book you ll find chord charts for guitar ukele and mandolin More than just a collection of songs Dan Zanes House Party is part music book part history lesson and a work that all families can enjoy together

Historical Dictionary of Popular Music Norman Abjorensen,2017-05-25 This book seeks to trace the rise of popular music identify its key figures and track the origins and development of its multiple genres and styles all the while seeking to establish historical context It is fundamentally a ready reference guide to the broad field of popular music over the past two centuries It has become a truism that popular music so pervasive in the modern world constitutes a soundtrack to our lives a constant though changing presence as we cross thresholds and grow from children to teenagers to adults But it has become more than a soundtrack it has become a narrative Not just an accompaniment to our daily lives but incorporating our lives our sense of identity our lived experiences into it We have become part of the music just as the music has become part of us The Historical Dictionary of Popular Music contains a chronology an introduction an appendix and an extensive bibliography The dictionary section has over 1000 cross referenced entries on major figures across genres definitions of genres technical innovations and surveys of countries and regions This book is an excellent resource for students researchers and anyone wanting to know more about popular music

The Singing Bourgeois Derek B. Scott,2017-07-05 First published in 1989 The Singing Bourgeois challenges the myth that the Victorian parlour song was a clear cut genre Derek Scott reveals the huge diversity of musical forms and styles that influenced the songs performed in middle class homes during the nineteenth century from the assimilation of Celtic and Afro American culture by songwriters to the emergence of forms of sacred song performed in the home The popularity of these domestic songs opened up opportunities to women composers and a chapter of the book is dedicated to the discussion of women songwriters and their work The commercial success of bourgeois song through the sale of sheet music demonstrated how music might be incorporated into a system of capitalist enterprise Scott examines the early amateur music market and its evolution into an increasingly professionalized activity towards the end of the century This new updated edition features an additional chapter which provides a broad survey of music and class in London drawing on sources that have appeared since the book s first publication An overview of recent research is also given in a section of additional notes The new bibliography of nineteenth century British and American popular song is the most comprehensive of its kind and includes information on twentieth century collections of songs relevant periodicals catalogues dictionaries and indexes as well as useful databases and internet sites The book also features

accompanying downloadable resources of songs from the period

Daily Life of Victorian Women Lydia

Murdoch,2013-10-01 Explores the complexities of the lived experiences of Victorian women in the home the workplace and the empire as well as the ideals of womanhood and femininity that developed during the 19th century Contrary to popular misconception many Victorian women performed manual labor for wages directly alongside men had political voice before women s suffrage and otherwise contributed significantly to society outside of the domestic sphere Daily Life of Victorian Women documents the varied realities of the lives of Victorian women provides in depth comparative analysis of the experiences of women from all classes especially the working class and addresses changes in their lives and society over time The book covers key social intellectual and geographical aspects of women s lives with main chapters on gender and ideals of womanhood the state religion home and family the body childhood and youth paid labor and professional work urban life and imperialism

Popular Music

Graham Vulliamy,Edward Lee,2016-04-14 The approach of this book first published in 1982 is multi disciplinary Popular music it is argued is not only a musical but also a social phenomenon the criteria needed to assess it are different from those used in the appreciation of classical music The first section of this guide is devoted to setting out just what those criteria should be A second section puts forward bases for course construction that are detailed and flexible A final section provides a list of further resources

Consuming Fantasies Lise Sanders,2006

In Consuming Fantasies Labor Leisure and the London Shopgirl 1880 1920 Lise Shapiro Sanders examines the cultural significance of the shopgirl both historical figure and fictional heroine from the end of Queen Victoria s reign through the First World War As the author reveals the shopgirl embodied the fantasies associated with a growing consumer culture romantic adventure upward mobility and the acquisition of material goods Reading novels such as George Gissing s The Odd Women and W Somerset Maugham s Of Human Bondage as well as short stories musical comedies and films Sanders argues that the London shopgirl appeared in the midst of controversies over sexual morality and the pleasures and dangers of London itself Sanders explores the shopgirl s centrality to modern conceptions of fantasy desire and everyday life for working women and argues for her as a key figure in cultural and social histories of the period This study will appeal to scholars students and enthusiasts of Victorian and Edwardian life and literature

BOOK JACKET A National Joke Andy Medhurst,2007-09-18

Comedy is crucial to how the English see themselves This book considers that proposition through a series of case studies of popular English comedies and comedians in the twentieth century ranging from the Carry On films to the work of Mike Leigh and contemporary sitcoms such as The Royle Family and from George Formby to Alan Bennett and Roy Chubby Brown Relating comic traditions to questions of class gender sexuality and geography A National Joke looks at how comedy is a cultural thermometer taking the temperature of its times It asks why vulgarity has always delighted English audiences why camp is such a strong thread in English humour why class influences what we laugh at and why comedy has been so neglected in most theoretical writing about cultural identity Part history and part polemic it argues that the English urgently

need to reflect on who they are who they have been and who they might become and insists that comedy offers a particularly illuminating location for undertaking those reflections *The Haunted Study* P. J. Keating, 2012-10-04 *The Haunted Study* a rare example of a work of literary history that is genuinely interdisciplinary explores how the leading novelists of the late Victorian and Edwardian periods came to develop so many of the attitudes that are now generally accepted as characteristically modern The writing of fiction is not treated as though it exists in some kind of isolation but is shown to be intimately related to other forms of social activity Conrad James Meredith and their immediate modernist successors Joyce Lawrence and Woolf may now seem to be set apart in a variety of crucial ways from say Ouida and Marie Corelli or even Gissing Wells and Bennett but all of them worked within the same rapidly changing society and were unavoidably influenced by its dominant economic political and cultural concerns These influences were not peripheral but central and formative They profoundly affected the creation of a commercially fragmented culture as well as the nature of fiction within that culture *The Haunted Study* covers an exceptionally large number of authors from the critically despised to the critically admired and examines the impact on their work of such factors as the professionalisation of literature the earning power of authors the emergence of new kinds of readers and disturbingly present throughout the whole period fundamental democratic change

Routledge Revivals: History Workshop Series Various Authors, 2022-07-30 First published between 1975 and 1991 this set reissues 13 volumes that originally appeared as part of the History Workshop Series This series of books which grew out of the journal of the same name advocated history from below and examined numerous often social issues from the perspectives of ordinary people In the words of founder Raphael Samuel the aim was to turn historical research and writing into a collaborative enterprise via public gatherings outside of a traditional academic setting that could be used to support activism and social justice as well as informing politics Some of the topics examined in the set include mineral workers rural radicalism and the lives and occupations of villagers in the nineteenth century working class association the development of left wing workers theatre and the changing attitudes to mass culture across the twentieth century the changing fortunes of the East End at the turn of the century the position of women from the nineteenth century to the present the miners strike of 1984 5 the social and political images of late twentieth century London and a three volume analysis of the myriad facets of English patriotism This set will be of interest to students of history sociology gender and politics *Europe, Empire, and Spectacle in Nineteenth-Century British Music* Julian Rushton, 2017-07-05 This volume illuminates musical connections between Britain and the continent of Europe and Britain and its Empire The seldom recognized vitality of musical theatre and other kinds of spectacle in Britain itself and also the flourishing concert life of the period indicates a means of defining tradition and identity within nineteenth century British musical culture The objective of the volume has been to add significantly to the growing literature on these topics It benefits not only from new archival research but also from fresh musicological approaches and interdisciplinary methods that recognize the integral role of music within a wider culture

including religious political and social life The essays are by scholars from the USA Britain and Europe covering a wide range of experience Topics range from the reception of Bach Mozart and Liszt in England a musical response to Shakespeare Italian opera in Dublin exoticism gender black musical identities British musicians in Canada and uses of music in various theatrical genres and state ceremony and in articulating the politics of the Union and Empire
