Skunk Lane:

Groton Revisited Carol W. Kimball, James L. Streeter, Marilyn J. Comrie, 2007 Its proximity to the ocean will always be the most significant part of Groton's history The 19th century shipyards along the Mystic River produced some of the country's finest clipper ships Land along the Thames River today remains home to the country's oldest submarine base and to the General Dynamics Electric Boat corporation where the world's first nuclear powered submarine USS Nautilus was built and first set sail Today Nautilus is permanently berthed along the Thames in Groton at the Submarine Force Library and Museum But Groton is a typical New England town as well Within this volume the town's evolution is traced from its agrarian roots in Center Groton and along the plains of Poquonnock to the devastation wrought by the Great Hurricane of 1938 It recalls some of Groton's great citizens including two Civil War Medal of Honor winners and two Boston Marathon champions *Tell Me Jackson Spirit* Dick Fancy, 2022-01-23 The Content the Plot The Potent the Clot The Poet the Trout Burp This book has neither subject nor object nor author nor reader It is not a book about life but is a life itself many lives as they slip into and out of each other Falling to their deaths And back again From Reality to Dream and back again So many times that you forget which side of the mirror you're on It's the cracked looking glass of a servant where the ego dissolves into the group phantasm of the unavowable community dreaming of mythological revolution that will finally bring about the Time when Hearts fall In Love *Unholy Vengeance* K. L. Dempsey, 2019-10-29 The thriller The Unholy Vengeance is a blend of suspense and engaging characters It features a plot that centers on a man of God who has lost his way The novel brings together a love story between the female detective and her future commercial pilot husband At the same time she remains determined to end this pastor's idea of terror and death As the story moves forward the reader will soon learn that the minister's chosen method to kill those he considers a threat to his established goals is not the typical knife gun or even bomb but rather a predator that has been known to be lurking in one's own local food store Throughout the novel the race continues in an attempt to stop this man of God from bringing his blend of punishment and death to her family and the community that he lives in **Long Island Alive** Fran Silverman, Francine Silverman, 2003 Each chapter of this guide to Long Island's fine dining recreation shopping historic sites and scenery focuses on a particular region of Long Island and presents its highlights from an insider's point of view Some of the attractions described include tours and day trips beaches and national parks farm stands wildlife preserves and museums **Bulletin bibliographique de la Société internationale arthurienne** International Arthurian Society, 1986 **Fish Out of Water** Eric Metaxas, 2021-02-02 What Happens When One of America's Most Admired Biographers Writes His Own Biography For Eric Metaxas the answer is Fish Out of Water A Search for the Meaning of Life a poetic and sometimes hilarious memoir of his early years in which the Queens born son of Greek and German immigrants struggles to make sense of a world in which he never quite seems to fit Renowned for his biographies of William Wilberforce Dietrich Bonhoeffer and Martin Luther Metaxas is the author of five

New York Times bestsellers the witty host of the acclaimed Socrates in the City conversation series and a nationally syndicated radio personality But here he reveals a personal story few have heard taking us from his mostly happy childhood and riotous triumphs at Yale to the nightmare of drifting toward a dark abyss of meaninglessness from which he barely escapes Along the way he introduces us to an unforgettable troupe of picaresque characters who join this quintessentially first generation American boy in what is both bildungsroman and odyssey and which underscores just how funny serious happy sad and ultimately meaningful life can be Route 7, Norwalk to Danbury ,1978 **Morgan Spring** M. Ralph Browning,2021-05-05 Fulfilling a wish to live in a remote location and the great luck of finding Morgan Spring was a dream come true The author and Linda his childhood sweetheart quickly realized Morgan Spring was a perfect place for retirement and an extended honeymoon Morgan Spring opened its pages to teach about the day to day living where mail came three days per week and where the water was beyond quenching Their little spot surrounded by a meadow often filled with elk and a forest with breezes singing through the needles of evergreen trees offered habitat for wildlife precious to dangerous from mushrooms to birds wildflowers to backyard skunks Thinking of birds invited forays into how some birds acquired their names and occasional swoops into bird business such as catching flies Morgan Spring is witness to a rich geological history beginning in the shadow of Mount Mazama of the Cascade Mountains The richness of human history ranges from bad to good and entertaining The health of the ecology of Morgan Spring country is also varied but its outcome hopeful We rarely saw neighbors When we did it was a delight knowing that they also loved Morgan Spring **Paddling Long Island & New York City** Kevin Stiegelmaier,2024-05-14 Get the most informative paddling guide to the area featuring 50 of the best routes for canoeing and kayaking Boasting more than 400 miles of coastline beautiful sandy beaches expansive salt marshes and dozens of protected bays and harbors Long Island is truly a paddler s paradise It offers something for everyone from expert sea kayakers to families with young children Amazing wildlife ever changing landscapes charming history and on its western edge a view of the setting sun behind the Manhattan skyline there s no better way to explore it all than from the water Paddling Long Island New York City is the most comprehensive guide to the area s top paddling locations including rivers harbors lakes and portions of the New York City Water Trail Written by expert local paddler Kevin Stiegelmaier the guidebook provides engaging and concise information about Long Island s geology weather history and wildlife while also offering carefully selected details vital to a successful paddling trip You ll appreciate Kevin s helpful hints on trip planning including notes on tides equipment training and camping Plus the book s safety information and navigational rules of the road are essential to know Inside you ll find Details on 50 top paddling trips Route descriptions with full color maps and photos Recommended runs for fishing trips with children wildlife viewing and more At a glance data including difficulty distance and potential hazards GPS coordinates for put ins and take outs Whether you re looking to spend a long day on the water or you only have time for a quick tour of a local harbor this book has the information you need to make the trip

Basic Elements of Landscape Architectural Design Norman K. Booth, 1989-10-01 Singularly highlights landscape architectural elements with clear design principles Designed to be used as a helpful resource by individuals beginning their careers Basic Elements of Landscape Architectural Design presents the thoughts and key design theories fundamental to landscape architecture in simple words and illustrations Still available from Waveland Press this highly regarded sourcebook offers the vocabulary significance characteristics potential uses and design guidelines for landform plant materials buildings pavement site structures and water in landscape architectural design It will help your students overcome common mistakes and misconceptions typical in the early phases of their design career and will heighten their understanding and awareness of the major physical components of the outdoor environment **The Seventh Deception** Ron Johnson, 2012-04-01 Epic in scope in the tradition of *Sometimes a Great Notion* this novel explores the values of the American West as three generations carve out a working ranch in the Idaho Panhandle On the weekend of their 60th wedding anniversary Ray and Betsy hold a family gathering in a final celebration at the Omak Stampede Rodeo where their eldest son Arnie struggles to put his life back together after his wife's death At this rodeo once again Arnie's life will change forever And back on the ranch Ray and Betsy will make their last most difficult stand as Ray shows how it's done the cowboy way **The Prometheus Bomb** Neil J. Sullivan, 2016-12 During World War II the lives of millions of Americans lay precariously in the hands of a few brilliant scientists who raced to develop the first weapon of mass destruction Elected officials gave the scientists free rein in the Manhattan Project without understanding the complexities and dangers involved in splitting the atom The Manhattan Project

was the first example of a new type of choice for congressmen presidents and other government officials life and death on a national scale From that moment our government began fashioning public policy for issues of scientific development discoveries and inventions that could secure or threaten our existence and our future But those same men and women had no training in such fields did not understand the ramifications of the research and relied on incomplete information to form potentially life changing decisions Through the story of the Manhattan Project Neil J Sullivan asks by what criteria the people in charge at the time made such critical decisions He also ponders how similar judgments are reached today with similar incomprehension from those at the top as our society dives down the potential rabbit hole of bioengineering nanotechnology and scientific developments yet to come

Peconic Bay Marilyn E. Weigold, 2015-04-03 Bordered on the south by the Atlantic Ocean and on the north by Long Island Sound the Peconic Bay region including the North and South Forks has only recently been recognized for its environmental and economic significance The story of the waterway and its contiguous land masses is one of farmers and fishermen sailing vessels and submarines wealthy elite residents and award winning vineyards Peconic Bay examines the past 400 years of the region s history tracing the growth of the fishing industry the rise of tourism and the impact of a military presence in the wake of September 11 Weigold introduces readers to the people of Peconic Bay s colorful history from Albert Einstein and Captain Kidd to Clara Barton and Kofi Annan as well as to the residents who have struggled and continue to struggle over the well being of their community and their estuarine connection to the planet Throughout Weigold brings to life the region s rich sense of place and shines a light on its unique role in our nation s history

American Roadkill Don H. Corrigan, 2021-11-03 Slaughtered along our highways roadkill may be observed regularly but aren t likely to be given much thought Research scientists animal rights activists roadkill artists writers ethicists and lyricists however are increasingly sounding the alarm They report that we are killing the very animals we love and are driving many of them to the brink of extinction Detailing the death and destruction of mammals reptiles amphibians and insect pollinators this study examines the ways in which we are thus jeopardizing our own futures Beginning in the Model T era biologists counted the common carnage of the time cottontails woodchucks and squirrels mostly That record keeping continues today Beyond the bleak statistics zoologists are rerouting migratory paths of animals and are advocating for cat and dog companions This book illuminates both our successes and failures in keeping animals out of harm s way and what those efforts reflect about ourselves and our capacity to care enough to alter the road ahead
