

The Evidence Against Her Large Print

CSB Bibles by Holman

The Evidence Against Her Large Print:

To the Death (Large Print 16pt) Patrick Robinson, 2010-06 From the 1 New York Times bestselling author Patrick Robinson comes his most provocative international thriller and the much much anticipated conclusion of his renowned series starring Admiral Arnold Morgan and his terrorist nemesis General Ravi Rashood The hunt begins when a bomb explodes in Boston s Logan Airport and Admiral Arnold Morgan

Missed Her (Large Print 16pt) Ivan E. Coyote, 2010-11 Ivan E Coyote is a master storyteller and performer her beautiful funny stories about growing up queer in the Canadian north and living out loud on Canada s west coast have attracted big audiences whether gay straight or otherwise Missed Her is Ivan s fifth story collection following 2008 s Lambda Literary Award nominated The Slow Fix 2004 s Ferro Grumley Award nominated Loose End and 2006 s Bow Grip her novel that was named a Stonewall Honor Book by the American Library Association now in development as a feature film In her passionate and humourous new collection Ivan takes readers on an intimate journey both literal and figurative through the experiences of her life from her year spent in eastern Canada to her return to the west coast to travels in between Whether discussing the politics of being a butch with a pet lapdog or befriending an effeminate young man at a gay camp or revisiting a forty year old heartbreak around her grandmothers kitchen Ivan traverses love gender and identity with a wistful perceptive eye and a warmth that s as embracing and powerful as Ivan herself

'Grossly Material Things' Helen Smith, 2012-05-03 In A Room of One s Own Virginia Woolf described fictions as grossly material things rooted in their physical and economic contexts This book takes Woolf s brief hint as its starting point asking who made the books of the English Renaissance and what the material circumstances were in which they did so It charts a new history of making and use recovering the ways in which women shaped and altered the books of this crucial period as co authors editors translators patrons printers booksellers and readers Drawing on evidence from a wide range of sources including court records letters diaries medical texts and the books themselves Grossly Material Things moves between the realms of manuscript and print and tells the stories of literary political and religious texts from broadside ballads to plays monstrous birth pamphlets to editions of the Bible In uncovering the neglected history of women s textual labours and the places and spaces in which women went about the business of making Helen Smith offers a new perspective on the history of books and reading Where Woolf believed that Shakespeare s sister had she existed would have had no opportunity to pursue a literary career Grossly Material Things paints a compelling picture of Judith Shakespeare s varied job prospects and promises to reshape our understanding of gendered authorship in the English Renaissance
