Nichodemus Nnaemeka Abonyi, 2006 *Management of Sports and Physical Education* Maddox Howe, 2018-02-09 Sport management is the field of business dealing with sports and recreation Some examples of sport managers include the front office system in professional sports college sports managers recreational sport managers sports marketing event management facility management sports economics sport finance and sports information Today the facilities for sports and fitness programs resemble less and less the old gymnasiums and stadiums of the past As competition increases among fitness centres and athletics and recreation programs the quality of facilities must improve Multiuse facilities designed to accommodate a variety and non profit organizations The present book entitled *Management of Sports and Physical Education* is a marvellous effort by the author in the field of physical education and sports science administration and management it is especially intended for the students of various physical educational programs Hopefully the book will be useful for the students and teachers of physical education and sports administrators etc Osage Dictionary Carolyn Quintero, 2014-10-22 Osage a language of the Dhegiha branch of the Siouan family was spoken until recently by tribal members in northeastern Oklahoma No longer in daily use it was in danger of extinction Carolyn Quintero a linguist raised in Osage County worked with the last few fluent speakers of the language to preserve the sounds and textures of their complex speech Compiled after painstaking work with these tribal elders her *Osage Dictionary* is the definitive lexicon for that tongue enhanced with thousands of phrases and sentences that illustrate fine points of usage Drawing on a collaboration with the late Robert Bristow an amateur linguist who had compiled copious notes toward an Osage dictionary Quintero interviewed more than a

dozen Osage speakers to explore crucial aspects of their language She has also integrated into the dictionary explications of relevant material from Francis La Flesche s 1932 dictionary of Osage and from James Owen Dorsey s nineteenth century research The dictionary includes over three thousand main entries each of which gives full grammatical information and notes variant pronunciations The entries also provide English translations of copious examples of usage The book s introductory sections provide a description of syntax morphology and phonology Employing a simple Siouan adaptation of the International Phonetic Alphabet Quintero s transcription of Osage sounds is more precise and accurate than that in any previous work on the language An index provides Osage equivalents for more than five thousand English words and expressions facilitating quick reference As the most comprehensive lexical record of the Osage language the only one that will ever be possible given the loss of fluent speakers Quintero s dictionary is indispensable not only for linguists but also for Osage students seeking to relearn their language It is a living monument to the elegance and complexity of a language nearly lost to time and stands as a major contribution to the study of North American Indians *National Gardening* ,1991
