The Devil's Handwriting George Steinmetz, 2008-09-15 Germany's overseas colonial empire was relatively short lived lasting from 1884 to 1918 During this period dramatically different policies were enacted in the colonies in Southwest Africa German troops carried out a brutal slaughter of the Herero people in Samoa authorities pursued a paternalistic defense of native culture in Qingdao China policy veered between harsh racism and cultural exchange Why did the same colonizing power act in such differing ways In *The Devil's Handwriting* George Steinmetz tackles this question through a brilliant cross cultural analysis of German colonialism leading to a new conceptualization of the colonial state and postcolonial theory Steinmetz uncovers the roots of colonial behavior in precolonial European ethnographies where the Hereros were portrayed as cruel and inhuman the Samoans were idealized as noble savages and depictions of Chinese culture were mixed The effects of status competition among colonial officials colonizers identification with their subjects and the different strategies of cooperation and resistance offered by the colonized are also scrutinized in this deeply nuanced and ambitious comparative history

Where Was the Angel Going? Jan Balaban, 2021-06-07 Somewhere in the cosmos there are happier places muses Martin Vr na the hero of Jan Balab n s novel *Where was the Angel Going* People are transported to the planet Earth for punishment Part of the punishment is their ignorance of the fact We've forgotten that we've forgotten Yet as this very reflection implies in Martin's case part of his punishment is his ever present memory of an Eden from which he had been expelled The prototypical outsider a member of a minority community within a minority community a Protestant in the overwhelmingly agnostic Czech Republic Martin like the survivor of a shipwreck strives to shore up his vital resources amidst the billows of an inimical world which constantly advance and threaten to wash away everything he holds dear *Where was the Angel Going* is a novel made up of forty six linked stories As always Balab n s prose is so vivid that the reader can practically taste the honey and dust which are the characteristic flavours of Ostrava And yet in its lyrical message of love and friendship as basic human needs no less critical than air and water *Where was the Angel Going* is nonetheless an eminently universal novel Everyone will find him or herself in these pages as we are all of us descended from that first pair of exiles Adam and Eve Translation of this book was supported by the Ministry of Culture of the Czech Republic
